

JUDGES LICENSING REPORT – March 2025

This report is submitted by the Chair of Judges Licensing and is current as of 03/26/2025.

Notes from Judges Licensing:

In 2024 there were 87 active judges. A listing of judges and number of dogs judged is included on the next page.

One item which makes it hard for the committee is when individuals do not take their time filling out their judging confirmation sheets. Sheets are received with incorrect number of entries and at times numbers which are illegible. These sheets are to be done at the completion of the trial, numbers verified against the posted record sheets and should be legible so that guessing what the numbers are is not a game. Understanding that not everyone has crystal clear handwriting, it also should not be illegible. Take time after the trial to complete the forms and use that opportunity to discuss with the licensed judge how the day unfolded and how to make yourself better judges.

Validating the information presented on the sheets is done upon publication of the trial results on the ASFA website.

Another reminder is that upon becoming a provisionally licensed judge, you are automatically given the ability to judge LCI, Singles and Provisional breeds. Thus, these breeds do not count towards the number of breeds to obtain an all-breed license.
