If the hound has competed previously in the open stake, veteran stake, or limited stake or holds another ASFA-approved lure coursing or racing title requiring competition, this certification is not required. However, a Waiver of Requirement for these titles must be included with the entry of a hound competing for the first time. To become certified, a hound must complete a lure course of at least 500 yards running with one other hound of the same breed (or of another breed with a similar running style) and show no inclination to interfere with the other hound. If you wish to certify your hound, please arrange for another hound of the same breed or with a similar running style to be present.

Battery powered, continuous loop lure machine will be used. The lure will consist of plastic bags. The course will be reversed for finals.

The club reserves the right to alter the course plan the day of the trial due to weather and/or field conditions.
