

JUDGES LICENSING REPORT – September 2020

This report is submitted by the Chair of Judges Licensing and is current as of 9/25/2020

=====

Notes from Judges Licensing:

As a reminder, the requirement for maintaining a judges license by judging at least once every two years has been suspended for 2020 due to the COVID-19 pandemic. If you have not judged since 2018, make sure you obtain an assignment in 2021.

Another reminder: I have witnessed recent events where an exhibitor says they have video evidence of something the judge did not see in a course. Any video is not reviewable and cannot change a score or call. The judges have all handled these incidents with grace and gently told the exhibitors that videos cannot be used. Great handling by our judges.
