- 455 50. Summary of business from the 2015 ACoD

### 457 Attachment 1 — Report of the President

A big welcome to Pittsburgh, a city that is a very well-kept secret. When people visit
Pittsburgh for the first time they are amazed at what a beautiful and friendly city
Pittsburgh is. Even though I grew up in Southern Georgia, Western Pennsylvania has
been my home for over 40 years. I consider it my home. I trust you will enjoy your time
here.

- This year has been productive in some areas and not so much in other areas. Thank you to all committee chairs and committee members for taking time out of your busy lives to work on making the ASFA better and to move us forward.
- 466 My goals for 2014 were:
- 1) Communication 467 a) To continue improving the Communiqué 468 i) Possible input from Committees, RDs, members of the fancy 469 b) To work more closely with the Regions and RDs 470 c) To continue improving two-way communication with all of the fancy and the 471 Board 472 2) Committees 473 a) To improve the structure of committees 474 b) To have all the committees have written goals and objectives with timelines 475 by the end of April 476 c) To have interim reports received by mid-September 477 d) To work more closely with the committees of ASFA 478 We had a Communiqué almost every month this past year. At times there wasn't very 479 much to report and it became repetitious. I would like to know from the clubs and 480 members of the fancy what content you would like to see in the Communiqué. Lori 481 482 Silvestri has done a really nice job of formatting the Communiqué into a nice newsletter. We have a new Membership Chair, Josie Haumont. Scott did a very nice job, but due to 483 484 unforeseen circumstances, found he would not be able to devote the appropriate time to keep this important committee functioning. Josie has vast ASFA experience and will be 485 a great chair. 486 487 The ASFA Recording Secretary resigned at the end of February and the Board has
- appointed Joe Shoemaker to fulfill the Recording Secretary's duties for this year's Board

Meeting and ACoD. At the ACoD the delegates will elect a candidate to hold the office
for the remainder of the current term.

491 Most committees did very well on not only writing out their goals but also fulfilling

them. Writing down a goal is much easier than doing the work to follow though.

493 Making those small timelines throughout the year staves off the last minute scramble to

494 get things done in the few months before the Board Meeting and ACoD.

You are all aware that I feel committees are the backbone of the ASFA. We as Board 495 members are elected to not only maintain the functions of the ASFA but to also grow the 496 organization. That happens with the work of the committees. Nearly everyone has 497 498 agreed to continue on the same committees for 2015 with a few minor changes. With these few changes and the addition of our new RDs, I'm hoping this next year will be 499 even more productive. Being a member of a committee is open to all persons of the 500 fancy. Therefore if you know of someone who has enthusiasm and a willingness to help 501 502 out, please encourage them to request to be on a committee.

503 Most have improved on responding to emails as well as participating in discussion on 504 motions that have come before the Board. Thank you for all your efforts.

We are all volunteers with families, dogs, and jobs and are not able to focus on ASFA as much as we would like. Every little bit helps and with that the ASFA can continue to not only function, but to grow as well. Each Board member has contributed in his or her own way.

509 My goals for 2015 are:

510	1)	Communication
511		a) To continue improving the Communiqué
512		b) To work with each Region and RD
513		c) To continue improving all communication with everyone
514	2)	Committees
515		a) To have all the committees have written goals and objectives with timelines
516		by the end of April
517		b) To help committees and RDs to have interim reports received by mid-
518		September
519		c) To work more closely with the committees of ASFA
520		i) Add me to your committee group or email list
521		ii) Enlist help of officers

- 3) Regionsa) Work to understand the feelings of each region
  - i) Through Regional Directors
- 525 ii) With Club delegates
- b) Increase number of trials & entries
- 527 When we all work towards the overall, unified goal of keeping the ASFA as the premiere 528 lure coursing organization, everyone and all hounds coursing at ASFA trials benefit. I 529 am very proud to be the President of the ASFA and am also proud of the Board members 530 who are working with me.
- 531 Respectfully submitted,
- 532 Ping Pirrung
- 533 President

## 535 Attachment 2 — Report of the Recording Secretary

536 The minutes from the March 2014 Board meeting were completed and sent to the

537 Minutes Review Committee on May 23, 2014. The committee submitted their

<sup>538</sup> corrections to Marilyn Standerford by the 30<sup>th</sup> of June. The final unofficial version was

- released on August 26, 2014.
- The minutes from the 2014 ACoD were completed and sent to the Minutes Review
- 541 Committee on June 9, 2014. The committee submitted their corrections to Karen
- 542 Frederick by the 31st of July. The final unofficial version was released on August 23,
- 543 **2014**.
- 544 Until his resignation last month, Bill Martin performed the Recording Secretary duties,
- 545 providing input and voting on motions in the online Board discussions. Joe Shoemaker

was appointed by the Board to serve as Recording Secretary for the 2015 Annual Board

of Directors Meeting and ACoD. An election will be held at the ACoD to select a new

- Recording Secretary to fill the remainder of the current term which ends at the next
- 549 ACoD.
- 550 Respectfully submitted on behalf of Joe Shoemaker,
- 551 Ping Pirrung
- 552 President

#### Attachment 3 — Report of the Corresponding Secretary 554

#### 555 **General Comments**

The first half of this year was fairly uneventful, but we made up for it in the second half. 556 As in past years, I want to thank the many people who provided support to me when 557 researching questions and determining the most efficient and effective ways to bring 558 business before the Board. I'd also like to thank the RDs and committee chairs who 559 560 submitted their reports to me in a timely manner when requested. You made my day!

#### **Statements of Irregularity and Protests** 561

562 During the year, I received one Statements of Irregularity. It was submitted by Joan 563 Doyle regarding the all-breed lure trials held by the Greater Twin Cities Whippet Club on July 19-20, 2014. Her Basenji Ireland was disqualified at the end of the Final course, 564 although the cause was not clear to her and the club may not have handled the incident in 565 the most helpful way. In her letter, Mrs. Doyle indicated she hoped the Board would 566 reverse the disgualification, although I had previously told her that was not an option the 567 Board had for dealing with the situation. We assembled as many supporting documents 568 and statements from participants as we could. Josie Haumont, the Regional Director of 569 Region 5, followed up with the club and the judges, Kay Nierengarten and Michael 570 Small, to get their perspectives, but her attempts to follow up with Mrs. Doyle were not 571 572 returned. The matter was reviewed by the Board and several points for improvement were identified for follow up by committees and the RD. 573

There were no Protests with Appeal, Protests with No Appeal, Protests upheld, and no 574 575 Protests.

#### **Other Correspondence** 576

I received a number of questions, comments, and suggestions from Board members, club 577 delegates, judges, and exhibitors which I responded to or passed along to the appropriate 578 person to handle a reply. Many of these found their way into motions before the Board or 579 to the work done in committees. I also responded to 20 questions posted to the web site, 580 the majority of them looking for lure coursing opportunities for their non-sighthound 581 dogs. 582

Denise Gentile (Treasurer) and Dominic Carota (Board Member) of the Pharaoh Hound 583

Owners of Northeast sent a letter expressing concern about an ASFA Pharaoh Hound 584

Only Specialty hosted by California Coursing Association (CCA) on December 26<sup>th</sup> and 585

27<sup>th</sup>, 2014. There appear to be scheduling, records, and other issues surrounding this 586

event. 587

#### 588 **Review of Suspended Individuals**

- 589 The list of people suspended has not changed this year. They are:
- Richard Erdmann, Effective November 1, 1992 for an indefinite period due to
   outstanding debts to ASFA.
- Robbin Wiseman, effective April 1, 2006 for a period of 25 years for conduct prejudicial to the best interest of the ASFA and all breeds of sighthounds.
- This list posted to the website. You can access it through a link on the left side of the Rule Book page.

#### 596 Motions in Online Meetings

- 597 Over the past year, we considered 16 motions, all but one of which passed. These
- <sup>598</sup> included requests for changes to the ASFA Constitution and Rule Book, recognition of
- <sup>599</sup> full membership status for a club, accepting committee assignments and new chairs,
- 600 filling the Recording Secretary vacancy, and policy changes. Two other motions were
- 601 introduced but withdrawn during discussions.

### 603 The ASFA Communiqué

Nine editions of the ASFA *Communiqué* were published in the last 12 months. Thanks to

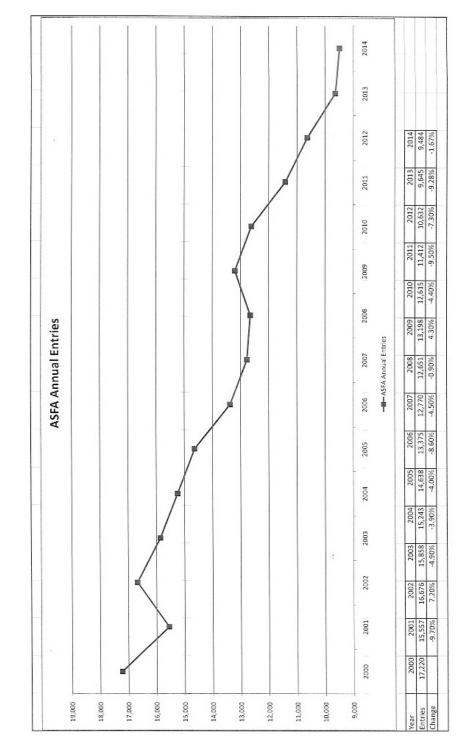

Lori Silvestri for her work to format each edition for us – despite significant challenges.

The publication timetable we worked out to allow release of a new edition the first of

- every month generally succeeded although we experienced some delays. If you have
- articles you would like to contribute or items that should be covered, please send them to
- me by the  $20^{\text{th}}$  of the month in order to make it into the next release.

This is our financial status as of 31 December 2014. We have one employee, Lori

624 Coulson, Records Coordinator, and one contractor, Jean Hampton, Webmaster.

While it looks like we came close to hitting our spending target, looks can be deceiving.

