Legal action was contemplated for breach of contract. A law firm in Columbus was consulted. After a cost/benefit analysis as well as the human factor was considered, the board voted yesterday that we would not file a lawsuit against Paragon. It was not an easy decision to make but in the end the board decided it was right way to move forward and focus on something that was beneficial for ASFA. 521 **President's Report – March 2022**

522 *Dean Wright, President*

523 I want to begin with wishing everyone a great 2022!

524 Covid 19 has subsided and hopefully with everyone getting the vaccine we will stay that way
525 and our lives will get back to normal and no more masks.

526 2021 was much better for all of us – Trials and entries were back up to 2019 levels.

527 We had to cancel the 2021 ACOD and went virtual. It seemed like a bad thing, but it opened
528 up a whole new world of how to communicate with each other. We have used it for the board
529 and clubs have contacted Cathy Sanderson and with her help used it for a club meeting. This
530 new platform that ASFA has many possibilities.

531 The ACoD this year is scheduled for March 19th & 20th and again it will be virtual with a
532 registration fee of only \$45.00. I hope that all or most of the ASFA clubs will send two
533 representatives. I am looking forward to getting together with everyone – even if only
534 online. They will be having the Saturday Night Party online, be sure and join us.

535 The 2022 International Invitational has been approved for October 22 and 23, 2022 which will
536 be hosted by The ASFA Board with the help of clubs in the area. Kathy Nelson and Dawn Gibas
537 will be the Co-Chairs and Katie Kaltenborn will be the field trial secretary. Head lure operator
538 will be Jerry Slattery and Wayne Olson head Huntmaster. Scott Hurlbert and Mark Schubert will
539 be designing the courses and keeping the three fields going. Kay Niergarten will be our
540 treasurer. The judges have accepted and will be Deann Britton, Kevin Carlson, Jennifer Geysler,
541 Claudia Miller, Ping Pirrung and Kent Standerford.

542 The IT committee is working with Eddie Kominek to create a web-based program that will
543 handle ASFA Trial records in a much better way than we have been using for years. Eddie is
544 well on his way to having this project completed.

545 Friday before the II will be a Special Event planned for Lure Coursing Instinct Dogs.

546 Financially, ASFA weathered 2021 and our treasury is solvent. The virtual board meeting and
547 virtual ACODs have saved ASFA quite a bit of money.

548 We will welcome a new president soon and there are some exciting items that we are working
549 on for 2022.

550 Stand back and watch your ASFA run.

551 **First Vice President's Report – March 2022**

552 *Greg Breitbach, 1st Vice President*

553 While 2021 was not as challenging as the prior 2 years, it did have some rough spots.
554 Unfortunately, due to COVID, this ACOD was moved to virtual again.

555 My biggest disappointment was that the Board was not able to push hard enough for a new
556 contract to update the Records Program or the Website. Presentations will be made during this
557 ACOD showing that progress is finally being made.

558 It has been disappointing to hear from some exhibitors that sportsmanship and civil discord
559 have been allowed to deteriorate at trials. I want to take this opportunity to remind everyone
560 that we need to be considerate of everyone. All workers at trials are volunteers. As such, we
561 should all be offering to pitch in and help when clubs are in need. Some clubs are in distress
562 with a lack of membership or experienced individuals and thus workers for each trial. Don't
563 wait to be asked, seek out the Field Trial Chairman or Secretary and volunteer your assistance.
564 Even if they do not immediately need your assistance, it will be appreciated that you
565 volunteered.

566 During the past years it has been my pleasure to have supported the President and Board of
567 ASFA in all business functions. Since I am retired, after trials I have attended, I have been able
568 to look at aspects of the trials to evaluate how to improve the organization. This is how I have
569 been able to provide to the Board recommendations to rule changes and policies outside of
570 committees.

571 **Second Vice-President's Report – March 2022**

572 *Tom Cigolle, Jr, 2nd Vice President*

573 50 years ago in 1972, the founders of ASFA met together and someone made the motion to
574 form the American Sighthound Field Association. I can just imagine the enthusiasm that
575 everyone felt at that time. And in a way, that enthusiasm has carried on for 50 years, for the
576 American Sighthound Field Association is still here, looking forward to the next 50 years!

577 2021 was an interesting and challenging year. We all thought we were finished with COVID
578 until the Omicron mutation showed up. But we were able to overcome that challenge and we
579 were able to get back to hosting and attending trials; seeing friends and enjoying the sport we
580 love. 2022 is already showing what challenges we may face this year, which besides inflation,
581 are the soaring gas prices. Let's hope that as the year progresses, things settle down a bit so
582 we can get out coursing as much as we can.

583 The ASFA board had a very busy 12 months since the last ACOD. Between dealing with issues
584 via email, discussing and voting on various motions, and having several virtual board meetings
585 (including committee meetings), the past year went very fast. As your 2nd Vice President, I was
586 fully engaged in those meetings and discussions, and provided input/feedback so that the
587 ASFA Board could make the best decisions that we could. Most of which will be discussed

during the upcoming ACOD. It is my opinion that the ASFA Board works harder now than it ever has in its past, and that is mostly due to the use of virtual meetings.

Remember, a virtual ACOD is just as exhausting, if not more so, as meeting in person. Be attentive, and most importantly, be respectful of your fellow ACOD attendees. Everyone that wants to make a comment or be part of a discussion on an issue will each get their chance to speak. That has always been one of our strengths, talking things out so that we can make the best decisions possible.

Let's hope that 2022 will allow us to get back to normal.

In closing, I would like to say that it has been an honor and pleasure to serve as your 2nd Vice President these last 3 years.

Recording Secretary's Report – March 2022

Ping Pirrung, Recording Secretary

Thank you to both the Board and ACoD Minutes Review Committees for helping to finalize both their respective minutes. It is a tedious job and I appreciate your eagle eyes. Also, to Marilyn Standerford for noticing some further corrections.

The minutes for the March 2021 Board of Directors meeting were delivered to the Minutes Review Committee (MRC) the 22nd of March. The MRC concluded their review towards the beginning of April, and the draft minutes were delivered to the full Board for approval on the 4th of April. The minutes were approved by the Board of Directors on the 18th of April. The Board held several online meetings throughout the year. The minutes from these meetings which were subsequently sent to Minutes Review and approved by the Board shortly thereafter.

The minutes for the 2020 Annual Convention of Delegates (ACoD) were delivered to the 2021 ACoD Minutes Review Committee (MRC) at the beginning of April and were approved by the 2020 ACoD MRC in June.

633 The minutes for the on-line Board of Directors meeting that convened between the 2021 ACoD
634 and the 2022 ACoD will be delivered to the MRC shortly after the conclusion of business then
635 submitted for approval by the Board of Directors at their March 2022 meeting.

636 It's a bit different taking minutes from online meetings and a virtual ACoD, however there
637 are some advantages because the Zoom program does the recording and I am able to use
638 my large screen at home. At this year's ACoD I ask when making a motion you say your name
639 so I am sure to be able to get the correct person in the minutes.

640 It's much easier if the members of the Minutes Review Committee read the respective minutes
641 as soon as possible while their memories are fresh so that the approved minutes can be
642 distributed as soon as possible. I do advise the 2022 ACoD to appoint its ACoD Minutes Review
643 Committee, with committee members from the body of delegates, to review and approve the
644 minutes of the 2022 ACoD within 90 days after the convention closes.

645 I know that Jennifer will do an outstanding job as ASFA's next Recording Secretary. She has so
646 many terrific qualities that make the ASFA Board productive.

647 It has truly been a pleasure serving on the ASFA Board of Directors for these past 14 years in
648 several different positions. It's been a privilege to witness amazing growth and enjoy the
649 enthusiasm and great ideas of so many. I am looking forward to having a bit more time to
650 spend with family and of course the dogs.

662 **Region 1 Report – March 2022**

663 *Karen Sanders, Director*

664 Looking back over 2021, predictably with Covid still around and the pandemic restrictions, the

726 2021 – The recovery year.

727 There is a lot of optimism beginning 2021.

728 CLCA planned for 18 trials in 2021 and was able to host 14 of them. The trials not hosted were
729 all due to bad weather. CLCA had a total of 314 hounds entered, second only to UCBSC.

730 CLCA is planning to host 23 trials for 2022 and will also host the Region 3 Invitational on July 16,
731 2022.

732 LLCC planned for 4 trials 2021 and were able to host all 4, including hosting the Region 3
733 Invitational. They had a total of 167 entries for the year. LLCC plans to host 4 trials for 2022.

