

JUDGES LICENSING REPORT – January 25th 2017

This report is submitted by the Chair of Judges Licensing and is current as of 1/25/2017

=====

I want to take this opportunity to remind everyone on how judges licensing processes requests for change of status for provisional:

The applicant submits the “Request for Change in Judging Status” form in pdf and “Judging Confirmation Sheets” in pdf (separate files) to licensing chair.

The Judges Licensing Chair reviews the attached “judging confirmation sheets” and compares to published trial results.

After confirming data, the applicant will be published in the Judges Report two consecutive months to allow feedback from any interested parties. The publication time period is for anyone to review and provide comments about the potential judge to the licensing committee regarding irregularities, complaints, or misconduct to consider when granting a license.

The Judges Licensing Chair will then determine the granting of desired breed license and publish the month following the second publication in the “Master Judges List”. At that time a person is recognized as fully licensed for the breed(s) noted. The judge’s report and master list are submitted for publication to the web around the 25th of each month so that they are published approximately on the first of each month.

From the rules, a provisional cannot apply for additional breeds until they are fully licensed for the first three breeds. They also cannot apply for all-breed status until they are fully licensed for eight breeds.
