

ASFA ADMINISTRATIVE POLICIES

As of March 2016

The Board has interpreted the term "policies" to indicate enforceable items 11/89 (Operational)

NOTE: We have arranged the policies by subject. They have been assigned a new reference number, and the old policy number is listed at the end of the policy statement.

LEGEND: A-ACoD01 (is the **new** number) then the Policy Statement. The date at the end of the policy statement is the date it was enacted by ASFA. If there is an "R-" in front of the date, it refers to the date the policy was revised. This is followed by the Old Policy No. at the far right.

(Example: (04/88)