734 RMIWA planned 1 specialty and 1 all-breed trial for 2021. They hosted 3 trials with a total of 67
735 entries.

736 RMIWA plans to host 3 trials in 2022.

737 USRCC planned 2 trials for 2021. They were able to host both trials, with a total entry of 47.

738 USRCC is planning to host 2 trials for 2022.

739 RMCC planned 1 trial in 2021. They were able to host their trial and had 10 entries.

740 RMCC will host 1 trial in 2022, already on the books for October 1, 2022.

741 PHCA plans to host an ASFA specialty trial at their National Specialty in mid-April at Silverado,
742 CO.

743 AWC, plans to host an ASFA specialty trial, also in April, in Virginia Beach, VA.

744 CONGRATULATIONS to CLCA.

745 CLCA had the greatest number of trials, 14 trials, in Region 3, up 3 trials over last year.

746 CLCA was number 2 in the country for number of trials and number of entries.

747 **Region 4 Report – March 2022**

748 *Terry Sayre, Director*

749 Region 4 only has four active clubs. At this point in time there hasn't been a whole lot of
750 activity as for events. I have been talking to a club that held accreditation in the past but at
751 this time they're not ready to make the plunge back into ASFA. As with so many clubs in the
752 area membership and workers are our biggest problems. Currently AKC dominates Region 4
753 with trials.

754 **Region 5 Report – March 2022**

755 *Trisha Borland, Director*

756 Region 5 is seeing many of the same issues as the rest of the country. Numerous amounts of
757 dog sport/conformation events on the same weekends as local ASFA trials has continued to
758 see a decline of ASFA entries within the region. Most of the clubs within the region are now
759 hosting LCI at least one day or their coursing weekend. 31 trials were hosted within Region 5
760 including the 2021 ASFA II, Irish Wolfhound National Specialty, and Ibizan Hound National
761 Specialty. Iowa Coursing had an amazing year of hosting ASFA coursing, they hosted 3
762 weekends of trials on top of the 2021 II. Way to go members of ICA! The Region 5 Invitational
763 was hosted by Heartland Coursing Association on Sunday October 24th in Lawrence, Kansas
764 with an entry of 45. Best in Regional went to Borzoi "Zip" (Avalon Perlova Go Darkly, LCM 3)
765 owned by Susan Van de Water and Sandra Moore. Region 5 does not currently have a
766 regional scheduled for 2022.

767 **Region 6 Report – March 2022**

768 *Gayle Kytta, Director*

769 No report received.

770 **Region 7 Report – March 2022**

771 *Eddie Kominek, Director*

772 2021 saw a new coursing club join the ASFA, the Gazehound Association of Smoky Mountains,
773 running in Limestone, TN. They're running the second weekend in April and second weekend in
774 November as well as offering Silken Windhound specialty trials in conjunction with other
775 events. While Florida numbers were down a bit, TN and GA trials were hitting near or above
776 the 50 hound mark. The Region 7 clubs are not participating in the LCI program.

777 2022 should see things holding steady in Region 7 and hopefully we'll be bringing another club
778 in the Memphis area into ASFA as they are just starting up, but have a beautiful site which
779 could potentially hold national level events. GOGLCA held Florida trials in Feb and will in April
780 and October, GASM should be holding trials in April and November and GANG will be holding
781 their Memorial Day trials.

782 **Region 8 Report – March 2022**

783 *Kathy Sanders, Regional Director*

784 Region 8 consists of 12 member clubs (2 of which are Parent clubs) and 3 affiliate clubs. As we
785 began 2021 under the cloak of COVID, it appeared that the Regional clubs were able to
786 proceed with caution. There were approximately 36 trials held within region 8.

787 In 2021, Region 8 clubs held 36 trials, while in 2020 they held 28, so it is great to see more clubs
788 who felt comfortable to have trials while following the COVID protocols. The total entry for
789 2021 was 1675 compared to 2020 which had total entry of 1286 hounds. With that said, I am
790 pretty confident that the #1 club with the most entries in 2021 will come from region 8.

791 Our 2-day Regional was held over Thanksgiving Weekend by Upper Chesapeake Bay Saluki
792 Club (UCBSC) for the 2nd year in a row. In 2020, the total entry for the 2 days was 93 dogs.
793 Amazingly, in 2021 we surpassed that with a total entry of 157 dogs (84 & 73 respectively). It
794 truly takes a village and this village ROCKS! Who's up for trying to beat that number in 2022??

795 Region 8 was home to several of the 2021 #1 dogs and they are as follows:

- 796 ▪ #1 Basenji – “Chilly” GSW, GCh, DC, Can Ch Borassus Hot.Cool.Yours. LCM10, SC, MC,
797 LCX, CAA, RATN – Owned by Kathy Sanders
- 798 ▪ #1 Galgo (Limited) – “Rosa” - Rosa Slightly Bearded Senorita TCP – Owned by Krista
799 Shreet & Ted Koch
- 800 ▪ #1 Greyhound – “Blu” – DC's Shades of Blu LCM, VFCh, CA – Owned by Diana Darling
- 801 ▪ #1 Ibizan Hound – “Halo” – Kamars God Speed LCM – Owned by Cindy Antonik & Katie
802 Belz
- 803 ▪ #1 LCI Sighthound Mix – “Bruce” – Bearded Bruce The Moose, LCA, LCC – Owned by
804 Krista Shreet & Ted Koch
- 805 ▪ #1 Rhodesian Ridgeback – “Scrappy Coco” – DC Venus You Don't Mess With The Zohan
806 FCh, SC – Owned by Cory Turner
- 807 ▪ #1 Saluki – “Tiflah” – Qadim Alhaba Bint Al Riyah TCP – Owned by Carol Smith
- 808 ▪ #1 Single – Whippet “Rishi” – T'Daz Rishi Vortex Traveler TCP – Owned by M. Pomano &
809 Bethann Haner

810 Congratulations to all the exhibitors and their top winning hounds as well as all that have
811 competed in 2021.

812 With all that said, I would like to take a moment to say that we all know what it takes to put on a
813 trial and unfortunately, it is not getting easier. It's a lot of work and it can be a bit stressful at
814 times but at the end of the day, we are all there with a common bond and that is our dogs.
815 Whether you are competing for top hound, slowest turtle or just there to help out, it should not
816 change how we treat one another. We must also always be cognizant of the fact that there
817 may be new exhibitors or children nearby when having discussions with one another. I hope that
818 2022 brings us all much happiness and health. And remember “BE KIND”.

Region 9 Report – March 2022

Cathy Sanderson, Director

2021 was a tough year for Region 9. GONE was the most active club in the region. The other clubs each held one trial. Ontario had strict covid restrictions and there were some field availability problems. Region 9 is the only ASFA region to be split by an international border, this year that border was closed to non-essential travel which reduced entries for all clubs in the region. The average entry was 40 dogs.

One of our clubs based in western New York and its members are Canadians, so that club held its trials in Ontario. Even though the border opened in November there were some difficult restrictions left in place.

As of this month the border is open without the difficult restrictions, so hopefully Canadians will be travelling to many regions again.

The Region 9 Regional is scheduled for October 15 at Kinnie Farm in Griswold, CT.

Region 10 Report – March 2022

Jennifer Gysler, Regional Director

[Region 10 covers the state of California south from the northern boundaries of San Luis Obispo, Kern and San Bernardino counties, Arizona, Hawaii, and Nevada south of Highway 6.

While we are not exactly back to “normal”, Region 10 is trying to get back to where we were pre-Covid. Unfortunately, we have lost some fields but are working to find new ones so we can increase the number of trials we are able to hold.

Our Clubs: We have four clubs in Region 10 now. Two are member all breed clubs, California Coursing Association “CCA” based in southern California and Central Coast Association of Sighthounds “CCASH” based in Paso Robles, Calif. The third club is a national breed club (International Silken Windhound Society “ISWS”) which has a specialty every year in different regions. Our newest club is Desert Fun Bunch, based in the Phoenix area of Arizona. ASFA Lure Coursing is back for the Desert Fun Bunch! DFB hosted the club’s first ASFA trial as an ASFA affiliate club on December 4, 2021, in Mayer, Arizona

Our Trials: In reviewing the stats for last year, we expected a significant downturn due to the difficulties we had, as did many regions, in hosting events, finding locations and being safe. Region 10 normally lacks in ASFA trials compared to other areas of the country. The LCI program has been helpful to us in increasing interest in ASFA. In 2021, Region 10 hosted 16 trials, consisting of 180 entries. We held the same number of trials as 2020 but about 50 fewer dogs. This appears to be due to lack of field access and some weather-related issues which made our one field inaccessible in February. As our back up field was no longer available, we simply lost those entries. We seem to have increased interest so far this year and will make every effort to increase our numbers this year.

The positives: Desert Fun Bunch is back holding ASFA trials. We also have another local club ready to apply for fast-track status this year. As before, we are emphasizing the positives of ASFA to our local exhibitors, both with sighthounds and non-sighthound breeds. Hawaii is still on our radar. The individual who was leading the charge for ASFA in Hawaii suffered some significant health issues, so the plans to start coursing in Hawaii are on hold for now. Hopefully, in 2022, some of our CCA members will be able to travel to the Big Island and host an ASFA trial for the locals while garnering interest so they can eventually have their own trials.