We did not spend money where we had planned to. Per capita was way off what had

been projected. Part of this was due to cancelled trials due to the crazy weather the

Northeast has been experiencing. I think they should move the Northeast a couple of

hundred miles south to take advantage of the relatively milder winter we've had.

## 634 Attachment 7 — Report of the Regional Directors and Invitationals Committees

Committee Members: Jeffrey Falkner. Rick Wolpin, Tom Golcher, Gary Runyan, 635 Gregory Breitbach, Jim Anthony, Dean Wright, Ben Brodeur, and Lori Silvestri. 636 I would like to thank the members of this committee for their hard work and for each 637 person's contributions in everything we have done in the last 3 months. On February 23 638 we were fully staffed and ready to Rock 'n' Roll in 2015. We had several conference 639 calls with a 90% attendance and accomplished a great deal in those meetings. 640 641 Below are our goals and how we have done on them. 1. Trophy for II for Saturday for Pharaohs. (Waiting for the Pharaoh hound club to 642 send letter.) 643 2. Trophy for Saturday for Ibizans donation from Region 8. (Ready to come off the 644 table after the ACoD.) 645 3. Updating the II policies. Have not been updated since 2008. (Have started on this 646 with a motion to the board on the first three recommendations. Not handled by 647 board as was not in the correct format.) 648 4. Updating the Regional Invitational policies. Have not been updated since 2008. 649 650 (Started with a motion to the board to make both policies for eligibility for the Regional the same. Found out that Regional Invitationals were not using the same 651 eligibility to qualify across the country. Motion was passed by the board and sent 652 to policies, have not heard anything since then.) 653 654 5. Take a serious look at the RD guidelines and make changes. (Have started with the 4 policies that govern us and put that motion forward yesterday. Have 655 completed all changes waiting for the policies to be approved and hope to put 656 forward the complete Regional Director guidelines by the ACoD.) 657 6. Write Guidelines for the chair of the RD committee. (These are completed. See 658 659 Below.) 7. Write Guidelines for the RD's Executive committee liaison. (These are 660 completed. See below.) 661 8. Write Guidelines for the Invitational committee. (Working on these will be 662 completed by June 2015.) 663 9. Update the guidelines for hosting an II. (Step-by-step guide for a club doing it 664 with timelines for each step. This is Ping done by a separate committee and we 665 already have the guidelines completed for the II TROPHY CHAIR.)

- We will have a great deal to discuss at our RD meeting in conjunction with the Board Meeting.
- 669 Respectfully submitted,
- 670 Dean Wright
- 671 Chair, Regional Directors Committee

### 673 Attachment 8 — Region 1 Report

- ASFA Lure Coursing has been steady in Region 1 over the past year and we're looking forward to an even better year in the months to come.
- 676 Region 1 covers the Pacific Northwest states of Alaska, Washington, Oregon, and Idaho.
- Our 9 clubs held 19 trials in 2014 (down 2 from 2013) with 522 hounds entered (down
- 106 from 2013). We are currently working with a new club to become licensed to holdASFA trials.
- 680 Challenges include finding good coursing fields, finding 'open' weekends when other
- dog-related activities are not competing for participants. We are also seeing issues with
- 682 the lack of helpers.
- This coming year, we are proud to be hosting the 2015 International Invitational. We have been able to secure a never-before-seen (by sighthounds) field in Ethel, WA. We encourage everyone to come out and see the beautiful Pacific Northwest! The following weekend will be the WWWA Versatility Weekend which features straight track racing, oval track racing, and an ASFA trial.
- 688
- 689 Respectfully submitted,
- 690 Jeff Falkner
- 691 Regional Director, Region 1

### 693 Attachment 9 — Region 2 Report

There were 6 trials held in 2014 for Region 2. We did not have a Regional Invitational this past year. We will need to try to schedule one for this year.

There are severe challenges facing us in 2015.

With favorable weather over the majority of the year, there are a wide variety of canine events that are held year round in our area almost every weekend. These events range from performance events such as straight racing, oval racing, and open field coursing, to agility events, service work, and of course conformation shows. This will force the owners to make choices as to which events to attend and tends to reduce the number of hounds at the trials. Our great weather allows us to hold events year round while other

areas of the country face severe cold and snow.

The largest challenge we have is finding fields suitable for coursing. Our state is in a 704 705 drought that has been ongoing for 3 years. We had a large amount of rain in December, but the driest January on record. At the time of this writing (first week of February) there 706 is a forecast for a large storm to start at the end of this week. Hopefully this will open the 707 708 "storm door" and bring rain to our parched fields. Many of the fields that we are accustomed to using, have either fallen upon disrepair, or no longer allow canine events. 709 The drought is forcing many municipalities to reduce or even eliminate watering the 710 grass at public parks and schools. I have been visiting schools, parks, and open space 711 areas to see if any of the fields will meet our needs. When I do find a location that may 712 work, the Owners (School Districts, Park Districts, or Municipalities) tend to not allow a 713 714 canine event. And those that will allow us to run want too much money for the weekend to allow a trial to break even, let alone make a profit. Many of the local ASFA clubs that 715 are also members of AKC are holding AKC's and CAT testing in order to make 716 717 additional money.

It is my goal to increase the number of trials scheduled for 2015 and to hold a Regional
Invitational. If I can find a field to run on, I am confident I can make it happen. The first
trial of the year is this coming weekend, and I am hoping to hold a regional meeting
while there. The demand for coursing is still here, and many of the members will be

- anxious to attend the ones that are held.

As the RD I have made an attempt at communicating more with each club in the region thru direct emails and "list" announcements. 764 765

- The vote has not yet taken place but I am certain that AWFA has obtained full membership status by the time of the ACoD.
- The largest challenge for our region is the continued drop in entries and club level
- communication/participation in ASFA matters. I will continue to work on these issues.

### 775 Attachment 11 — Region 4 Report

- The region has seen its share of issues in holding on. Facing economic, climate, and location issues within the region, the clubs also battle building a good base of judges for
- the future of the sport within ASFA Region 4.
- 779 Clubs continue to host ASFA events along with other venues to keep afloat.
- 780 Texas having the most clubs located within a 'Country' that can be one of the most
- changing climates around to host events has one club that stands among the Top Six
- clubs under the wings of ASFA.
- 783 The Cirneco dell'Etna Club of America (CdECA) managed eight trials and, with the
- Tulsa Sighthound Association (TSA) and Afghan Hound Club of America (AHCA), two
   other clubs in our region, hosted three trials each.
- Two trials were hosted by North Texas Saluki Club (NTXSC) and the other clubs hosted
   one. Our hound averages were low, however the clubs held quality trials for the fancy.
- Goals for this RD will be:
- Attend trials of each club in the region and evaluate their efforts to help them host better trials.
- 791 2. Help clubs with more public relations and awareness about ASFA lure coursing.
- 792 **3**. Help establish a regional event for this year.
- 793 Respectfully submitted,
- 794 Gary Runyan
- 795 Regional Director, Region 4

## 797 Attachment 12 — Region 5 Report

I would first like to thank Josie Haumont for the past five years she's served as RD in
 Region 5. After taking over mid-term she was elected to two full terms and did a

800 wonderful job of pulling the region forward through some difficult times.

I'm happy to be able to say that ASFA lure coursing has taken a bit of an upturn this past

year. Though the uptick isn't across the board, five of our seven Member clubs have

each averaged more entries than in 2013. Our total regional entry was up nearly 200
hounds from the previous year.

805 Our Member Clubs consist of Goin' Up North Coursing (GUNC), Greater Twin Cities

806 Whippet Club (GTCWC), Heartland Coursing Association (HCA), Iowa Coursing

Association (ICA), Minnesota Coursing Association (MCA), Nebraska Coursing

808 Association (MCA), and St. Louis Area Sight Hounds (SLASH). Show-Me Basenji Club

holds Affiliate status in ASFA. Delegates of the national breed clubs for Basenjis,

810 Salukis, and Scottish Deerhounds reside in Region 5. SLASH has been fortunate this past

year to host National Specialty lure coursing for Basenjis, Ibizan Hounds, Irish

812 Wolfhounds, Italian Greyhounds, Pharaoh Hounds, and Scottish Deerhounds.

813 The 2014 Regional Invitational was hosted by Nebraska Coursing Association in Omaha

on November 1 with Jeff Lipps, Sandra Moore, and Kim Bork judging. Best in Field

over the 64 hound entry was the open whippet Archie, Kamada Archibald Duke Of

816 Bonham owned by Dave DiBlasi. This year's Invitational is scheduled to be held in

817 Cedar Falls, IA on September 26 with Iowa Coursing Association hosting.

Our region faces the same difficulties as most of the other regions with field availability. Fortunately most of our clubs have built good relationships over the years with the field owners they've been dealing with.

- We are looking forward to an even better year of lure coursing this season. Please
- contact our clubs if you're on your way through the Central Plains. We'd love to have
- you join us at some of the friendliest field trials in the country.
- Respectfully submitted,
- 825 Kent Standerford
- Regional Director, Region 5

### 828 Attachment 13 — Region 6 Report

- The clubs of Region VI held their own last year. There was not any noticeable dip in entries.
- MGA hosted the Region VI Invitational. They had 97 entries. Whippet U won BIF.
- COACH became active again and hosted three trials over Thanksgiving weekend. They
- will be hosting the Region VI Invitational this year on October 17.
- For Region VI, there were a total of 11 clubs hosting 32 trials with a total entry of 1,863 participants up from 1,672 the previous year.
- We have 14 member clubs in the region. Most clubs host two weekends of trials so there is no shortage of trials during spring, summer, and fall. There are a few clubs with limited membership and are starting to share weekends to maintain active status. Some clubs
- have moved to hosting AKC trials only.
- 840 I find that the clubs in this region are all well organized and efficient with paperwork and
- running the trial in efficient manners. There were no rules violations and no one had
- complaints. Most clubs have enough volunteers to run the events and provide lunch for
- <sup>843</sup> judges and workers. The trials are relaxed and fun to attend.
- The item of note from the region is that the trial workers and entrants are consistent. This indicates a lack of influx of new people into the sport.
- The biggest problem for the region is lack of really good coursing fields. Some clubs
- have been at the same locations and use the same course plans where experienced dogs are no longer coursing but guessing which plan is being used. Need some way for clubs
- to get out of comfort zones and look for new fields.
- 850 Respectfully submitted,
- 851 Gregory Breitbach
- 852 Regional Director, Region 6

## 854 Attachment 14— Region 7 Report

Region 7 includes the states of FL, GA, SC, NC, AL, MS, and TN.

