

**JUDGES LICENSING REPORT – November 2019**

This report is submitted by the Chair of Judges Licensing and is current as of 9/24/2019

=====

*Notes from Judges Licensing:*

*O-JUDG16 AKC licensed Judges who, in the opinion of the Judges Licensing Chairperson, meet the general requirements found in Chapter XI, Section 1, may move directly to Provisional status provided they pass the ASFA written test. AKC Judges who don't meet these requirements must complete the entire program of ASFA apprenticeship and licensing. (04/99) 282*

When any applicant sends me the application form, I look for their experience. If they are an AKC judge, in making a decision to move them directly into provisional status, I will take the time to look up their AKC record of how many trials, breeds and entries they judged. If I find that they judged with an ASFA licensed individual, I will reach out to the judge(s) to see if they recall how the applicant handled their assignment(s), interaction with exhibitors, and such.

Understanding that not everyone wants to/or can lure operate or huntmaster, a person should have a good working knowledge of watching dogs compete other than their own. Field Trial Secretary, Field Clerk or Field Trial Chair shows that they have an understanding of the running rules regarding paperwork and trial functions. So I do place more of an emphasis on the field positions within their 10 prior events working as these ensure that the person is aware of what is happening in the field and at least start them on seeing interference or coursing other hounds.

When I receive request for breeds from provisional judges, I verify the information on their judge's confirmation forms against premium lists for the trials and the number of dogs judged on the ASFA results page. If there are discrepancies, I ask the person to verify and if needed to correct their forms.