New clubs: We plan to have a breed club apply and be approved for fast-track status this year.

LCI: Interest continues to grow in this program, and we are hoping to have even more participants in 2022.

The future: By continuing to foster relationships with exhibitors and clubs, along with sharing the positives that ASFA has to offer, I am hopeful we will be able to host more trials in 2022!

Archives and Historical Committee Report – March 2022

Dean Wright, Chair

Goals for 2022

1. Create a written inventory of all archived items. Post the inventory with photos on the web site. Put into a pamphlet format.
2. Include an ASFA History written by Gary Roush from the first Historical Book on the Web Site.
3. Complete the new website to be web based, which Eddie Kominek is working on
4. Update the history of each region with the help of the newly elected RD.
5. Separate II premiums and Regional premiums and catalog and put on the II access page.
6. Compile a history of II Perpetual trophies with winners, date donated, and a photo of each trophy. I now have a list of all II winners by breed.
7. Investigate the possibility of ASFA publishing another Historical book in 2022 for our 50th anniversary year.

Awards Committee Report – March 2022

Kathy Sanders, Chair

2021 started off with the cloud of Covid still hanging over all of us for the 2nd year. During the first 6 months there was a shift in the Awards Committee and in July, I was selected to continue the processes of the committee. With that, I worked with Evelyn Jones to make a smooth transition of all inventory and Evelyn left no stone unturned. The only thing left for me to do was to mail out the remaining awards, which consisted of the following:

- 9 plaques for 2020 #1 in Breed
- 1 plaque for 2020 Top Hound
- 8 2021 National Specialty plaques

With the looming Covid issues, there were only 5 Regional Invitationals held (3, 4, 5, 6, & 8). Ribbons and medallions were mailed to the regions who held a Regional Invitational.

The Awards inventory of ribbons at the end of 2021 is as follows:

6 – BIE	39 – NBQ
70 – BOB	13 – High Scoring Single
153 – 1 st Place	58 – Breeder Stake
227 – 2 nd Place	58 – Kennel Stake
233 – 3 rd Place	57 – Bench Stake
172 – 4 th Place	

As you may or may not be aware, it is the responsibility of the Regional Director for placing the ribbon order and for keeping a record of the number of entries and rosettes/medallions used each year. It is important that this record be kept and transferred from Regional Director to Regional Director so that they can coordinate with the club hosting the Regional Invitational as to what is recommended to be ordered. Then once your event is over, you mail back any unused ribbons and medallions, which are then returned to inventory. At this time, I would like to say "THANK YOU" to the Regional Directors who requested and returned the awards that were left. I have to say, you did a great job in guestimating what would be needed as not many were returned.

912 At this time, I would like to request all regions take pictures of their ribbon ceremonies, be it a
 913 Regional Invitational, International Invitational, Regional "Specially named" trial or a regular
 914 trial and share them with the Public Outreach Committee.

915 Thank you all for your cooperation and I look forward to what 2022 brings!

918 **Communiqué Report – March 2022**

919 Vicki Fagre-Stroetz, Editor

The main goal for the online Communiqué in 2022 is to continue and improve the delivery of timely, important, interesting, and useful information in an accessible and hopefully enjoyable manner. The 4 - 5 Communiqué issues each year are timed to include coverage of the following:

Mid-January	<i>Annual year end stats and deadlines</i>
April	<i>Annual Convention of Delegates coverage</i>
July	<i>New rules and procedures and event coverage</i>
Early November	<i>Il, RIs, National Specialties & other events & notices</i>
Early December	<i>Pre-year-end stat update, Regionals, other events & notices</i>

You can use the Communiqué as a tool to highlight your region, club, events, and amazing running dogs. Reporting your event in the Communiqué, can send a message to your volunteers that their dedication and efforts are noticed and valued.

New!! An invitation to submit ads for the April Issue. Please consider submitting an ad for your 2021 Top 20 Dog for the April issue of the Communiqué. Those who do so will receive a free "Communiqué" baseball-type hat. The deadline for submitting ads is March 28th.

Sincere Thank You . . . to outgoing ASFA President Dean Wright for shaping the online Communiqué, and for your tireless leadership and support. . . . to the many reporters, contributors, and brilliant photographers - your work is at the heart of the Communiqué. . . . to our first-rate editorial & proofreading team of Victoria Cassano, Gayle Kytta, Sally MacDowell, Lois Obelcz, Audrey Silverstein, and others, without you every issue would be error-filled and unreadable . . . to Lori Coulson for your essential role. . . to Corresponding Secretary Holly Hamilton and the ASFA Club Delegates for distributing each issue. . . to Marilyn Standerford for Website posting. . . . And thank you to our many valued readers.

Field Trial Improvement Committee Report – March 2022

Tom Cigolle, Chair

The Field Trial Improvement Committee for 2022 had the following members: Greg Breitbach, Tom Cigolle – Chair, Tom Golcher, Jennifer Gysler, Dan Heidel, Jayme Jones, Darci Kunard and Sally MacDowell. I appreciate everyone's participation this year.

Please see below for activities related to the FTI Committee, as assigned from the ASFA Board:

Completed Item

The SouthEastern Greyhound Club had submitted a proposal for an experimental program whereby host clubs would have the option of offering a brace elimination running format. The proposal was reviewed and the recommendation to the ASFA Board was that the proposal did not fit with the current format of trials, but with some minor adjustments could fit. However, it

was also recommended that a special committee be created to work with SEGC on possible adjustments to the proposal.

To Do List

- 1) Look into and submit the appropriate wording for the Rule Book to create a veteran singles stake, with associated veteran titles.
- 2) Write an informative article for the Communiqué about blankets, decorations, etc, based on the current rules and policies so that all handlers understand what is permitted and what is not permitted.

Forms Creation and Distribution Committee Report – March 2022

Marilyn Standerford, Chair

Thank you to the members of the Committee—Debb Meyer & Karen Sanders

Status of ASFA Store

Still functional. Not a lot of activity. There has been no updating of the ASFA Store site.

Status of PayPal

PayPal is used for almost 100% of the sales of ASFA Store. Very few orders come with physical checks mailed to me from clubs.

Consider checking your forms inventory now and getting your order in for your next few trials or for the year. And don't forget we still have signs for sale!

Publications

The Rulebook, Constitution, Policies (Administrative and Operational), and ASFA forms have been updated as of August 1 to reflect changes in ASFA business - including contact chairmen, and REC/CRC changes.

FORMS Update

The following forms were updated during 2021.

- The Judges form was updated to replace LIMITED with PROVISIONAL, and add the LCI classes. If you still have old Judges forms, you may use them up. The new Judges form was posted on the ASFA website in December of 2021.
- The Hound Certification form was updated to replace LIMITED with PROVISIONAL. Be sure you are using the correct forms in your premiums. They are on the ASFA website.
- The Field Trial Secretary Report, formerly the Per Capita Report, was also updated last year in July.
- The Protest form was updated.
- The Trial Date Request was updated.
- The Judges Handbook is no longer available for sale on the ASFA website and is being formatted for publication on the ASFA website—free for all to have access.
- The Guidelines for Course Design is also being formatted for the website and will no longer be available for sale.
- The Lure Operator's Guidelines will be formatted for the website, and no longer available for sale.

REMINDER

It is the responsibility of the Forms Chair to maintain the only official copy of the ASFA Forms and Publications. That means that if you are requesting updates or changes made to the forms, publications, or any printed matter for which your committee is responsible, you may send the updates to forms@asfa.org, and I will make the changes for you.

It is imperative that the official, most up-to-date versions are on file with the Forms Chair. Go to the website and download the forms for which your committee is responsible. You may mark it up in any way you need to and either scan it in and e-mail it to me, or just mail it to me. You may clearly reference sections in an e-mail. I can follow edits pretty clearly, if you identify them. I do

1005 not provide the Word version of the forms. It is too difficult to maintain the "official" form at that
1006 point. Include the original wording with your corrections/updates underlined. Strikethrough text
1007 you want removed/replaced. An "all new" document will not be accepted, unless there is no
1008 previous form for that requirement.

1009 When the edits by your committee have been completed, and I have updated the forms, I will
1010 return them to the Committee Chair for final approval. Upon the final approval, unless a Rules
1011 Change is required or Board approval is needed, I submit it to webmaster and liaison for inclusion
1012 on the website, if appropriate. If there are substantial changes and not updates, they will have
1013 to go to the Board for approval in the ASFA format.

