BOARD

O-BD01	The Board has interpreted the term "policies" to mean enforceable items. (11/89)	30

O-BD03	All regular Board meetings shall be open to silent observers subject to physical limits. (04/79)	85
O-BD04	The ASFA reaffirms the right of all ASFA sanctioned clubs to hold lure coursing trials, wherein only artificial lures are used. The ASFA also supports the right of sighthound owners to engage in the sport of lure coursing with their hounds without interference from those in disagreement with this sport. (04/97)	251
O-BD05	No club or individual may have their ASFA privileges suspended, except through the procedures outlined in Article IX of the ASFA Constitution. (For the purpose of this policy, suspension or revocation of a Judge's license for cause is not regarded as a suspension of ASFA privileges and should be handled as provided for in Chapter 11, Section 12 of the Running Rules.) In such cases where the Board believes that there is good evidence that an individual or club has engaged in misconduct prejudicial to the best interests of the ASFA or any or all breeds of sighthounds and no club or individual has filed charges, they [the Board] shall vote to entertain jurisdiction of the matter and instruct the Corresponding Secretary to prepare written charges with specification of the alleged misconduct, along with evidence of such misconduct. Such charges shall then be distributed to the Board as specified in Article IX, Section 1 and shall be handled as required in that article once the Board has voted to entertain jurisdiction. (04/99)	296

O-BD06 ASFA affiliate or member clubs may use the ASFA logo in connection with any non-commercial activity of the club.

(01/20) 87

 - b. Depending on the severity of the error(s), the Records Coordinator may issue an Error Notice for the club.
3. Errors Discovered After the Trial Records are Published.
- a. Results of field trials published will not be changed except by action of the Board. Such action may be taken by electronic ballot distributed by the Corresponding Secretary. However, in tabulating both championship points (Field Champion, LCM, etc.) and Top Twenty points, the points shall be divided evenly between all hounds involved in the tie. All points shall be in whole numbers only, with any fractions obtained as a result of an unbroken tie being dropped. This policy applies to both unbroken ties at the trial itself as well as any tie created from the discovery of an error in the trial records.

Results from the classes shall be recorded and published as Provisional Open, Provisional Field Champion, and Provisional Veteran. Eligibility to enter the Provisional Field Champion class will be based on points and placements earned during the Provisional recognition period that would otherwise entitle a hound in an ASFA recognized breed to be awarded an ASFA field champion title.
