

JUDGES LICENSING REPORT – August 25th 2016

This report is submitted by the Chair of Judges Licensing and is current as of 8/25/2016

=====

I want to take this opportunity to thank Leigh Littleton for his years of service to ASFA as judges licensing chair.

For those who may not know me, I have been involved in coursing since 1975 and a licensed judge since 1992. I started coursing in the northeast primarily at Connecticut Sighthound Club and moved back to Wisconsin in 1985 where I have been with Midwest Coursing Club. I am currently serving my last year as Region 6 Director and look forward to working with everyone to ensure that ASFA maintains a high standard of judging. I intend to contact each apprentice and provisional judge in the near future to provide assistance and guidance towards becoming a fully licensed ASFA judge.

It is known that in some regions, there is a lack of numbers in breeds to obtain qualifying provisional/apprentice assignments. There are also clubs which can afford to provide assistance to provisional judges to bring them to areas where there are sufficient numbers of dogs running to qualify. I will work with the clubs and provisional judges to bring them together and obtain their license. In these cases, the local RD can approve the provisional to judge more than four breeds on a day increasing their opportunity. Hopefully clubs are using this option to assist a provisional judge to gain the experience and breeds required.

Also, note that after the first three breeds, a provisional can use singles as an additional breed when judging with an all-breed licensed judge.