1014 **ASFA PACKETS**

1015 All we send out in the ASFA packets are the Guidelines to Hound Certification and the Beginner's
1016 Guide to Lure Coursing. **Every club** is entitled to one set of 25 of each of these publications each
1017 year. Honestly, if you are going to use them, I'll send more. These can be requested via e-mail to
1018 forms@asfa.org or fill out the on-line request at <http://www.asfa.org/forms/pubs.htm>.

1019 **Invitationals Committee Report – March 2022**

1020 *Trisha Borland, Chair*

1021 After making the difficult decision to not have a 2020 ASFA II because of Covid-19, it was an
1022 awesome site to have many in the fancy come together on May 15 & 16, 2021 for the 43rd ASFA
1023 II hosted by Iowa Coursing Association. The event was chaired by Scott Hurlbert and Kathy
1024 Nelson. The event had genuinely nice weather, good comradery, and some beautiful runs.
1025 Saturday saw 135 dogs competing and Sunday 129. The Gillette Stake was won by GCHB DC
1026 Isen Ever In Your Favor, SC, LCM "Rue" a whippet from the veteran stake. She is owned by
1027 Trisha Borland, Mary O'Neill, and Karla Dean. Best in International Invitational for the first time
1028 was won by a Silken Windhound. Allagante Beyond Compare, FCH "Chyna" owned by Karen
1029 and Paul Sanders. Because no proposal was received from the ASFA fancy, the 2022 ASFA
1030 International Invitational will be hosted by the ASFA in Muncie, Indiana. It is planned for the
1031 weekend of October 22 & 23, 2022. The Chairs are Dawn Gibas and Kathy Nelson. The
1032 Regional Directors spent numerous discussions working to update the Gillette requirements.
1033 Thanks to the dedication of Tom Golcher, Silken Windhounds that have an ISWS Championship
1034 are now eligible to compete for the Gillette. Going forward a dog that is a Field Champion
1035 and an AKC or foreign bench champion, or ISWS champion are eligible to compete.

1036

1037 **IT Committee Report – March 2022**

1038 *Cathy Sanderson, Chair*

1039 ASFA had been working with a software company to develop an online version of our record
1040 keeping software since Microsoft is no longer supporting MS Access. The contract was signed
1041 with them in 2017 and we have not received a working software system. You will hear more
1042 about this from another committee.

1043 To move forward we have contracted Eddie Kominek to replace and improve our software
1044 and record keeping. Eddie's day job is a software developer, and he has created the LCSoft
1045 program for field trial secretaries that some of you may have used.

1046 A reminder, LCSoft is the only computer program that ASFA accepts to do a random draw.
1047 The development plan is composed of 4 stages each taking 6 to 8 months. The first priority is to
1048 replace the record keeping system that has been cobbled together for the past decade. The
1049 new structure will better handle the LCI program and allow for expansion and changes as
1050 needed. Eddie is using a programming system called Laravel which is a powerful open-source
1051 framework based on php. I don't want to bore everyone with the geeky tech stuff. If you want
1052 to discuss details speak to Eddie or me.

1053 However, rest assured that Eddie is using standard Laravel procedures and practices to ensure
1054 that any other Laravel programmer could read and understand the code that he is writing.
1055 The ultimate goal of this project is to have.

- 1056 • All ASFA's trial records online and accessible by dog owners on a searchable website
- 1057 • Trial results can be submitted electronically by the FTS
- 1058 • The ASFA website will be updated by designated committee chairs.
- 1059 • Make available payment processor so that clubs can take online entries if they wish.
- 1060 • Mobile friendly
- 1061 • Searchable rules and policies

1062 So far Eddie has changed the structure of the tables and program structure significantly from
1063 the old MS Access system. This is important because it will allow for flexibility and future
1064 improvements. There is a lot of testing to do to ensure that the old data behaves as expected
1065 when the data is reported. This first stage of work is the hardest and most important since it will
1066 provide the framework for the rest of the development.

1067 **Judges Committee Report – March 2022**

1068 *Greg Breitbach, Chair*

1069 Members: Gregory Breitbach (Chair), Tom Cigolle, Darci Kunard, Phil Fullam, Leigh Littleton and
1070 Ben Brodeur

1071 The committee revised and submitted to the Board changes to Chapter XI of the running rules
1072 to clarify and align all procedures for obtaining an ASFA judges license. The Board passed this
1073 on to REC to be presented to this ACoD. Upon implementation of this new section, several
1074 policies will be removed as they are being incorporated into this revision.

1075 The committee added a new section to Chapter XI to test judges. The Board passed this on to
1076 REC to be presented at this ACoD. The new procedure will define testing judges to ensure that
1077 they are up to date on current rules and policies. The test will be open book like the current test
1078 for new judge applicants.

1079 The committee has discussed other areas of the running rules pertaining to judging and judges
1080 to bring them up to date and incorporate additional policies with the intent to remove policies
1081 which have been in effect for a long time. These discussions are ongoing and should be ready
1082 for the next ACoD.

1084

1085 **Judges Licensing Committee Report – March 2022**

1086 *Greg Breitbach, Chair*

1087 The Chair of Judges Licensing has processed requests for apprentice, provisional and breed
1088 licensees throughout the year.

1089 I hear from some applicants and exhibitors about the time it takes to obtain an all-breed
1090 judging license. I also hear from exhibitors and others that we have a better trained judge
1091 when they do obtain their all-breed license due to the time it takes and experience each
1092 individual obtains by working with and learning from the experienced judges they are with at
1093 each trial where they provisional judge. Training should not end when an individual obtains an
1094 all-breed license. Don't think you know it all, be intelligent and allow yourself to ask questions
1095 when in doubt.

1096 Each month a document is published which provides information on rules and policies which
1097 are not being followed and interpretations for questions posed by exhibitors and judges. Also,
1098 the current list of judges in an excel spreadsheet is published each month. This has been
1099 expanded to include if judges are willing to travel outside their immediate areas. These
1100 documents are currently found at <https://www.asfa.org/judges/index.htm> on the right side of
1101 the page.

1102 Reminder that judges are to provide the Chair of Judges Licensing an explanation for missing
1103 an assignment within two weeks of that assignment. Also, it is up to each individual judge to
1104 provide any changes to contact information and status.

1105 I want to take this opportunity to remind all judges that they are the face of ASFA at every trial,
1106 whether they are judging or not. We should be exhibiting the utmost sportsmanship of anyone
1107 at the trials as exhibitors may take cues on how to act from us. Be courteous, available, and
1108 willing to share your knowledge of ASFA running rules and policies.

1109 Paper copies of the running rules and policies are no longer available. Most of us have smart
1110 phones and can either access the internet to find the ASFA web site with the current rules or
1111 can download them to the phone for access at field trials. Do not be afraid to look up rules
1112 you are not sure of when questioned by others.

1113 **Long Range Planning Committee Report – March 2022**

1114 *Jennifer Gysler, Chair*

1115 I am very pleased to report that the Long Range Planning Committee has some exciting ideas
1116 for 2022 and beyond! I would like to thank committee members Gayle Kytta, Tom Cigolle, Phil
1117 Fullam, George Lovato, and Sally McDowell for their invaluable participation.

1118 Most recently, Long Range Planning (LRP) was tasked with creating a Code of Sportsmanship
1119 for ASFA, reflecting on the balance between competition and respect. We plan on having
1120 this document put together in time to present it to the delegates at ACoD. The Code of
1121 Sportsmanship will be a positive reminder to exhibitors, trial committees and judges, to do our
1122 part to act in the best interest of the sport and our dogs, while respecting all those who
1123 participate and endeavor to promote the sport we love. LRP would also like to implement a
1124 program whereby good sportsmanship is recognized and rewarded in our different regions.

1125 LRP is also responsible for facilitating avenues of financial stability for the club, which has
1126 become even more important in the uncertainty of our times. The committee is developing a
1127 plan for revenue generation which we believe will benefit not only ASFA, but our clubs and
1128 exhibitors. We look forward to unveiling some of these programs in the near future. Stay tuned!

1129 **Membership Committee Report – March 2021**

1130 *Ping Pirrung, Chair*

1131 **Purpose:** The purpose the Membership Committee is to not only collect the annual dues from
1132 all ASFA Clubs, but to also assist and approve clubs that wish to become affiliated with the
1133 ASFA.

1134 I wish to thank my committee members: Leah Hartlep, Vickie Jacobs and Jayme Jones for
1135 being responsive and such a help to me this past year.

1136 **Goals:**

- 1137 • To get the data on clubs in a working order
1138 • To familiarize myself with all the process' of the committee.
1139 • To communicate with delegates and help them when needed.

1140 At last year's ACoD it was approved when a club applies to become an ASFA club after the
1141 1st of August, the annual dues due with the application will be half of the current annual dues.
1142 Also approved was when a club renews its ASFA membership each year and pays the annual
1143 dues the amount will be the same whether they pay online or send a check. We're hoping this
1144 will encourage the use of online renewal to make it easier for clubs as well as the committee.