First I would like to thank Dale Parks for running Region 7 for the past two years. He did a great job for the region.

In 2014, 14 clubs ran 43 trials including the II. Total dogs entered were 1906 of which

408 were from the II. This is an increase of 81 dogs including the II over 2013. Region 7

had 53 dogs in the top 20 representing 13 breeds and 2 dogs finished #1, IB Rocco (R.

BeVillez) and RR Zoli (J and C Slattery/Dale Parks). A stand out club was GOGLC

which held 10 trials with 406 dogs running and hosted the II with 408 dogs running for a

total of 814 dogs.

864 Our goals for this year are to increase participation from sighthound owners and to offer

training seminars which include Judging, Lure Operation, Field Trial Secretary,

Huntmaster, Roll Call and Course Layout. As of this date I have 11 training seminars

scheduled: 2 Judging, 2 Lure Operation, 3 Huntmaster, 2 Roll Call, 1 Field Trial

868 Secretary and 1 Course Layout. Four breed specialty trials are scheduled and the

Regional will be hosted by GANG in Knoxville, TN, on Thanksgiving weekend.

Region 7 has two new clubs forming this year. One is in Mobile, AL, the first ASFA
club in this state, and one in Clemson, SC.

Region 7 is going to have a very busy and fun filled year.

NEWS FLASH for 2015:

- Region 7 has held 8 trials in 2015 thru March 8 with 504 dogs running for an average entry of 63 dogs per trial.
- 6 trials had apprentice judges
- 2 Judging seminars
- 2 FTS seminars
- 2 Huntmaster seminars
- 2 Roll call seminars
- 1 Lure operating seminar
- 1 course layout seminar
- 883 Respectfully submitted,
- 384 Jim Anthony

# 887 Attachment 15 — Region 8 Report

888 889	Region 8 is alive and well. Getting ready to Rock N Roll in 2015
890 891 892 893 894	I would like to thank the region 8 clubs for their dedication to ASFA in 2014. Region 8 consists of 15 clubs, eight member clubs, four affiliate, and three parent clubs. We held forty two ASFA trials with a total entry of 1837 hounds, which were up from 1699 in 2013. Our two-day regional was held on Thanksgiving Weekend with Friday being used to qualify hounds for the Regional.
895 896	On January 25th we had our 37th annual Regional meeting with 15 in attendance representing 11 clubs.
897 898	Please check out or website at <u>http://www.asfaregion8.com</u> . It has historical photos the history of our region a brag section and much much more.
899	My goals for 2015 are:
900 901 902 903	<ul> <li>Write a regional article for the Communiqué about our website, including 2 day regional's, our special trials that have been long running, and our stand alone regional meeting every year in January.</li> <li>Have an increase of 10 % in entries in 2015.</li> </ul>

### 908 Attachment 16 — Region 9 Report

Region 9 includes New York, Connecticut, Massachusetts, Rhodes Island, New

Hampshire, Vermont and Maine, with 4 member and 2 affiliate clubs, and we border

- 911 Regions 6 and 8.
- I became interim Region 9 Director midway through the 2014 taking over for Rich
- 913 Whritenour who was elected 1st V.P. at the 2014 ACoD. During this brief period I made

it a point to attend at least one scheduled trial per clubs, one being at LCLC in western

- NY which was the farthest away. I had a great time and was welcomed with open arms
- and am hoping to work with them in the future.
- 917 One major concern is the lack of participants getting involved at trials and it seems that
- no matter which trial you attend it's the same "worker bees". I've made it known to each
- club that I'm willing to assist them in any way possible during the 2015 coursing season.

This past year GONE held their Labor Day Week End Iron Dog and the three-day event winner was Bella the Podengo. In October we also hosted the Regional and everyone who attended seemed to enjoy themselves. As for the 2015 season, one of my goals is to help at least one of our affiliate clubs strive to become a full-fledged members and also finding ways of increasing the attendance at trials.

- This winter has been relentless in Boston and work has been unending, so I haven't had time to research how many trials and what the number of entries were in 2014.
- 927 Looking forward to seeing everyone at the ACoD.
- 928 Respectfully submitted,
- 929 Ben Brodeur
- 930 Regional Director, Region 9

#### Attachment 17 — Region 10 Report 932

933 Region 10 covers the state of California south from the northern boundaries of San Luis

Obispo, Kern and San Bernardino counties, Arizona, Hawaii, and Nevada south of 934

Highway 6. 935

2014 saw our lowest entry numbers in years, as well as a decrease by more than half of 936

the number of ASFA clubs in the region. Region 10 has not held a Regional Invitational 937 since January of 2013, and we will be remedying that as well as other challenges this

938 year. 939

940 Region 10 is currently facing a number of challenges, including a large decline in number

of ASFA clubs (that have mostly chosen to only host AKC events from now on), a loss of 941

942 available fields due to drought and other challenges.

Region 10 currently has 2 all-breed Member clubs, 1 National Breed Club, and 2 Affiliate 943

clubs. 2015 has already seen an increase in the number of clubs in region 10, however, 944

with Central Coast Association of Sighthounds (CCASH) in Paso Robles, CA, earning 945

'Fast Track' Affiliation status on January 1<sup>st</sup>, 2015. The Central Coast generally has mild 946 weather all year, and CCASH has a large number of long-time ASFA enthusiasts as 947

members, so CCASH is hoping to host their first couple of trial weekends in 2015. 948

Region 10's season is already under way. By this publication, CCA will have already 949 held their first 4 trials of the year. CCA hosted 19 trials in 2014, tying for the most trials 950 of any ASFA club in the country. Their entries per trial, however, were small due to only 951 hosting Specialty trials in the past few years. The largest entry for any region 10 club 952 was for the Silken Windhound National trial hosted by the national parent club, ISWS, in 953 June 2014 in Tacoma Washington (region 1). 954

955 As a new Regional Director this year, I will be working to improve communication in the region and to encourage individuals and clubs to embrace and/or rekindle their 956 enthusiasm for the sport of lure coursing. As the most active club in Region 10, I will be 957 working with CCA to encourage them to continue to host ASFA trials and to work with 958

959 members to overcome biases against ASFA. I will be working with each club in the region to address their unique challenges. I believe greater communication will get us far 960

in achieving our common goals. To achieve this, I am creating Yahoo! and Facebook 961 groups for the region, as well as planning to travel throughout the region this year to meet 962

individuals and club officers in-person to learn their perspectives and encourage 963

- participation in the sport. 964
- Respectfully submitted, 965
- Lori Silvestri 966

### 969 Attachment 18 — Report of the Awards Committee

- The ACoD started 2014 with the awarding of nineteen #1 plaques; one "Top Hound"
- 971 plaque; twenty-five parent club plaques; and one ASFA National Greyhound Specialty
- 972 plaque.
- 973 Medallions were sent to the International Invitational for the BOB winners.
- It was a slow year for Regional Invitationals with only six being held in Regions 3, 5, 6,
- 975 7, 8, and 9. Region 8 was the only one to hold a two day event.
- I would like to thank all the Regions that held Regional Invitationals for ordering andreturn the rosettes and medallions in a timely manner.
- 978 Region 4 still has not returned the rosettes and medallions from 2013 and I would like
- them returned ASAP. I would like to stress that it is most important that the unused
- rosettes and medallions be promptly returned so they may be used to fill another order.
- 981 This reduces the number of inventory I have to maintain.
- 982 Respectfully submitted,
- 983 Evelyn Jones
- 984 Chair, Rosettes and Medallions Committee

### 986 Attachment 19 — Report on the Excellence in Performance Award

- Each year, ASFA recognizes those clubs which go the extra mile in providing the lure
- coursing fancy with good sport and the highest quality field trials by awarding the
- 989 Excellence in Performance Award (EPA).
- <sup>990</sup> This year's recipient will be announced at this point during the ACoD.
- You can learn more about the EPA and find a list of its past winners on the Excellence in
- 992 Performance Award page on the ASFA website (<u>http://www.asfa.org/epa/index.html</u>).

# 996 Attachment 20 — Report of the Guidelines Committee

997 998 999	I would like to thank everyone for taking the time to write the guidelines for your office or position. It was really nice when we had new people move into a chairmanship or office to be able to furnish them with guidelines on how to get started. It made the
1000	transition so much easier.
1001	Goals for 2014-2015:
1002	1. Complete few remaining guidelines. There are still some outstanding.
1003	The committees and officers that I did not have guidelines for are:

1013	2. Request each committee to look at their guidelines and reflect on how these
1014	guidelines have worked over the last 6 months and make any changes they feel
1015	are needed. Most are updated for 2015.
1016	3. Add several new guidelines. New additions are complete.
1017	4. Guidelines for hosting an International Invitational. In progress. The RD

1060	The two judges are: Ping Pirrung and Dean Wright (if you do not like the scores
1061	your dog received – talk to them)
1062	Each judge starts with an average score of 70 points
1063	Using a standard deck of cards the first two cards are drawn. This becomes your
1064	Prelim score from each judge. Then you will draw two more cards for your Finals
1065	score. These scores will be tallied and BOB winner will be determined. Any ties
1066	will be determined by a draw-off.

