8	Upon request, one set of free forms will be mailed to a club or individual per year and one "promotional packet" will be mailed to a club or organization per year. The forms committee is empowered to make exceptions to this policy upon request from the Regional Director and as it deems appropriate.	Apr-94
10	ASFA's reciprocity with <i>Canadian Kennel Club</i> is limited to recognized judges.	Apr-84
23	When a field representative is evaluating a trial and is aware of rule infractions, he/she shall advise the field chairman of the irregularity and show written documentation of the rule or policy in question. If no corrective action is taken, the field representative shall file a protest, following all procedures of Chapter 9, including appeal of the field committee's ruling, if appropriate.	Apr-94
24	One person cannot be both field chairman & field secretary at a trial.	Apr-94
26	A hound must be individually registered, but proof of ownership is not required unless specifically requested by the Records Coordinator.	Apr-94
27	When the Records Coordinator receives an entry with an unacceptable registration number, the Records Coordinator will advise the owner that points, placements and titles earned and FAN publication of same, will be held in abeyance for a maximum period of 90 days. During that pending period, the hound will be listed in FAN trial results as "pending". If the owner submits an acceptable registration number to the Records Coordinator within the time allowed the hound will be credited with points/ placements/titles earned in the interim. If an owner fails to notify the Records Coordinator of a hound's acceptable registration number within the 90-day pending period, all points, placements and/or titles earned during that period will be void. There will be no effect on other hounds' points/placements if a correction is not made or if the entry is disallowed.	Nov-88
29	AKC recognized foreign registry has been interpreted to include those registries appearing in the "primary" or "secondary" AKC listing.	Apr-91

31	Upon request from an individual whose entries have been refused, the Corresponding Secretary will notify the club filing "good and sufficient" reasons that they have 10 days to withdraw or alter the statements prior to the statements being sent registered mail (addressee only) to the affected individual. 36	Hounds with fewer than four legs are considered lame and, therefore, unfit to compete.	Apr-90
37	Each field champion to be measured must be individually identified.	Nov-89
38	The ASFA Board of Directors considers it inappropriate for a judge to copy any information from a record sheet relative to his/her assignment prior to completion of that assignment.	Nov-88
39	It is unacceptable for a club to change a judge's assignment on the day of the trial in order to allow that judge to run a hound.	Nov-89
41	A pre-slip penalty may be called by the huntmaster and thereby a penalty will be assessed by a judge: 1) at the beginning of the course, and/or 2) during a mid-field restart of the same course.	Nov-95
42	The word "fighting" as a reason for disqualification does not require defense from the other hound.	Oct-82
45	Clubs that fail to submit a final premium list to the Scheduling Chairman will be notified that failure to comply with the rule may lead to a delay in publication of the trial results.	Apr-94
<b>TOP</b>

Judges residing in the U.S. must have a current ASFA license to judge at ASFA sanctioned events. Canadian Kennel Club judges must be licensed for any breed they judge for the ASFA. However, all-breed Canadian Kennel Club judges shall be considered all-breed ASFA judges for ASFA purposes.	4-Mar

62	Clubs may include a stamped, self-addressed postcard to the Records Coordinator if they would like notification that records were received.	Apr-89
63	When an ineligible hound wins BIF, no BIF will be awarded.	Apr-87
64	The award of cash prizes at a lure field trial for placements earning ASFA points shall not exceed the entry fee.	Apr-83
65	When an ineligible hound receives a placement, all other placements will stand.	Apr-87
66	A tie not broken will count as the lowest placement the hound could have won had the tie been broken. This applies to tabulating points and placements for Field Champion, LCM titles and top twenty. If an error in the records is discovered after completion of the trial, the points shall be divided evenly between the hounds.	Apr-84
69	A hound disqualified at an ASFA trial must be reinstated according to ASFA policy.	Nov-93