1145 Last year nearly all clubs had sent in their renewals by the deadline of the 1st of May. My goal
1146 this year is to have all clubs renewed by the deadline. The first dues notice went out at the
1147 beginning of January and many clubs responded quickly, for which I am very thankful. I am
1148 sure the delegates get tired of getting reminder emails from me. The next notice will be going
1149 out shortly after the ACoD.

1150 Last year two clubs decided not to renew: Central Leatherstocking Area Sighthound Society
1151 (Region 9) and Raisin River Rhodesian Ridgeback Club of Michigan (Region 6). We are sorry to
1152 see those clubs go. I know they will be missed in their respective regions.

1153 I am pleased to announce that there is a new club in Region 9 that has been approved as a
1154 fast track applied club - Saluki Association of New England (SANE). They will be scheduling
1155 their Fun Trials soon so that they can begin hosting ASFA field trials. Gazehound Association of
1156 the Smokey Mountains (GASM) – Region 7 - and Cascadia Sighthound Association (CSA) –
1157 Region 1 – who were approved as a Fast Track Affiliate Clubs last year - are working on their
1158 trials so they can apply to become a member club. We look forward to their success at
1159 holding ASFA field trials and their ultimate application to become a member club.

1160 The aim is to send updates to the website in a timely manner. More at the beginning of the
1161 year then as they come in later in the year. If you see an error in your club's information,
1162 please let me know right away. If there is a delegate change, change of status of a club or
1163 new club approved in between the quarterly updates after the 1st of May, I notify the
1164 Corresponding Secretary, Scheduling, Records, the appropriate RD and the President of any
1165 changes with an email.

1166 Happy 50th Anniversary to the ASFA.

1167 **Policy Compilation Report – March 2022**

1168 *Tom Golcher, Chair*

1169 Policy Compilation Committee (PCC): Chair, Tom Golcher Members, Russ Jacobs, Ping Pirrung,
1170 Phil Fullam, Dan Heidel

1171 Although there has not been much work required of the committee since the last ACOD, when
1172 needed, the volunteers on this committee, provided much needed input and valuable
1173 thought to come to a result. I thank all the members for their support in providing the ASFA with
1174 quality involvement.

1220 At the 2021 ACoD Tom Cigolle moves to direct policies committee to investigate
1221 communication between committees and/or the Board and possibly create a policy to that
1222 effect. Motion adopted.
1223 After discussion in PCC and learning that there would be Quarterly ASFA Board meetings,
1224 where Committees would be providing their quarterly reports, it was determined that no further
1225 action was necessary. However, since that did not seem to be working the following has been
1226 done to ensure Committee Chairs were in the loop of actions in other committees that may
1227 cross over.
1228

1229 02/24/2022 Ping Pirrung makes the following motion:
1230 **Motion:** I move the Board direct the Policies committee to develop a policy to the effect the
1231 Recording Secretary send the up-to-date Biz List and online Board meeting minutes (if any) to
1232 the Committee Chairs at the end of every June, September, December, and March
1233 (quarterly).

1234 **Rationale:** This will help the committee Chairs be aware of the business of the Board in the
1235 event there is something they need to be working on.
1236 03/06/2022 ASFA BoD approved motion
1237 03/07/2022 Moved back to PCC for action.

1238 **Records Committee Report – March 2022**

1239 *Kathy Sanders, Chair*

1240 There has been a lot of progress regarding the records program. There has been a contract
1241 accepted between ASFA and Eddie Kominek for a new records program. This project is
1242 divided into 4 phases, and they are as follows:

1243 Phase 1 – Records Program & Website Update

1244 Phase 2 – Administrative Improvements

1245 Phase 3 – User Experience Improvements

1246 Phase 4 – Club Experience Improvements

1247 Each phase has clear acceptance points and deliverables and is anticipated to take 6 to 8
1248 months to complete. We are excited to see a clear path to completion and have all the
1249 confidence that Eddie Kominek will provide a new records program that ASFA needs.

1250 On the downside, we are in the process of rectifying our situation with Paragon since we
1251 realized that they were incapable of fulfilling their obligations.

In addition, change the reference at the end of Section 1 from "For the penalty assessed for late receipt of records, see paragraph (h)." to reflect the paragraph reference correctly as (d).

Section 1. All records must be received by the ASFA Records Coordinator within fourteen (14) days or be postmarked within ten (10) days of the approved lure field trial, with the exception of the International Invitational. In the case of the International Invitational, the records must be received by the ASFA Records Coordinator within twenty (20) days or be postmarked within fifteen (15) days of the approved dates for the International Invitational. For the penalty assessed for late receipt of records, see paragraph ~~(h)~~ (e).

These records must include:

 5. Per Capita Report Completed Field Trial Secretary Report (FTS Report REC 25)

Per capita fees are required for each hound which was a paid entry in a regular stake and for each paid entry in non-regular stakes (Kennel, Breeder, and Bench Stakes). No per capita fee is due for any entry, regular or non-regular, that was fully refunded to the exhibitor. All per capita fees shall be paid with a club check, certified check, money order or through an electronic funds transfer (EFT). (Do not send cash or personal checks.) Points are not recorded by the Records Coordinator until either this per capita fee is received, or the Board of Directors has determined that there is an overriding reason to record the trial.
- (d) A penalty will be charged for late receipt of records. This fee shall not exceed the total per capital fee. When paying the per capita electronically, the later of either the payment receipt date or the date the ASFA Records Coordinator receives the records and payment must not be more than 14 days after the event, with the exception of the International Invitational. 1639 involved in the tie. All points shall be in whole numbers only, with any fractions obtained as

1641 trial itself as well as any tie created from the discovery of an error in the trial records.

1642 (i) In the event of a tie after a runoff, placements and ASFA points will be awarded to the

1659 16. Will cause the lure to be stopped upon a hound being tangled in its slip lead or
1660 other safety concerns ~~a pre-slip and restart provided no tally ho has been~~
1661 ~~sounded. A pre-slip in and of itself is not a cause for stopping the course. Will~~
1662 stop and recall dogs when there is a false start, as a Tally-Ho has not been
1663 called.

1664 17. ~~The A false start will be considered a no course and the dogs will be~~
1665 ~~immediately re-run. There will be no pre-slip penalty on the false start.~~
1666 ~~However, a course delay can be assessed by the judge if there is an excessive~~
1667 ~~delay in retrieving dogs to restart or handler error causes significant delays in~~
1668 ~~re-running the course.~~

1669 Current numbers 17-24 will be re-numbered to 18-25 to show this addition.

1670 **EFFECT:** Further definition of Huntmaster duties, regarding pre-slips.

1674 **Proposal #15**—Tom Cigolle moves REC look at adding clarification into the
1675 appropriate sections of the rulebook as to what judges are used for a mixed breed
1676 stake with the purpose of having a mixed breed stake awarding points and
1677 placements.

1678 **Delete existing Ch V Sec 9 Conducting the Draw. #5**

1679 ~~6.— If only one member of t breed is entered, that hound may be run with~~
1680 ~~another breed if all exhibitors involved agree, the hounds would be scored~~
1681 ~~separately.~~

1682 **New Ch. V, Sec 10: Multi-Breed Courses** (re-number subsequent sections)

1683 If only one member of a breed is entered, that hound may be run with hound(s) of
1684 other breed(s) if all owners or duly authorized agents agree. No more than three
1685 breeds may run in such a multi-breed course. At no time will this multi-breed course
1686 include more than the individual hound of each of the breeds running together. The
1687 hounds will be judged by two judges selected by the FTS from the judges assigned to
1688 those breeds, with the assignments posted along with blanket colors. If there are
1689 multi-breed courses run two or more days in a row, the FTS shall vary the assigned
1690 judges as much as possible, still selecting from the judges assigned to those breeds in
1691 the premium. Hounds entered in such a course shall compete in both preliminary and
1692 final runs and shall receive points and placements as if this were a regular stake. All
1693 hounds earning a qualifying final score in such a course shall be regarded as Best of
1694 Breed for their breed and shall be eligible to advance to Best In Field, if offered.

1695 **New Glossary Item:** *Multi-Breed Courses:* If only one member of a breed is entered,
1696 that hound may be run with hound(s) of other breed(s) in a multi-breed course if all
1697 owners or duly authorized agents agree. No more than three breeds may run in such a
1698 course. Hounds entered in such a course shall receive points and placements as if
1699 this were a regular stake; however, all hounds earning a qualifying score shall be
1700 regarded as Best of Breed for their breed and shall be eligible to advance to Best in
1701 Field, if offered.

1702
1703 **EFFECT:** Further define what a multi-breed course is, and how it will be handled.

The REC recommends rejecting this proposal.

REASON: The REC believes that this proposal would be complex and confusing for FTSs and judges to execute and for handlers to understand, and, especially, that it would award championship points and placements for hounds competing against other hounds with very different running styles and speed. Therefore, we recommend it be REJECTED.