1067 1068	All BOB winners will then draw 2 cards for BIF. BIF winner takes 50% of the proceeds and ASFA gets 50% for the computer fund.
1069	Scoring works as follows:
1070	• 1 <sup>st</sup> card drawn is added to judge #1's 70 points,
1071	• 2 <sup>nd</sup> card is added to judge 2's 70 points.
1072	• Ace to ten are worth face value (1 through 10), Jacks – 11, Queens – 12,
1073	Kings – 13. For example, drawing a 7 and a King would equate to a 77
1074	and 83 respectively.
1075	• Draw a joker and your dog is excused from the trial.
1076	Have fun while supporting ASFA and try this at your own trials for extra money for your
1077	club.

### 1112 Attachment 25 — Report of the Scheduling Committee

- 1113 Committee members: Lori Coulson, Josie Haumont, LaDonna Lundgren, and Marilyn1114 Standerford.
- 1115 The scheduling process in 2014 has experienced several challenges. Not the least of 1116 which was the learning curve for the Chair.
- 1117 The email service for the Scheduling Chair was hacked, receiving hundreds of
- undesirable emails per day, required that I change my email addresses and have my computers scrubbed. This was, and is still, posted on the Scheduling page and as a link from the NEWS section on the website
- 1120 from the NEWS section on the website.
- During 2014 schedule updates were submitted monthly. After discussion with the
- 1122 Internet Liaison we will now be able to submit more frequently when needed, to allow for
- dates and edits to appear on the website sooner. However, a single monthly update is
- scheduled. We will only post a second update when quantity of trial requests merits an
- additional update.
- I am available to my email in the evening from my home computer. My day job does not
  allow me to access my personal email, the ASFA website, text, nor am I able to
  download documents.
- 1129 Scheduling documents are now stored in Dropbox, to enable Committee members to 1130 access in an emergency.
- 1131 It is my recommendation that Scheduling be a priority with the Website committee this
- 1132 year. This does not require coding and dev days. Many of the items necessary are
- already available within our webhosting site. A review of the available products and
- estimate of cost should be a quick and relatively painless process.
- 1135 Respectively submitted,
- 1136 Debb Meyer
- 1137 Chair, Scheduling Committee

#### 1336 **Records 101 (update 2/14)**

1337 As directed by the ASFA Board of Directors, I wrote an article for FAN about records and common errors that I experience. The article was printed in the May/June 2002 FAN. What I came up with were lists of 1338 points which I felt were important. These applied to any person attending an ASFA event in regard to the 1339 1340 submission of records. While some of them are only suggestions, others are rules or policies. I then did my best to reference which rule/policy. This update will hopefully bring these lists current with our latest 1341 rulebook and subsequent changes. I hope to keep adding to this and would love for any person to email me 1342 1343 with additions. They could be something that is done in their area and has improved their trials from the 1344 records prospective or a rule/policy that I missed.

# 1345 Entries 1346 1.

1. Always use the most current form available.

1347	2.	If you create your own computer-generated version, be sure to include all the information just like
1348		the current ASFA entry form. Especially the registration number which has a tendency to be cut
1349		off.
1350	3.	Always include or encourage the inclusion of email addresses. This makes contacting the
1351		owner/agent easier should a question arise or to confirm when the hound completes a title.
1352	4.	Be sure entries are legible and complete. This has become very important again as some AKC
1353		registrations do not include the owners address. I can only input what I can interpret. I will be
1354		glad to generate a computer entry for your hound if you ask.
1355	5.	Club name/initials and the date of the trial must be at the top of the entry. (Ch. IV, Sec 6.)
1356	6.	All entries must be 5 ½ X 8 ½. (Ch. IV, Sec. 3, #1.) Please be sure to only separate from other
1357		half of sheet.
1358	7.	Entries are to be completed in entirety by all exhibitors. This is especially important for first time-
1359		entered hounds. (Ch. II, Sec 1, #7.) Every FTS should be reviewing for completeness when they
1360		are filling out the record sheet. Then obtaining any missing data from the owner at the trial if
1361		necessary. Owner address is not always listed on AKC registration so make sure address is there
1362		and legible.
1363	8.	If the entry is marked that it is a first ASFA point trial, it is the FTS's responsibility to be sure that
1364		the hound certification and the required copy of acceptable registration is included. If the Hound
1365		Certification has been waived, a copy of the signed waiver and proof of the title must accompany
1366		first entry in an ASFA pointed trial.
1367	9.	Be sure to mark if you have multiple entries (same owner) and you want them separated when
1368		possible. This will also serve as a notation when the Stake gets split into multiple flights. (Ch. V,
1369		Sec. 9.)
1370	10.	The entry must be marked if the hound has been dismissed for the trial to count as a clean trial.
1371		(Ch. VIII, Sec 5.)
1372	11.	If a hound is lame, in-season, absent, etc. at roll call (not pulled after a course), document at the
1373		top of the entry. An entry MUST be included with the trial results for these hounds. (Ch. VI,
1374		Sec. 1 C.)
1375	12.	A photocopy of acceptable registry must be submitted with a hound's first ASFA entry. This
1376		includes Single Stake. (Waived for NGA registered hounds.) (Ch. V, Sec. 4 (a), effective 1/1/03).
1377		It is the responsibility of the owner/agent to supply this but it is the responsibility of the Field
1378		Trial Secretary to require it. Copies of pedigrees (certified or not) are NOT acceptable.
1379	13.	Be sure to mark the area to indicate any changes to the hound's record and what changes,
1380		highlighting that area is helpful. I try to catch all the corrections. If you mark a change and I do
1381		not update, please email me as this is the most accurate method of communication.

#### 1382 Judges Sheets

13831.Must be signed by the judge. This is to be checked by the field clerk when the judge hands the1384sheet in for scoring. (Ch. II, Sec. 3, #3.)

1385	2.	Club initials and date of event must be listed.
1386	3.	Breed, course, stake, and judge (1 or 2) must be marked. The easiest way to insure that this is
1387		done is for the FTS to have sheets marked when they are given to the judge. The clerk then needs
1388		to verify correct sheet was used.
	4	
1389	4.	The judge must initial all changes.
1390	5.	A reason <b>must</b> be marked for any hound that is excused, dismissed or disqualified. (Ch. III, Sec.
1391		19.) It is the responsibility of the field clerk or secretary to be reviewing the sheet when it is
1392		handed in by the judge. If a reason is not listed, return the sheet to the judge for completion.
1393	6.	A suggestion to help decrease the risk of reversing Judge #1 and #2 scores when entering them
1394		onto the record sheet is to place #1 on top of #2 with the total scores of both visible. You can then
1395		look down at yellow $\#1/\#2$ , etc. The exception is if there are blanket errors noted on either sheet.
1396	7.	The field clerk should be checking for completeness of the judge's sheet when it is handed in after
	1.	
1397		a run. Then the FTS should check again before submitting the records.
1200	Dered	Sh e ste
1398	Record	
1399	1.	Must be completed in entirety. This includes the BIF sheet!!
1400	2.	Computer-generated sheets may be submitted as long as they contain the required information and
1401		give the same appearance of an ASFA form.
1402	3.	Any hound listed on the sheet and scratched out must have a reason listed; i.e., pulled, lame, in-
1403		season, absent, etc. (Ch. VI, Sec. 1 (f).)
1404	4.	Only lame, in-season, hounds pulled due to change of judge/lure operator, or hounds determined
1405		to have a breed disqualification are eligible for refund of the entry fee. (Ch. I, Sec. 3.) The record
1406		sheet should reflect the refund was given. All other hounds listed will count toward per-capita.
	-	
1407	5.	Writing must be legible!! Especially if there were changes made to the course(s) and/or blanket
1408		color(s).
1409	6.	Always recheck the addition. Owners/handlers should also check addition as they review the
1410		posted sheets. We are all, after all, only human.
1411	7.	All forfeits must be clearly marked or the tie will stand. Just because there is a placement marked
1412		does not constitute a forfeit. There are to be no assumptions.
1413	8.	BOB should be marked above the 1 of the winning hound.
1414	9.	Only the total score of runoffs/BOB should be listed when more than one judge.
1415		Judges (including Provisional) are to be listed in alphabetical order by last name. (Operational
1416	10.	Policy TRIALS15.)
	11	
1417		If a stake is mixed it cannot be changed after the prelims. (Operational Policy TRIALS14.)
1418	12.	Hounds entered in the single stake should be listed on the same record sheet. It is helpful if breed
1419		initials are with the call name.
1420		When the record sheet is changed due to a mathematical error or entry error, initial changes.
1421	14.	The name of the field clerk is required on the sheet. (Operational Policy TRIALS04.)
1422	Over A	
1423	1.	Original paperwork is to be submitted and copies retained by the club. Be sure to separate NCR
1424		forms, only submitting the white copy.
1425	2.	Follow the organization listed on in Records 101 (previously listed in Rule book).
1426		*When stakes are mixed they can be listed either on the same record sheet (space permitting) or
1427		separate. Place the open entry, open record sheet, FCh entries then FCh record sheet followed by
1428		the judge's sheets in order. If they are listed on the same sheet then put the Open entries, FCh
1429		entries, record sheet followed by the judge's sheets. The same scenario can be used when running
1429		different breeds together.
1430	2	e e
	3.	Please do not send records in any method that requires a signature. There are multiple methods
1432		available to send the records and track them. Tracking is always a good idea.
1433	4.	Per capita fee and fines must be submitted by club check or money order. No personal checks can
1434		be accepted. (Ch. VI, Sec. 1 (g).)

