President's message

With the II closely following the Board Meeting and ACoD there has not been much reportable activity from the Board. However, many committees have formulated their goals and timelines and begun working on them. This year's committees promise to have much to report at next year's ACoD.

This is the time of year when there is a field trial practically every weekend. May your hounds run well and safely and you enjoy spending time with new and old friends. You also might take the opportunity to learn a new job to help out the host club.

Ping Pirrung

2012 Lure Operator of the Year

In our report from the ACoD we forgot to announce the results from the LCJA meeting's announcing the Lure Operator of the Year. For 2012 the lure operator of the year was Sean McMichael! Congratulations Sean.

Regional Director Elections

We are beginning the nomination process for Regional Director election for Region 9. Member club delegates will be receiving instructions and nomination forms shortly. Rich Whritenour has been appointed by the Board to act as interim Regional Director in the meantime.

Old FAN Magazines

Want to be a contributor to ASFA's history? We are looking for FANs prior to 1990. We want these so that they can be digitized and made available to everyone via the ASFA website. If you have any of these FANs and you are willing to donate them to the ASFA, please

contact Marilyn Standerford by e-mail (webmaster@asfa.org). She will then let you know if we have the issues you are willing to donate. Thanks! After digitizing, these magazines will go into the ASFA Archives to complete our set there.

2013 Committees

The committees of the ASFA are hard at work. This is where the "rubber meets the road" to have the ASFA grow and prosper. We had a great discussion on the Sunday following the ACoD, where many good ideas were brought up and discussed. The committees will be working on many of these in the next few months to help ASFA make the lure

coursing experience better for both hounds and exhibitors.

If at any time you have an idea for the ASFA, no matter what it is, please write to Bill Bowlus-Root, the ASFA Corresponding Secretary (CorresSecy@asfa.org) and he can forward it to the appropriate committee.

2014 II

We are still waiting for a proposal or proposals to host the 2014 II. If you need any help or have questions, please contact Bill Bowlus-Root

(CorresSecy@asfa.org) for the International Invitational Guidelines and the format for the proposal.

It's very important that you distribute the "Communiqué" to your club's members so they can keep informed.