Cost to the ASFA: none

Proposal #16— On behalf of the Judges Committee, Gregory Breitbach moves that the Board submits the attached changes to Chapter XI of the running rules to Rules Evaluation Committee to be processed for approval at the next ACoD.

Chapter IX- Licensing of Judges, Section 1. For the provisions of this chapter only, the following terms shall be defined as follows:

Applicant: a person seeking change from previous status.

Apprentice: a person seeking a provisional license to judge; has no status as a judge at trials at this time.

~~*Chair:* the ASFA chair of the subcommittee on Judges Licensing.~~

Judge (also, regular licensed, licensed judge): a person who is fully licensed for a breed with no restrictions. At any time the word provisional or apprentice does not precede the word judge, it shall mean an individual who is licensed without restriction for that breed.

Provisional (also, provisionally licensed, provisional judge): a person who may judge sanctioned lure field trials, with restrictions, as noted in this chapter.

Publication: an applicant's name shall be published on the ASFA website, or any other method of publication as approved by the Board of Directors.

Trial: an ASFA sanctioned lure field trial at which ASFA points are awarded to appropriate hounds (i.e., not a fun trial).

Section 2. General Requirements

(a) Every judge (all-breed, provisional, apprentice) will be required to take a 25-question open-book test provided by the Chair of Judges Licensing every four (4) years. This test will cover all running rules and policies in effect on January 1 of that year related to judging. Passing grade will be 85%. If a judge has not passed the test within four years, their license will be suspended. The Scheduling Chair will not approve suspended judges for new assignments until they have passed the test. Currently approved assignments will be completed. Judges will be allowed three attempts to pass.

(b) All of the following requirements must be met before a license is granted

1. must be 18 years of age or older.
2. must be in good standing with the American Sighthound Field Association.
3. must have participated in lure field trials a minimum of three (3) consecutive years during which time the applicant has served at ten (10) or more ASFA field trials in the listed field capacities: field trial chairman, huntmaster, field trial secretary, field clerk, and/or lure operator).

Section 3. Granting Apprentice License

Prior to, or within 30 days following the first apprentice judging assignment, the applicant:

1. Must file the appropriate application for apprentice judge license with the ASFA Chair of Judges Licensing.
2. Pay applicable fees with application.
3. Will be provided with the link to the ASFA's Judges Handbook on the ASFA website.
4. Must successfully complete an ASFA test covering knowledge of the running rules and policies related to judging. The required performance level on the test will be 85%. There shall be 25 questions on the test randomly selected from a list of at least 35 questions covering judging rules and policies. An applicant shall be allowed to take the test three times; if the applicant does not meet the performance standard in three attempts, the applicant shall wait 6 months before taking the test again.

When the above requirements have been met, and upon receipt of this information, the Chair of Judges Licensing shall verify the application, and may grant the apprentice license no less than 30 days after publication of the application. The Chair of Judges Licensing shall publish the new apprentice judge's name twice on the ASFA website, and in any other method of publication as approved by the Board of Directors, as may be appropriate at the time.

Section 3 now 4. Pre-Licensing Requirements Granting Provisional License
(apprenticed status)

After successful completion of Section 3:

- a. ~~Any person who seeks a provisional license to judge must, in addition to fulfilling all of the general requirements of Chapter XI, Section 2, apprentice judge~~ all of the courses for a breed with a minimum of three entries:
 1. At a minimum of three trials, with a minimum period of 19 intervening days between the first and last trial, and
 2. Must judge under three different ASFA judges licensed for that breed.
 3. This minimum requirement must be met for five individual breeds.

The applicant shall judge at least an entire breed, scoring each and every hound running in every course of that breed. All such apprentice judging must be performed within the United States at an ASFA sanctioned event. Each of five breeds must be judged this minimum number of times before an apprentice is eligible for a provisional license.
- b. ~~The apprentice judge's sheets shall be accumulated~~ all judging forms and JUDGING CONFIRMATION STATEMENTS until the requirements have been completed. ~~including having each licensed judge fill out and sign an apprentice Judging statement as approved by the ASFA.~~
- c. ~~Prior to being granted a provisional license, the applicant must successfully complete a test provided by the ASFA, covering knowledge of the running rules. The required performance level on the test will be established by the Board. Individuals must apprentice judge under an ASFA breed licensed Judges who are is officially judging the breed for which they are the candidate is~~ apprenticing at the trial. There will be no more than one apprentice per licensed Judge on the field at any time.
- d. When the above requirements have been met, ~~the sheets judging forms and~~ JUDGING CONFIRMATION STATEMENTS, together with the completed application ~~form~~ and Request for Change in Judging Status form, shall be sent to the Chair of Judges Licensing to arrive within one year of the date last apprenticed. Upon receipt of this information, the Chair of Judges Licensing

shall verify the application, and may grant the provisional license no less than 30 days after publication of the application. The Chair of Judges Licensing and shall publish an applicant's a new judge's name twice on the website, and in any other method of publication as approved by the Board of Directors, as may be appropriate at the time.

- e. The Board, upon recommendation of the Chair of Judges Licensing, and no less than 30 days after second publication, with no negative comments or rules violations, shall approve the application for an Apprentice license and include the apprentice judge's name in the monthly judge's report sent to the Scheduling Chair and website for publication.

The ASFA Board of Directors may approve specific other field trial sanctioning organizations, judging at whose trials (as a licensed, or the equivalent, judge under that organization's rules) may be used in substitution for the apprenticing requirements indicated above. The Board may also indicate what class of events of such another organization shall be considered trials for the purposes of this chapter. For apprentice requirements fulfilled in this manner, rather than in addition to submitting judge's sheets and apprentice judging statements as indicated in (d) above, the applicant must submit the published results of the field trials of the other organization(s), showing the number of breeds and hounds judged. The combination of records submitted, for apprenticing at ASFA trials, and judging at other organization's trials, must meet the requirement given in paragraph (a) of judging each of five breeds at a minimum of three trials apiece. Applicants who satisfy apprentice requirements in this manner must also take and pass the ASFA judge's test before provisional status can be approved.

Section 4 now 5. Provisional Status (seeking regular license)

Provisional judging assignments shall not be counted toward licensing requirements unless the assignment was published in the premium list or the Judge was assigned to the breed to replace another Judge out of necessity. The provisional must still judge with a published ASFA licensed judge for that breed.

- (a) During the period for which a provisional license is granted, the applicant is free to accept judging assignments. (On all premium lists, announcements, flyers, and so forth, an asterisk preceding the judge's name shall denote provisional.) The provisional license encompasses all breeds, but at no time shall a person judge more than four breeds in addition to Singles stake and Limited Provisional breed stake, for which he is not regularly licensed at any one trial without special dispensation from the ASFA Judges Chair as stated in Section 8 of this chapter. In each planned case where a provisional or licensed judge is to judge more than four breeds provisionally at one trial, the respective Regional Director must write a letter of approval to the Scheduling Chair in advance of, or together with, the sample premium list. There will be no exception without such written dispensation. This provision applies both to Regional Invitationals and to standard trials.

- (b) Any person seeking a regular license for a breed must judge the performance of a minimum of five hounds in one stake or seven hounds in one breed for three breeds:

1. At a minimum of three trials
2. Under three or more different ASFA licensed judges

The provisional judge shall, on each occasion, present the ASFA licensed judge with ~~form (see sample)~~ a JUDGING CONFIRMATION STATEMENT, as approved

- by the ASFA, which the licensed judge completes, signs and returns to the provisional judge for mailing to the Chair of Judges Licensing. All such forms for a single breed must be dated within a three-year span of time. Provisional judges must be fully licensed for at least one breed within three years from the date of their provisional license or revert to Apprentice status.
- (c) When the above requirements have been met, the provisional judge shall notify the Chair of Judges Licensing in writing using the Request for Change in Judging Status form, listing each completed breed and assignments, accompanied by the JUDGING CONFIRMATION STATEMENTS ~~forms~~ signed by each licensed judge for each judging assignment.
- (d) The Board, upon recommendation of the Chair of Judges Licensing, and in no less than 30 days after second publication, with no negative comments or rules violations, shall determine if the applicant shall be granted a license for the breed or breeds for which the license is sought.
- (e) Upon completion of public comment period, the applicant's name will be published as an ASFA licensed judge for that breed(s) and sent to the Scheduling Chair in the monthly judge's report be included on the monthly judge's report sent to the Scheduling Chair and website for publication.
- (f) AKC licensed Judges who are currently in ASFA Provisional Status may use an AKC assignment, when judging with a fully licensed ASFA judge, where breed entries meet the entry requirements, to count towards that breed's license approval. The Provisional judge will be required to provide a signed ASFA JUDGING CONFIRMATION STATEMENT from the ASFA licensed judge and documentation supporting their assignment, and which includes the number of hounds in that breed judged on that day.