1435	5.	Per the Regional Invitational Guidelines "A per capita fee of \$1.00 per Breeder/Kennel/Bench
1436		stake entry will be forwarded to the Records Coordinator with the trial results. Copies of
1437	6	Breeder stake and Kennel stake entries will accompany the records."
1438	6.	Use of some method of listing entries/counts for per capita count is helpful when there is a
1439	7	discrepancy in the per capita submitted and the amount required.
1440 1441	7.	An error found after the trial but prior to submission of records will not count against the club if the club includes the steps that have been taken to handle the situation. (Please review
1441		Operational Policy RCD12 for further explanation.) So, it is strongly suggested that you check
1443		over everything prior to sending them off.
1444	8.	All changes in ownership marked on entries must be accompanied with a copy of the changed
1445	0.	registration form.
1446	9.	Records must be received within 14 days or be postmarked within 10 days of the approved trial(s).
1447		See Chapter VI, Section 1 of the current Running Rules. I strongly suggest a copy of the mailing
1448		receipt be kept as proof of mailing in the event of late receipt. <b>Please send ASAP!!</b>
1449	10.	Please add me to your mailing list so that I automatically receive your premium, electronic
1450		versions are fine with me. We would like all mailing to include the entire 9 number zip code to
1451		see if this helps with the USPS delivery. So, please update your records to indicate my mailing
1452		address as follows:
1453		Lori Coulson
1454		ASFA Records Coordinator
1455		1900 Normandie Dr
1456		York, PA 17408-1536
1457	11.	It is highly encouraged that both owners and clubs look at the results printed on the Web Site for
1458		accuracy. If an error is found, please contact me immediately and I will investigate your
1459		information. I can be reached for questions either by email, snail mail, or phone. If I don't know
1460		the answer I will find out and we will learn together. If ever you see misinformation in regard to
1461		your hound(s) please let me know immediately and I will make the necessary corrections. When
1462		you contact me be sure to identify the hound by breed, call name, registered name, and registration
1463	10	number.
1464	12.	New for 2011 – A new policy which allows me to double the late fine to a club that is late a
1465		second time in a 12 month calendar year. So the first incident is \$5.00 per day and any subsequent incident would be \$10.00 per day.
1466		subsequent incluent would be \$10.00 per day.
1467	Special	Note for Invitationals
1468	The Reg	tional Director is responsible to order the Rosettes and Medallions from the Awards Chairperson a
1469	minimu	m of 2 weeks prior to the trial. An estimate of the number of items required as close as possible is
1470	required	. After the trial all remaining Rosettes and Medallions are to be returned to the Awards
1471	Chairpe	rson within 2 weeks after the trial.
1472	Most Fi	requent Records Errors
1473	1.	Copy of acceptable registration not included.
1474	2.	Incomplete Records sheets. This most frequently is the BIF sheet but occurs with breed sheets.
1475	3.	Not marking forfeits, just marking the placement(s).
1476	4.	Missing club/date information at the top of the entry.
1477	5.	Missing entries for hounds listed on Record sheet(s) but marked lame, in-season, etc.
1478	6.	Entry size, is to be $5\frac{1}{2} \times 8\frac{1}{2}$ .
1479	7.	Addition errors. I am of the belief that as owners as we check the posted scores we too should be
1480		checking the addition. Field Trial Secretaries should recheck the records prior to submitting. If
1481		you find the error, initiate the action to correct (i.e. notify owners of error), and include a letter
1482		detailing error and steps taken then no Error Notice will be sent.

1483 1484	<ol> <li>Missing signatures on both entries and judge's sheets.</li> <li>Giving hounds placements that have not total 50% of possible combined score.</li> </ol>
1485 1486	<b>Organization of Trial Records for Submission</b> (Previously listed in the rulebook)
1487 1488	The following required items must be promptly sent to the Records Coordinator following each trial, indicated in Ch. VI:
1489	1. Proper per capita check (current fee for each hound entered which has not been excused as lame
1490	in season at or prior to roll call).
1491 1492	<ol> <li>One copy of the approved premium list, with corrections to list of judges, if appropriate.</li> <li>All entry forms, judges sheets and record sheets, completely filled out and written legibly.</li> </ol>
1493	The preferred order to use in organizing this material for submission is:
1494	1. Per capita check
1495	2. Premium list
1496	3. Field records in the following order:
1497	A. Afghan Hound
1498	1) Open stake
1499	a) Entry forms in record sheet order
1500	b) Record sheets
1501	c) Preliminary course judges sheets in course-number order

1516	Copies of the records submitted must be retained for the club files. It is strongly recommended that the
1517	club retain proof of the date of mailing. If the original package is lost in the mail, the trial results can be

1518 reconstructed.

#### 1519 Filling in the Trial Record Sheets

The record sheets must be completely and legibly filled out. This includes the complete names of the judges, the call names and registration numbers of the hounds, etc. If an entered hound is not competing, the reason should be entered on the record sheet, as should the reason for any excusal, dismissal, or

- disqualification. For tie runoffs, the blanket color and total score only should be entered in the "Runoff"
- 1525 disquarineation. For the functions, the blanket color and total score only should be entered in the 'Ku
   1524 column; similarly, for Best of Breed runs, enter only these items in the "BOB Runoff" column.

#### 1525 Submission of Records

1526 Current Running Rules for ASFA listed on previous page. Below is a brief guideline with reminders.

- 1. Per capita check. Remember this cannot be a personal check. 1527 2. Copy of premium. While the rulebook only indicates one copy it is appreciated if there is one for 1528 1529 each day with any changes marked on it. 1530 3. Letter of explanation if there were any changes to the trial specifically judges. 4. Entries for first breed (breeds are to be in alphabetical order). The entries should be in the order 1531 1532 that is listed on the record sheet. 1533 5. Record sheet, completely filled out and legible. 1534 6. Judge's sheets, these should be in the order of courses with Judge # 1 course #1 followed by Judge 1535 #2 for course #1 and so on. Any runoffs should follow the sheets for the stake that they occurred 1536 in and lastly BOB. 1537 7. In the event of mixed stakes: if it can fit onto one record sheet that is fine just be sure to define 1538 which is Open, FCh, or Vet by a line or notation. All entries would then be in order and the 1539 judge's sheets the same as above. 8. In the event 2 breeds are run together then put the entry for the first followed by the record sheet 1540 the entry for the next then the next record sheet (this can also be placed on the same record sheet 1541 1542 as long as there is a clear notation). The judge's sheets would then follow. 1543 9. Some FTS's paperclip the info for each breed together, some staple and some just have them stacked. It makes no difference as long as they are in order. 1544 1545 10. It is also good to include a breakdown of each day for the per capita. It makes it easier to figure 1546 out when there is a conflict.
- 1547 \* It is greatly appreciated when there is a note included with all the FTS contact information which is not
  always listed in the premium. I especially would like an email address for any questions that may arise
  during processing of the trial(s).

# 1626 Forms, Pages, Links

- 1627 I try to go through the website to fix any typos, outdated information, at least once a year.
- 1628 If you find any corrections/questions, please let me know. I'd also like to thank Dean
- 1629 Wright for his assistance in finding overlooked changes.

#### 1634 Attachment 28 — Report of the Website Publication Committee

First thank you to the members: Jean Hampton, Debb Meyer, Marilyn Standerford, andKC Thompson.

We were given the go ahead on the major overhaul last year. The committee thanks the board for this. We spent most of the year in the planning stages. I know it looks as if nothing has been done but behind the scenes we have a basic page plan for what the new website will look and feel like. We also have been working on a site map to make it more user-friendly. The site will be accessed by subject in the future in hopes to make everything easier to find. Also frequently accessed items (Rule Book) will be accessed by a link that will appear on every page for ease of use.

As the Chair I apologize for not getting more obvious things done so everyone can see the progress. Getting Jean's, our Liaison's and my schedules to work together was a pretty difficult task this year.

#### 1651 Attachment 29 — Report of the Public Relations Committee

1652 Committee members: Greg Breitbach, Ben Brodeur, Jeff Falkner, Tom Golcher, Josie

- 1653 Haumont, Keith Hicks, Mike Leach, Donna Murphy, Dale Parks, and Dean Wright
- 1654 The initial goals for Public Relations Committee for 2014 were:
- 1655 1. Monitor the Facebook page.
- The page currently has 875 "likes". We average between 40 and 70 visits per week. We seem to have a layout issue. When Jeff, Josie, or I post anything, it comes up in the time line. If anyone else posts, it runs along the column to the left. Jeff and I spoke briefly about it over the summer, but couldn't quite figure it out. We plan on looking at it together at ACoD when we can play with the settings and figure it out.
- 1662 2. Have a logo contest for the trials awards.
- We have a winner in the logo contest approved at the last ACoD. It was given to
  the board. Dean is working to get them printed and sent to the Awards
  Committee.

#### 1675 Status of ASFA Store

1676 Still functional. Not a lot of activity. We are actively working on the best solution for 1677 adding shipping to the orders. We plan to offer "bundles" of forms to make it easier (and 1678 less expensive for individuals) for utilizing a shipping catalog.

#### 1679 Status of PayPal

I'd say 99.5% of the sales of ASFA Store products are via PayPal; .5% is probably "in
 person" sales – ACoD, trials, II; and physical checks mailed to me from clubs.

Please be aware that just because you don't have a PayPal account **DOES NOT** mean you cannot check out as a guest using PayPal. You do **NOT** have to have an account.

If you are purchasing forms for a rapidly approaching trial please also send an email to me letting me know when the trial dates are. I have become the "villain" in the poor planning on the clubs' part for ordering forms. Truly not my fault. Consider checking your forms inventory now, and getting your order in for your next trial – or for the year. I'm going to be doing a lot of international travel for work in the next year, and don't

1689 want your club to suffer by not having forms.

#### 1690 **Publications**

1691 <u>Guideline to Hosting a Lure Field Trial</u> needs to be revisited for updates. This was

requested at the 2014 Board meeting. Nothing has been submitted yet. With the new

rulebook and rule changes, constitution changes, and policy changes every year, this

1694 publication should be updated on an <u>annual</u> basis by **Field Trial Improvement** 

1695 **Committee.** I print a very small number of these at a time, as well as the Course Design

book, because of the need for updating. Because of the <u>annual</u> need, it doesn't pay to have a high inventory on hand. So **updates** can be implemented very quickly and there is

- 1698 no waste in money to the ASFA.
- All ASFA forms have been updated to reflect changes in ASFA business includingcontact chairmen and REC/CRC changes.

