ABOUT THE AMERICAN SALUKI ASSOCIATION (ASA) BRAHMA II LURE COURSING CUP

The oldest lure coursing trophy offered by the ASA, the Brahma II Cup is a sterling silver elliptical bowl with silver ornamentation, and rests on a wooden base with plates for the names of the winners. First presented in 1973 by the Hounds of Srinagar, it honors Am Can Ch Srinagar Brahma of Urray, FCh, bred by Richard and Barbara Webster (Urray) of British Columbia. Not only was Brahma II accomplished on the lure, but his brother Bedouin was the first recipient of this coveted award. The earlier Brahma II Cup trials were always run at Santa Barbara, but currently it is a roving trial held in the various regions of the ASA, awarded annually.

Eligibility requirements to receive the Brahma II Lure Coursing Cup award:

To be eligible to win the Brahma II Cup (or compete in any ASA lure coursing cup run-off), at least one owner of the qualifying Saluki must be a member in good standing of the ASA before roll call is called before the draw on the day of the trial. Under no circumstances can a Saluki who is owned by a non-ASA member compete in a cup run-off. Salukis entered in the Singles stake are not eligible, only Salukis entered in the Open, Field Champion or Veteran stakes qualify to compete for the trophy.

Brahma II Cup Run-off Rules:

In the event there is only one eligible stake - The first place Saluki in that stake wins the cup.

If the first place Saluki in that stake is owned by a non-ASA member, the award is presented to the highest-scoring ASA member-owned Saluki in that stake.

In the event there are two or more eligible stakes, if the BOB winner is ASA member-owned, that Saluki wins the cup.

If the BOB winner is NOT owned by an ASA member, it does not win the cup. A special run-off of the top scoring ASA member-owned Salukis from each eligible stake will determine the cup winner. Highest scoring Saluki in this special run-off wins the cup.

If there is no time for a special cup run-off, the award will be shared by the highest scoring ASA member-owned Salukis from the eligible stakes.

ABOUT THE AMERICAN SALUKI ASSOCIATION (ASA) REGIONAL LURE COURSING TROPHIES:

The ASA Regional Lure Coursing Trophy is a perpetual trophy offered to the winner of a special run-off between the highest scoring or BOB ASA member- owned Salukis over a two-day ASFA lure coursing trial event. The regional lure coursing trophies were commissioned by donations from the various ASA regions and created by Saluki breeder, conformation, and lure coursing judge, and noted sculptor Garry Newton. The trophies can be awarded annually and must be awarded on the second day of a two-day ASFA field trial event put on by any ASFA club. The Saluki that wins any ASA Regional Lure Coursing Trophy must be owned by an ASA member.

ASA Regional Trophy (awarded second day of two-day event)

Eligibility requirements to receive award:

To be eligible to win an ASA Regional lure coursing trophy (or compete in any ASA lure coursing cup run-off), the owner of the qualifying Saluki must be a member in good standing of the ASA before roll call is called before the draw on the first day of the trials. Under no circumstances can a Saluki who is owned by a non-ASA member compete in a trophy run-off. Eligible Salukis must be entered and run two qualifying courses each day of the two-day ASFA event. Salukis entered in the Singles stake are not eligible, only Salukis entered in the Open, Field Champion or Veteran stakes qualify to compete for the award.

Run-off rules:

This perpetual trophy is awarded to the winner of a special run-off between the highest scoring or BOB Salukis in the eligible stakes over a two-day lure coursing ASFA trial event, as follows.

The BOB Saluki on the first day that is registered to at least one ASA member as of roll call on the first day will run off against the BOB Saluki on the second day that is registered to at least one ASA member as of roll call on the FIRST day. If the same Saluki so registered is the BOB Saluki on both days, that Saluki is declared the winner and no run-off will be necessary.

If the BOB Saluki on one day is not owned by an ASA member but the BOB Saluki on the other day is owned by an ASA member, or if no BOB winner is owned by an ASA member, the highest scoring ASA owned Saluki from the eligible stakes (or flight if stakes are divided) each day is eligible to run for the trophy.

If there is no time for a run-off at the end of the second day, the BOB or highest scoring ASA member owned Salukis from each day will share the award