Section 5 6. Granting a Licenseing for Additional Breeds.

Any ASFA judge regularly licensed in at least three breeds may seek an additional breed by meeting the following requirements; ~~so long as those requirements are met, Singles stake shall also count as an additional breed.~~

- (a) Provisionally ~~judge provisionally~~ the breed or Singles stake for which the license is sought at no less than three trials with three different ASFA licensed judges. (Judging five hounds per stake is a requirement for the first three breeds only and does not apply to any breeds thereafter, or to Singles stake.)
- (b) ~~AKC licensed Judges who are currently in ASFA Provisional Status may use an AKC assignment, when judging with a fully licensed ASFA judge, where breed entries meet the entry requirements to count towards that breed's license approval. The Provisional judge will be required to provide a signed AMERICAN SIGHTHOUND FIELD ASSOCIATION JUDGING CONFIRMATION STATEMENT from the licensed judge and documentation supporting their assignment, and number of hounds in that breed judged on that~~ follow the procedure outlined in Section 5 (f) above.
- (c) When the ~~above~~ requirements of Section 6 (a) have been met, the provisional judge shall notify the Chair of Judges Licensing, ~~in writing, that a license for one or~~

1889 ~~more breeds is being sought~~ using the Request for Change in Judging Status form,
1890 listing each breed and assignment, accompanied by the Judging Confirmation
1891 Statement(s) for each judging assignment signed by the ASFA licensed judge.

1892 (d) The Board, upon recommendation of the Chair of Judges Licensing, and in no
1893 less than 30 days after publication the second publication, with no negative
1894 comments or rules violations, shall determine if the applicant shall be granted a
1895 license for the breed or breed for which the license is sought.

1896 (e) Upon completion of public comment period, the applicant's name will be
1897 published as a licensed judge for that breed(s) and the judge's name will be
1898 included in the monthly judge's report sent to the Scheduling Chair and website for
1899 publication.

1900 **Section 7. Granting All-Breed License**

1901 After approval of eight (8) breeds, the Provisional judge may apply for all-breed status
1902 using the Judge Change Status Request form. The Board, upon recommendation of
1903 the Chair of Judges Licensing, and no less than 30 days after second publication, with
1904 no negative comments or rules violations, shall determine if the applicant shall be
1905 granted an all-breed license. Upon completion of public comment period, the
1906 applicant's name will be published as an all-breed licensed judge and the judge's
1907 name will be included in the monthly judge's report sent to the Scheduling Chair and
1908 website for publication.

1909 **Section-6 8.** No person shall accept a fee for judging but may accept reimbursement
1910 from the host club to defray expenses.

1911 **Section-7 9.**

1912 (c) A judge whose license has lapsed for a period of 12 months or more may be
1913 reinstated upon request and payment of the application fee, if any. This may be
1914 waived by the Chair of Judges Licensing upon presentation of hardship, health,
1915 out of country or other valid reason. If the license was provisional prior to lapse,
1916 the judge must apprentice under a licensed judge at least once prior to
1917 reinstatement and all work toward a full license must be repeated. If the license
1918 was a regular license for a breed(s), the status will revert to provisional upon
1919 reinstatement and the judge will be required to repeat all requirements for a
1920 regular license including taking the judge's test.

1921 **Section 8 10.** In each case where a provisional or licensed judge is to judge more
1922 than four breeds provisionally at one trial, the respective Regional Director must write
1923 a letter of approval to the Scheduling Committee Chair in advance of, or together with,
1924 the sample premium list. There will be no exception without such written dispensation-

1925 **Section 9 11.** Two provisional judges may be scheduled to judge a breed, however,
1926 the assignment shall not count toward fulfilling the licensing requirements of either
1927 judge.

- 1928 **Section 10.** Provisional judges may judge Limited stake; however, the assignments
1929 shall not count toward fulfilling their licensing requirements.
- 1930 **Section 11.** Upon receipt of a written request from a judge licensed for eight breeds,
1931 the Chair shall grant a license for all breeds. The judge will be licensed for all breeds in
1932 no less than 30 days after publication
- 1933 **Section 12. (won't renumber)**
- 1934 **EFFECT:** refine the ASFA licensing of judges' requirements, processes, and procedures.

- 1937 **Scheduling Report – March 2022**
1938 *Audrey Silverstein, Chair*
- 1939 2021 was a challenging year. Several clubs canceled their trials because they lost their fields
1940 due to the Covid-19 restrictions which were beyond their control. Some clubs canceled
1941 because they were still afraid to be around each other!
- 1942 In Region 8, specifically in Littlestown, PA, they surpassed the previous year!! ASFA Lure
1943 Coursing thrived!!!
- 1944 Another topic I would like to discuss is the success of the LCI stakes! More clubs last year have
1945 added the LCI's.
- 1946 The number of trials increased compared to 2021. So far in 2022 the date requests have also
1947 increased!
- 1948 I am looking forward to the new website where I will be able to put in the updates to the
1949 schedule in a more timely basis.

- 1952 2021 was a quiet year in the Finance Lane. Actions taken previously to reduce Records'
1953 Expenses have worked. Not having an "in-person" Board Meeting last year saved us about
1954 \$9K.
- 1955 We started off with \$36,450.83 and ended up with \$61,541.44 for a net gain of \$25,090.61; a
1956 huge gain helped by two \$5,000 donations to ASFA. Trials and entries have picked up,
1957 recovering from the 2020 downturn due to COVID-19 restrictions.

2016 **Animal Advisory Committee Report – March 2022**

2017 *Vickie Jacobs, Chair*

2018 The Animal Advisory Committee has been busy this past year. 2021 was another record year for
2019 Government relations.

2020 It was a year that once again demonstrated that the greatest success comes from direct
2021 communication and local people. If it weren't for club members and local dog people that
2022 took the time to reach out to the elected officials, attend hearings and make a direct impact
2023 on legislation impacting dog owners these bills would have gone unnoticed.

2024 2021 may have been another record year for legislation introduced, but also resulted in dozens
2025 of legislation successes across the country due to people educating people about these bills.

2026 AKC Government Relations has been tracking more than 2,000 bills impacting dog ownership
2027 at the federal, state, and local levels. The COVID-19 outbreak and response has had a
2028 dramatic impact on legislatures and policymaking at all levels of government. Below are some
2029 highlights of pending legislation impacting dog ownership and dog owners' rights across the
2030 country.

2034 *Please share this alert with Legislative Liaisons, Club Members, and Responsible Dog Owners in*
2035 *Massachusetts.*

2036 Massachusetts [Senate Bill 885](#) and House Bill [1437](#), which protect dog owners in Massachusetts
2037 from housing and insurance breed discrimination, are scheduled for a virtual public hearing on
2038 Tuesday, October 12, 2021 before the Joint Committee on Housing at 11am.

2039 The COVID-19 pandemic threatened to alter housing arrangements for Massachusetts
2040 residents unable to pay their mortgage or rent. In response, Senator Anne Gobi and
2041 Representative David Rogers filed this companion legislation to ensure that residents would not
2042 encounter limitations on housing options based upon the breed, size, weight or appearance of
2043 dog owned. These bills would accomplish the following:

- 2044 • Block home-owners associations from prohibiting the keeping of certain types of dogs
2045 based on breed, size, weight or appearance;
2046 • Block state-aided public housing from prohibiting the keeping of certain types of dogs
2047 based on breed, size, weight or appearance; and
2048 • Prohibit companies offering homeowners or renters insurance coverage from refusing to
2049 issue, renew, cancel, or charge or impose an increased premium or rate, upon the
2050 keeping of a specific breed of dog upon the property.
2051 • Prevent hotels from objecting to the accommodation of dogs with owners during a
2052 declared state of emergency.

2053 The AKC supports this legislation, which will protect many responsible dog owners in
2054 Massachusetts from housing and insurance discrimination based solely on the dog's breed,
2055 size, weight or appearance.

2056 In the same way, the AKC believes that insurance companies should determine coverage of a
2057 dog-owning household based on the dog's deeds, not the dog's breed. Under breed specific

2058 rules, the list of regulated breeds or types could grow every year without ever addressing
 2059 irresponsible owners. If a dog is a well-behaved member of the household and the
 2060 community, there is no reason to deny housing or cancel coverage. In fact, dogs are a
 2061 natural alarm system whose bark may deter intruders and prevent theft.
 2062

 2064 are more effective, visit www.akcgr.org/bsl
 2065
 2066 To emphasize that not all legislation is always bad ; in December , 2021 a bill was introduced to
 2067 require licensees under the Animal Welfare Act to establish emergency/contingency plans in
 the event of a natural disaster.