#### 1701 Forms CDs

I will have a new forms CD for all RDs and chairs (who are not Board Members) at theACoD.

#### 1704 **REMINDER**

1705 It is the responsibility of the Forms Chair to maintain the official copy of the ASFA

Forms and Publications. That means that if you need to have updates and changes made

to your forms, publications, or any printed matter, you may send the updates to

- 1708 <u>forms@asfa.org</u>, and I will make the changes for you.
- 1709 It is imperative that the official, most up-to-date versions are on file with the Forms
- 1710 Chair. You are provided the PDF of every document on your Forms CD. You may mark
- it up in any way you need to and either scan it in and email it to me, or just mail it to me.
- You may clearly reference sections in an email. I can follow edits pretty clearly, if you
- identify them. I do not provide the Word version of all of the forms on the CD. It is too
- difficult to maintain the "official" form at that point.
- 1715 If you are wondering for which forms your committee is responsible, look in the folder 1716 for your committee on the CD. You can look in the specific folder for your committee

- and see each of the forms listed in that folder for which you are responsible. There is aForms Index indicating where the forms are located on the CD as well.
- 1719 When the final approval has been made of your edits by your committee, you notify me,
- and I will submit it to webmaster and liaison for inclusion on the website, if appropriate.
- 1721 If there are substantial changes and not updates, they will have to go to the Board for
- approval in the ASFA format.

#### 1723 ASFA PACKETS

- 1724 All we send out in the ASFA packets are the Guidelines to Hound Certification and the
- Beginner's Guide to Lure Coursing. **Every club** is entitled to one set of 25 of each of
- these publications each year. Honestly, if you are going to use them, I'll send more.
- These can be requested via email to <u>forms@asfa.org</u> or fill out the on-line request at http://www.asfa.org/forms/pubs.htm.

1733	<b>Attachment 31 — Report of the Policy Compilation Committee</b>	
1734	Committee members: Russ Jacobs, Jeff Lipps, Dale Parks, and Rich Whritenour	
1735	During 2014, the Board adopted the following policies:	
1736	1. Operational Policy O-RULO7: The acronym ASFA, when used for the	
1737	American Sighthound Field Association, shall not be used for any commercia	ıl
1738	venture without prior approval by the Board of Directors. Only ASFA events	3
1739	specifically designated as hosted by the ASFA (i.e., the ACoD, the Regional	
1740	and International Invitationals, the approved National Specialties) may	
1741	include the ASFA acronym as part of the title of the event. $(03/14)$	
1742	This repeats Administrative Rule A-RUL08 in the Operational Policies.	
1743	During 2014, the Board modified the following policies:	
1744	1. Administrative Policy A-RD04: Each year Regional Directors shall complete	
1745	a Field Representative's report form on at least one trial hosted by each Club	
1746	attended within their regions. Completion of the report is optional only if the	
1747	Regional Director is a member of the host Club or Field Committee. A copy	
1748	of the report shall be forwarded to the Field Trial Improvement Committee	
1749	Chairperson and the Club Field Trial Chairperson within 30 days of the trial.	
1750	(04/94) A151	
1751	The first sentence has been changed to: "At least every two years, Regional	
1752	Directors, or their designee, shall complete a Field Representatives report	
1753	form on at least one trial hosted by each club attended within their region."	
1754	2. Administrative Policy A-ELEC02: The Nominating Committee will ask the	
1755	nominee for Recording Secretary to attend the Board Meeting and Conventio	n
1756	for the purposes of shadowing the outgoing Secretary. Any other potential	
1757	nominee may attend for the same purpose. The newly elected Recording	
1758	Secretary shall be reimbursed per Board reimbursement policy, provided	
1759	he/she has attended and assisted in taking minutes at both the Board meeting	
1760	and Convention. (10/92) A131	
1761	The third sentence has been modified as follows: "The invited nominee shall	
1762	be reimbursed per Board travel reimbursement policy."	
1763	3. Operational Policy O-FORM01: Upon request, one set of free forms will be	
1764	mailed to a club or individual per year. The Forms Committee is empowered	L

1765		to make exceptions to this policy upon request from the Regional Director and
1766		as it deems appropriate. (04/09) 8
1767		The wording in the first sentence has been changed from "one set" to "one
1768		copy."
1769	4.	Operational Policy O-RCD07: A disqualified hound is not eligible to compete
1770		in regular ASFA stakes until written notification from the ASFA has been
1771		received by the owner. $(04/08)$ 70
1772		The words "or email" have been inserted before "notification."
1773	5.	Operational Policy O-SCHED09: In order to be considered for affiliate status,
1774		any Club must: 1) have a minimum entry of 12 hounds at each fun trial, and 2)
1775		hold at least on all-breed trial (even if the Club is a specialty club.) (11/80)
1776		81
1777		This has been moved to O-MEM05.
1778	6.	Operational Policy O-SCHED15: All Clubs are to hold two sanctioned "Fun
1779		Trials," except for clubs applying for Fast Track status. After receiving
1780		confirmation that all preliminary requirements have been met, the Club will
1781		apply to the ASFA Scheduling Chairperson for each Fun Trial date. Both
1782		dates can be obtained at the same time, but there must be a minimum of 30
1783		days between trials. The maximum time allowed between the last Fun Trial
1784		and the date of the original application for affiliation cannot exceed one year.
1785		(This means that all qualifying Fun Trials must take place within a year of the
1786		date the Club first applies for affiliation.) If a third Fun Trial is requested, it
1787		must be completed within 6 months of the request. $(R-01/11)$ 330
1788		This has been moved to O-MEM06.
1789	7.	The honorary titles of Foundation Coursing Champion and Foundation
1790		Coursing Champion of Merit shall appear at the beginning of the hound's
1791		name. (04/00) 314
1792		The following sentence has been added to this policy: "This applies only to

1795 During 2014, the Board deleted the following policies:

These Clubs are required to send hard copies to the Scheduling Chairperson and the Membership Chairperson. (R-03/10) new Is there a reason that hard copies and not electronic copies are required for Applied and Fast Track clubs? Does this have to be taken to the convention?

## 1825 Attachment 34 — Report of the Judges Committee

1826 1827		mmittee members: Leigh Littleton, Chair, Judges' Licensing, Greg Breitbach, Katie ltenborn, Leigh Littleton, and Dean Wright
1828	Pu	rpose
1829		• To develop the system of licensing and continued training that will encourage and
1830		promote the highest quality and standards throughout ASFA judging.
1831		• To propose and evaluate ideas, issues, and proposals that could affect the general
1832		quality of judging at ASFA trials and make recommendations to the ASFA Board
1833		and appropriate Committees.
1834		• To coordinate with the Judges' Licensing Committee and review any rule or
1835		policy changes recommended by said committee.
1836	Co	mpleted Goals for 2014-2015
1837	1.	Revise and resubmit proposed rule changes to Chapter XI, Section 12 (Judges'
1838		discipline) after examining all ASFA BOD minutes for items pertaining to judges'
1839		discipline.
1840		The committee received most of the Board minutes, organized and digitalized the
1841		minutes. They were being reviewed by Katie Kaltenborn. Katie was unable to
1842		complete the review and Bill Martin took over. It appears that some minutes are not
1843		included in the record or at least one occurrence of a judges' disciplinary outcome
1844		was not mentioned in any minutes. Therefore we are unable to present data at this
1845		time to support our development of a published process for each stage of discipline
1846		regarding a provisional or licensed judge, as previously submitted.
1847	2.	Revise and resubmit proposed rule changes concerning provisional judge
1848		requirements after analyzing all trials held in 2013.
1849		We submitted three proposals to the Board of Directors and all three were approved
1850		and sent to the Rules Evaluation Committee.
1851		These three proposals are based on the following information.
1852		After recording all the entries for every trial held in 2013, we summarized entries by
1853		breed in each region. The Summary Datasheet is in the attachments to this report.
1854		We determined how many qualifying judging assignments (QA) were available using
1855		the current standard of 7 dogs in a breed, judged 3 times. We found that Region 3
1000		the content standard of 7 dogs in a stored, judged 5 times. The found that Region 5

had only 9 QA, 4 regions had 20 or less, and the remaining 5 regions range from 38 to
95 QA. In other words, 5 regions should have enough assignments for provisional
judges to complete the requirements without expensive travel but the other 5 are
extremely lacking.

We then looked at the first choice, requiring 5 dogs in a stake instead of 7 in a breed.
This would ensure a judge had to do cross-course judging at least in prelims. Region
3 would see an increase of 40%, going from 9 QA to 15 QA. The remaining regions
would see 11% change or less. Overall there is only 9% increase in opportunities for
a provisional judge.

- The second choice was requiring 4 dogs in a stake. Overall, this increases qualifying assignments by 27% for all of ASFA. However, judging four dogs in a stake means a judge does not see 3 dogs run together.
- After lengthy discussion among the committee members, we reached a compromise.
  We therefore submitted Rule Change Proposal 5 (to be voted on at the ACoD) as one of our proposals.
- Proposal 5 increases the number of qualifying assignments, especially in regions with very few opportunities for provisional judges. The Rules Evaluation Committee's alternative, 5a, was rejected by our committee because there is no significant increase in qualifying assignments. To increase opportunities we recommended 2 breeds, judged 3 times, with 4 in a stake and added the 3rd breed with 5 in a stake to ensure at least one breed required cross-course judging. The Chair of Judges' Licensing, Leigh Littleton, gave his approval and indicated that record keeping was not a problem.

We retained the number of dogs total in a breed at the current 21 requirement to keep
standards high. The Rule Evaluation Committee's Proposal 5a lowers the minimum
number of dogs to 15 per breed and incorrectly states in the 'Effect' that our proposal
is different from the current standard. In the rationale the REC states 'the number
seems arbitrary'. The requirement of 7 dogs in a breed judged 3 times is in the Rule
Book.

- 1884 3. Develop wording for the proposed Susan Weinkein award for the Judge of the Year.
- 1885 We recommend that the Judges' Handbook be changed to honor Susan Weinkein in 1886 the title.
- 1887 4. Examine including judging BIF in provisional requirements.

1888 1889		We worked with the Chair of Judges Licensing Committee to design a new form for provisional judges to include judging BIF. A sample is found in the attachments to
1890		this report. The committee recommends adoption of the new form.
1891 1892	5.	Follow up on policies affecting judging and the outcome of our submissions as determined by the Board.
1893		Dean confirmed that the policies are updated.
1894 1895	6.	Continue to develop the Apprentice/Provisional Judging Symposium material (as approved by the BOD March 27, 2012) specifically for new Judge applicants.
1896 1897 1898 1899		We still plan to videotape the same courses from two different vantage points, mid- field and finish line, in a format that is compatible with PowerPoint. These videos will be embedded in the symposium presentation. We are still looking for volunteers with the necessary equipment to accomplish this goal.
1900 1901 1902	7.	Increase the number of licensed judges through continuing development of the current Judging Symposium program and support current judges through continuing education.
1903 1904		Eleven new apprentice and provisional judges have been licensed in 2014-2015 after attending a symposium.
1905 1906	8.	Encourage each region to hold a symposium once a year and have dates listed on the ASFA website.

1919		Planned:
1920		• Western Washington Whippet Association, Roy, WA, October 9, 2015
1921		We are also working with Mike Hussey and Tom Golcher to organize a symposium in
1922		CO.
1923	Ur	ifinished Business
1924 1925	1.	<i>Re-examine proposed rule changes (Chapter XI) with respect to required experience of judges coming from other organizations.</i>
1926 1927	2.	Continue to examine remaining proposals submitted to the 2014 ACoD and revise or delete proposals.
1928		Due to the extended amount of time consumed by our analysis and drafting of our
1929 1930		proposals for provisional judges, we were unable to complete these tasks although one earlier proposal was dropped by agreement of the committee.
1931	3.	Encourage exhibitors to attend a Judging Symposium and become more informed
1932		about judging procedures and how to become an ASFA judge.
1933		Promotion of the flier to all ASFA clubs has not been accomplished nor has the
1934 1935		PowerPoint presentation of the symposium been posted on the website. It is available to all on request.

#### 1958 Attachment 37 — Report of the Judges Licensing Committee

- License applications have been received and processed promptly, with new licensesgranted as appropriate.
- 1961 Licensing questions have been answered promptly.

1962 There have been no judging problems needing commentary. However, the Licensing

1963 Chair wholeheartedly supports the effort to simplify our licensing requirements for

1964 people in areas with limited trial entries – without compromising the needed learning

1965 experience. I believe this subject was discussed at the Board Meeting & Convention two

1966 years ago – and over the course of the last two years the Judges Committee has discussed

1967 possible rules revisions. The current proposal from the REC would be a small

- 1968 improvement, but not as much as I think is needed.
- In addition, I am again this year suggesting that the Convention consider the possibility of making the rules less punitive with respect to a judge who is not active for a moderate
- period of time. The proposal from the REC seems to be designed to address special cases
- only, with a very cumbersome procedure. I have never seen someone "forget" how to

<sup>1973</sup> judge. Learning may take a bit of time and experience, but once it's learned, it's learned.

1974 SO – I recommend that we extend that 2 year limit to 4 or 5 years. Many clubs would

- 1975 prefer to have a few more potential judges available.

Please let me know if you feel that you have encountered significant problems with judging, or if you find difficulties with the licensing program, or if you want to comment on an applicant for judging. Or even better, if you want to record what a superb job a judge has done at some field trial! Our licensing procedure is based on allowing a new judge to spend time as an apprentice, and then get more experience judging provisionally with another judge. Feedback from the fancy is an essential part of the evaluation process, and is always welcome.

- 1992 Best wishes for another fine year of coursing!

### Attachment 41 — Report of the Field Trial Improvement Committee

I want to thank the members of the committee: Tom Golcher, Jerry Slattery, JudyLowther, Donna Murphy, Sarah Lenahan, Gary Roush, and Ben Brodeur.

We solicited and received breed running information to update the *Lure Operators Handbook* for Cirneco and Silken. We forwarded the changes for printing in hard copy. We also approved adding this handbook to the ASFA website so that it is available to anyone who wants to look it up.

- 2022 We have been working on additional improvements to the handbook. This includes:
- Adding equipment information which will provide information on different types
   of motors and switches used around the country, their pros and cons, and what
   operators can expect from each machine
- Adding a section on safety
- Adding information about laying out and walking courses
- Adding information on forming a mentor program by clubs
- We are working on providing a training seminar guideline including a power point presentation. One club has scheduled a one day training seminar prior to weekend trials.
- We have started discussion with Lori Coulson on trial paperwork improvement. Area of concern from trial secretaries is how much paperwork has to be sent in after each trial.
- Based on discussion regarding breed disqualifying standards, the committee will start on an inspection committee guide for use at trials.
- 2035 Respectfully submitted,
- 2036 Greg Breitbach
- 2037 Chair, Field Trial Improvement Committee

### 2039 Attachment 42 — Report of the Long Range Planning Committee

- 2040 Committee members: Greg Breitbach, Keith Hicks, Tom Cigolle, Sandra Moore, and2041 Dale Parks
- 2042 Report of activity in 2014:

**GOAL 1:** The LRPC will try to establish a list of goals, a 5 year plan, if you will, with suggested action to achieve them, for the ASFA to remain an effective organization in the future. Typically a "5 year plan" is updated annually so that advances in technology and conditions are included in the updates. The ideas suggested on in the "5 year plans" will made available to the appropriate committees that can take action to evaluate and implement if the committee finds merit in the proposals.

2049One suggestion by the committee to date was a long range view of things like2050popular wearables that ASFA might make some money on? For instance the2051ASFA Field Jackets.

**GOAL 2:** Look at our current educational materials and see what needs to be updated and or added. Determine if these materials are something we could add to the ASFA website or should they be in seminar formats.

- 2055 Sandra Moore suggested that the ASFA committee provide better education to the 2056 fancy and making more of the training available on the ASFA web site. This was 2057 agreed to by most on the committee.
- The committee chair has an 8 track tape of the Lure Operator Training dated 1994 and will have DVDs available at the ACoD for the members of the LRPC for review. Some extra copies will be available should others be interested in aiding in the evaluation. Although the making of this tape was well intentioned we have to take many things into consideration before making available to the community. After a detailed look and discussion we will send recommendation to the ASFA BOD & executive committee for discussion.
- **GOAL 3:** Determine what format this committee should move to, i.e. continue individual emails, and establish a Yahoo or Google group for this committee.
- 2067Ping had suggested that we establish a yahoo group for this committee: This also2068provides a basis for continuity from year to year.

2069 2070	The plan will be to establish a yahoo group immediately following the 2015 ACoD.
2071 2072	<b>GOAL 4:</b> Establish criteria that would enable any subject to be considered an action item by the LRPC.
2073	Greg had suggested pulling a couple of items into this committee from the
2074	Judge's Committee and Field Trial Improvement Committee. These committees
2075	are working on current issues that need addressed near term. I find it difficult
2076	sometimes to find the correct committee for different ASFA issues.
2077	<b>GOAL 5:</b> Make a point of having some positive committee action each month.
2078	I have not done a good job at this task but perhaps with new leadership
2079	(hopefully) in 2015 the committee will be more productive.
2080	Respectfully submitted,
2081	Tom Golcher
2082	Chair, Long Range Planning Committee

#### Attachment 43 — Amendments to the Constitution and By-Laws

- The following Amendments to the Constitution will be submitted for approval to the
- 2086 2014 Annual Convention of Delegates. THESE ARE PROPOSALS ONLY.
- 2087 Per Article XI, Section 2 of the Constitution, Amendments require a two-thirds vote of
- the convention delegates present and voting at the ACoD. Those proposals receiving a
- 2089 favorable vote will be considered an Amendment to the ASFA Constitution and By-
- Laws. Such Amendments will be published on the ASFA website following the 2014
- ACoD, and will go into effect on January 1, 2016.
- 2092 CRC: Ping Pirrung, Chair; Russ Jacobs, Jeff Lipps, Leigh Littleton, Donna Murphy and2093 Dean Wright.
- 2094 (<u>underlined</u> are additions, strikethrough removed.)
- 2095 Respectfully submitted,
- 2096 Ping Pirrung
- 2097 Chair, Constitution Revision Committee

#### 2098 **PROPOSAL #1**

#### 2099 Article X,

2100 Section 6. ConventionVoting for Recognizing New Breeds. After one year Provisional status the 2101 member clubs may vote and after two years Provisional status the member clubs shall vote on whether to 2102 accord the breed full recognition. If the national parent club wishes full recognition after one year, a letter 2103 requesting such status must be sent to the Corresponding Secretary by January 1st of the year following at 2104 least one full calendar year of Provisional status. However, if a breed has not kept a minimum of 15 2105 hounds actively coursing with entries totaling 45 per calendar year they will be kept in the Provisional 2106 status without coming up for vote. Member club delegates present at the Annual Convention of Delegates 2107 at which a breed has come up for recognition will vote with each member club allowed one vote each per 2108 delegate. However, a member club not in attendance at the ACoD may send in one absentee ballot to be 2109 received not less than two weeks before the ACoD in which a breed has come up for recognition. A two-2110 thirds majority of clubs voting shall be required for full approval....

Rationale: This change clarifies that member clubs get one vote whether they are voting by mail or voting
at the Annual Convention of Delegates.

2113 The Committee recommends that the ACoD approves the proposal.

# Attachment 44 — Amendments to the *Running Rules and Field Procedures – Lure Field Trials*

The following Rule Change Proposals will be submitted for approval to the 2015 Annual

2118 Convention of Delegates. New wording is underlined; deleted wording is struck out.

2119 Explanations for the proposal are included, along with REC recommendations. THESE

ARE PROPOSALS ONLY; those that receive a favorable vote will be considered a

- change in the Running Rules and Field Procedures for Lure Field Trials. Such proposals
- will be published on the ASFA website after the 2015 ACoD, and will go into effect on
- 2123 January 1, 2016.
- 2124 Respectfully submitted,
- 2125 Russ Jacobs
- 2126 Chair, Rules Evaluation Committee

#### 2127 All Proposals referred from the ASFA Board of Directors

2128 Proposal 1

#### 2129 Ch III Judging

**Section 3.** No judge shall handle a hound in the stake or stakes where he is officiating. No hound may be entered in a stake where a judge is officiating if the hound is owned or co-owned by that judge, or if the hound is owned or co-owned by a member of that judge's immediate family or residence. Such hounds may be entered at that meet in other stakes where the judge is not officiating. No Judge shall officiate at a certification course for any hound which he/she owns or co-owns or which is owned or co-owned by a

- 2135 member of that Judge's immediate family or residence.
- **Effect:** To make clear that judges cannot certify their own hounds, or those owned by their family or
- 2137 residence.
- 2138 **Reason:** This brings a longstanding policy (JUDG18) into the rulebook.
- 2139 The REC recommends that this proposal be accepted.

#### 2140 **Proposal 2**

- 2141 Ch XI Licensing of Judges
- 2142 Section 4. Provisional Status (seeking regular license)
- (a) During the period for which a provisional license is granted, the applicant is free to accept judging
- assignments. (On all premium lists, announcements, flyers, and so forth, an asterisk preceding the judge's
- 2145 name shall denote provisional.) The provisional license encompasses all breeds, but at no time shall a
- 2146 person judge more than four breeds in addition to Singles stakes and Limited stakes, for which he is not

- regularly licensed at any one trial without special dispensation as stated in Section 8 of this chapter. <u>This</u> provision applies both to Regional Invitationals and to standard trials.
- **Effect:** To clarify what provisional judges can judge at Regional Invitationals and other trials.
- 2150 **Reason:** This brings a longstanding policy (JUDG20) into the rulebook.
- 2151 The REC recommends that this proposal be accepted.

#### 2152 Proposal 3

#### 2153 CH XI Licensing of Judges

2154 Section 7 (b) If the ASFA records indicate that a person has not judged at a trial in the preceding two years,

- the license shall lapse and the judge shall lose all previous status. Except that, if a licensed judge shall be
- 2156 stationed outside of the United States by a branch of the U.S. Military, and such service makes it
- 2157 impossible for him or her to judge ASFA trials, the time spent out of the U.S. shall not be counted as part of
- 2158 the two year inactive period. Additionally, if there are extenuating circumstances such as, for example,
- serious illness on the part of the judge or his or her family, making it impossible for him or her to judge
- 2160 ASFA trials during the two year inactive period, the judge may apply during the period of inactivity to the
- 2161 Chair of Judges Licensing for a suspension of some or all of the two year period. The Chair of Judges
- 2162 Licensing may recommend to the Executive Committee of the ASFA Board of Directors that some or all of
- 2163 that two year time period not be counted as part of the two year inactive period. The final decision as to 2164 whether some or all of that period of time be waived shall be made by the Executive Committee of the
- whether some or all of that period of time be waived shall be made by the Executive Committee of the ASFA. In either case, the Board of Directors of the ASFA shall be notified of such action promptly.
- **Effect:** To allow for exceptions to the two year maximum inactive period for judges.
- **Reason:** There may be exceptional circumstances that make it advisable to extend the period of inactivity allowed.
- 2169 The REC recommends that this proposal be accepted.

#### 2170 Proposal 4

#### 2171 Chapter V Running the Meet

#### 2172 Section 12, Paragraph (e) No ASFA championship points will be awarded; however, ASFA championship

2173 points will be awarded to the hound winning Best in Field based on 4 points for itself and each dog

- 2174 defeated up to a maximum of 40 points for that trial. (For example: if there were 6 dogs running for BIF,
- 2175 the winner would receive 24 championship points in addition to the points already earned that day. If the
- 2176 winning dog was the only one of its breed, it would now have 28 points for that trial (24 +4). If the
- 2177 winning dog already earned 20 points for that trial, it would now have 40 as 8 points would not count from
- 2178 <u>the BIF total.)</u> <u>T</u>the hound that wins Best in Field will be credited with a first placement in a stake.

- 2180 **Effect:** To award championship points for BIF wins.
- 2181 **Reason:** Some dogs that run very well do not have strong competition in breed, and they must run much
- longer before they earn a title than do dogs of others breeds.

#### 2183 The REC recommends that this proposal be rejected.

2184 *Rationale:* Since points and placements would now be available through BIF, many clubs who do not offer 2185 it will be pressured to do so, incurring additional time to run BIF and expense for a BIF rosette. 2186 (Eventually, ASFA will probably have to require BIF.) This rule would have the general effect of cheapening ASFA titles-many hounds have, in the past, "run much longer before they earn a title than do 2187 2188 dogs of others breeds," earning points four at a time. It will also make it more difficult for owners to keep 2189 adequate records of their hound's points, making it more likely that they will enter in the wrong stake. It 2190 could also pose additional headaches for FTSs and the Records Coordinator. Finally, the REC is concerned 2191 that this would, for the first time, allow a hound to win championship points and placements--perhaps even 2192 an ASFA title--without defeating a hound of its own breed.

2193 *Note:* Rule change proposals 5 and 5a are alternatives; if 5 is approved, 5a will not be considered.

#### 2194 Proposal 5

#### 2195 Chapter XI, Section 4, subsection (b) and add subsection (c)

- 2196 Section 4. Provisional Status (seeking regular license)
- (b) Any person seeking a regular license for a breed must judge the performance of seven <u>a minimum of</u>
   four or more hounds per trial in one stake in that breed for two breeds,
- 1. at a minimum of three trials; and
- 2200 2. under three or more different licensed judges.
- (c) Any person seeking a regular license for a breed must judge the performance of a minimum of five
   hounds in one stake for one additional breed,
- 1. at a minimum of three trials; and
- 2204 <u>2. under three or more different licensed judges.</u>
- 2205 Effect: Changes breed requirements for provisional judges seeking a regular license from seven hounds
- 2206 per trial to four hounds in a stake for two breeds, and 5 hounds in a stake for one breed.
- 2207 **Reason:** This is the recommendation of the Judges Committee.
- 2208 The REC recommends that this proposal be rejected.
- 2209 *Rationale:* REC believes that it would be useful to reduce the total number of dogs that must be judged, if
- the revision also requires cross course judging. However, it finds the "four hounds for the first two breeds,
- then five hounds" approach to be unnecessarily complex and likely to be confusing. We propose as an alternative:
- 2213 **Proposal 5a**
- 2214 Chapter XI, Section 4, subsection (b)
- 2215 Section 4. Provisional Status (seeking regular license)

2216 2217	(b) Any person seeking a regular license for a breed must judge the performance of seven a minimum of five or more hounds per trial in one stake in that breed for three breeds,
2218	1. at a minimum of three trials; and
2219	2. under three or more different licensed judges.
2220	Effect: reduces the total number of dogs to be judged from seven to five, and keeps it constant for the first
2221	three breeds.
2222 2223	<b>Reason:</b> this should make it easier for provisional judges to become fully licensed while requiring that they practice cross course judging, in a simpler format.
2224	The REC recommends that this proposal be accepted.
2225	<i>Note:</i> The following proposal will be considered only if proposal 5, rather than proposal 5a, passes.
2226	Proposal 6
2227	Chapter XI, Section 4, subsections (b) and (c)
2228	Section 4. Provisional Status (seeking regular license)
2229	Add the following to both subsection (b) and subsection (c):
2230	3. and an overall total of no fewer than 21 hounds in each breed.
2231	Effect: Changes breed requirements for provisional judges seeking a regular license by requiring that they
2232	judge at least 21 hounds in each of the first three breeds.
2233	<b>Reason:</b> This is the recommendation of the Judges Committee.
2234	The REC recommends that this proposal be rejected.
2235	Rationale: The number 21 seems arbitrary and unnecessary; the REC believes that either 5 or 5a should
2236	stand alone.
2237	
2238	Note: Proposal 7 will be considered only if proposal 5 or 5 and 6 pass; exact wording to be voted upon will
2239	depend upon which of those proposals passes. If neither 5 nor 6 pass, then 7a will be considered.
2240	Proposal 7
2241	Chapter XI, Section 5. Licensing for Additional Breeds. Any judge regularly licensed in at least three
2242	breeds may seek an additional breed by meeting the following requirements:
2243	
2244	(d) Judge provisionally the breed for which the license is sought at no less than three trials with three
2245	different licensed judges. (Judging seven four or five hounds per breed stake for an overall total of 21
2246 2247	dogs in that breed is a requirement for the first three breeds only and does not apply to any breeds thereafter.)

- **Effect:** Makes this section compatible with Section 4 if Rule Change 5 and 6 are adopted.
- 2249 **Reason:** This is the recommendation of the Judges Committee.
- 2250 The REC recommends that this proposal be rejected.
- 2251 *Rationale*: If 5 and 6 are rejected, 7 becomes unnecessary.

#### 2252 Proposal 7a

```
    Chapter XI, Section 5. Licensing for Additional Breeds. Any judge regularly licensed in at least three
    breeds may seek an additional breed by meeting the following requirements:
```

- (e) Judge provisionally the breed for which the license is sought at no less than three trials with three
   different licensed judges. (Judging seven five hounds per breed stake is a requirement for the first three
   breeds only and does not apply to any breeds thereafter.)
- 2258 **Effect:** Makes this section compatible with Section 4 if Rule Change 5a is adopted.
- 2259 **Reason:** This is necessary if 5a passes.
- 2260 The REC recommends that this proposal be accepted.