 2070 [contingency-planning-finalized/](https://www.akc.org/legislative-alerts/akc-supported-aphis-rule-requiring-emergency-contingency-planning-finalized/)
 2071 [Yesterday](#), the United States Department of Agriculture's (USDA) Animal and Plant Health
 2072 Inspection Service (APHIS) announced the [final adoption of a rule](#), effective January 3, 2022,
 2073 that requires licensees under the federal Animal Welfare Act (AWA)—including
 2074 breeder/dealers, research facilities, intermediate handlers, and carriers—to establish
 2075 emergency/contingency plans in the event of a natural or manmade disaster or other business
 2076 interruption.
 2077
 2078 The rule requires regulated entities to:
 2079
 2080 • Create emergency contingency plans within 180 days after the effective date the rule
 2081 becomes final (i.e., July 5, 2022).
 2082 • Provide contingency training to their personnel within 60 days after the contingency
 plan is put in place
 2083
 2084 The American Kennel Club (AKC) believes USDA APHIS' adoption of this final rule is an
 2085 important and appropriate next step in helping protect both the dogs kept, and staff
 2086 employed by, regulated facilities. Emergency contingency planning can prevent loss of
 2087 animal life, reduce disaster recovery timeframes, better ensure continuity of regulated
 2088 businesses, and reassure the public that facilities have measures in place to safeguard animal
 2089 welfare during emergencies. [Click here](#) to read AKC's formal comment to USDA APHIS
 encouraging adoption of the final rule.
 2090
 2091 The American Kennel Club's (AKC) own [Care and Conditions of Dogs Policy](#) features
 2092 operations guidelines that state "Each kennel should maintain an emergency preparedness
 2093 plan adequate for the type of facility owned and breed(s) of dogs maintained therein." To
 2094 that end, entities regulated under the AWA that are also subject to AKC inspections have likely
 2095 already incurred any costs of implementing emergency contingency plans to be in
 compliance with AKC's Care and Conditions of Dogs Policy.

 2101 In addition to tracking and responding to legislative proposals, AKC Government Relations
 2102 addresses dog-related regulatory proposals from the U.S. federal government, all 50 states, and
 2103 the District of Columbia. AKC Government Relations (AKC GR) is currently tracking
 2104 approximately 750 regulatory proposals, the majority of which concern land use/hunting
 2105 regulations, tethering animals outside during events and those governing the practice of
 veterinary medicine. Click the link below to read highlights from this past month.

2121 **Convention Planner Report – March 2022**

2122 *Vickie Jacobs, Chair*

2123 As the ASFA Convention Planner I am assigned to find a location to hold the Annual
 2124 Convention of Delegates and Board Meeting once a year. Every year the Site Selection
 2125 Committee picks a city for me to set up the meetings. These cities are decided by one of three
 2126 areas in the United States. East Coast, Central States, and the West Coast.

2127 As the Convention Planner I look at the locations that are based on availability of good airline
 2128 connections and reasonable price hotels. Last year and this year the ASFA has had to go
 2129 virtual due to the Covid-19. You will not have to travel to this convention.

2130 If you are the ones interested in the welfare of ASFA then you need to attend to vote for the
 2131 new officers and board of ASFA. There are CRC changes, REC changes and Policies. You are
 2132 the ones who care about ASFA so you all need to participate and represent your Member
 2133 clubs. For a mere \$45 you can represent your club.

2134 2022 will be ASFA 50th Anniversary. We were scheduled to be on the West Coast. Once again,
 2135 due to covid, we will have a virtual convention. The first 5 Annual Convention of Delegates
 2136 were held on the West Coast. This is where ASFA held their first trials and Conventions.

2137 All registration information has been sent to the club delegates. All information may also be
 2138 found on the ASFA.org Special Events.

2139 Every year there are a few people who are confused about the Annual Convention of
 2140 Delegates. If you go to Article IV, Section 9 and 10 of the ASFA Constitution there is an
 2141 explanation of Club delegates and ACod delegates. In short you must pay a registration fee if
 2142 you want to attend the Convention. Whether you are a voting delegate, alternate or observer.
 2143 You also have to have a club to represent. This year being virtual the person who registered will
 2144 receive a convention packet with all issues to be discussed and voted on. Only those who are
 2145 registered for a Member Club can vote.

2146 **Constitutional Revision Committee Report – March 2022**

2147 *Ping Pirrung, Chair*

2148 The CRC Committee: Ping Pirrung, Chair; Jennifer Gysler, Scott Hurlburt, Russ Jacobs, and Leigh
 2149 Littleton. Thank you to each member for your insightful comments.

2150 CRC was charged by the Board to review Article IV CONVENTIONS, MEETINGS, DELEGATES and
 2151 VOTING; SECTION 5. The Board wanted to be able to schedule an online Board of Directors
 2152 Meetings with less than a 30 day notice.

Section 5. Board of Directors Meetings.

1. (a) The Board of Directors shall meet in person at least once each fiscal year at such time and place as may be designated by the Board of Directors. Notice of each such meeting shall be given by the Corresponding Secretary at least thirty (30) days prior to the date of the meeting. The quorum for such a meeting shall be a majority of the Board of Directors.
2. (b) The Board of Directors shall have the authority to conduct its affairs by mail. Questions to be voted upon submitted by the President or by one-third of the members of the Board shall be distributed to members of the Board by the Corresponding Secretary within three (3) days of receipt. Each member of the Board shall have fifteen (15) days from the date of mailing to send comments to the Corresponding Secretary. The Corresponding Secretary shall distribute such comments and a ballot to the Board members within three (3) days from the expiration of the period for comment. Each member of the Board shall then have fifteen (15) days from the date of mailing to return a marked ballot to the Corresponding Secretary. The Corresponding Secretary shall tally the ballots received and, if a majority of the members of the Board have responded, shall record the vote on the question and distribute the results to the members of the Board.
3. (c) The Board of Directors shall also have the authority to conduct its affairs via electronic meetings. Meetings held in this manner shall follow the ASFA Electronic Meetings Procedures, a Board policy found in the ASFA Administrative Policies.

CRC concluded because #3 states the board could hold electronic meetings there was no need for a change. The conclusion is that the 30-day notice refers to the in-person Board Meetings. Therefore, there is no need for a proposal to change Article IV.

Gary Forrester Award Report – March 2022

Kathryn Nelson, Chair

Gary Forrester was a founding member of the American Sighthound Field Association. He was known for his Afghan Hounds including Bandit, number one Sighthound 1976,1977, and 1978 as well as Piper LCM XII, number one Afghan 1984 -1987.

Gary served as President, first Vice President, second Vice President, Immediate Past President and on several internal committees. He was a leader on and off the field and an example for all.

The Gary Forrester Achievement Award was established in 1992 to honor his memory and to recognize the many who follow his path. Because of him and those of his time this year we are able to celebrate our Golden Anniversary. That's 50 years! We can be proud to be the original lure coursing club and still running.

Each year ASFA clubs are asked to recognize a member of their club and submit in writing why that member should be considered for the Gary Forrester Achievement Award. We know there are many people who deserve to be nominated. The nominee this year has dedicated countless hours to support ASFA and ASFA trials. Our trials and our sport are greatly improved because of his diligent innovation. Gary Forrester would be proud. That person will be announced at the ACoD.

I thank Dawn Gibas, Sean McMichael, and Michael Hussey, guidance from Dean Wright and all those who have helped in the past. We were asked to study the nominations each year and choose the person to receive the award.

I have had the honor to know these people. observing as ASFA grows. It is time for me to step aside so a new generation of enthusiastic lovers of this sport can step up. Thanks for the honor of being on this team.

Cover Letter for Records 101

So, we now have been following the new protocol for trial submissions for a year and the biggest problem is still missing FTE entries. For the most part it is because the owner did not mark the entry as such and the required copy of registration and certification (if required). I will continue to rely on each FTS to question each unfamiliar entry.

I would like to say a big Thank You to all the FTS who have responded quickly to my email for information.

Some suggestions:

When making your roll call sheet if you have any unfamiliar entries, mark their name and have the person(s) doing roll call direct owner to see FTS to confirm that is not a FTE.

If you have an FTE that did not bring all required information have them, email or fax directly to me. This will expedite your ability to submit the results instead of waiting for them.

It is helpful when you list the breed initials by the call name on the Single Record sheet. If one of entries are missing information, I now have a breed to search by.

If you plan to submit the results via email, please minimize the number of files you send and try to keep in the same order that you would always use to submit.

Please submit results as soon as you can. The quicker I have them the sooner I process and post results.

As always, please contact me should you have any question(s). Email is always the best way to reach me, but you can call me if you need an answer quickly. But if you do call, I typically do not pick up if I do not recognize the number so leave a message. I may be listening and will pick up immediately.

Records 101 (update 02/22)

Daily Requirement

- A completed copy of the FTS Report (example included) completed in entirety.
- Per capita sheet for each day.

Premiums

- An updated copy of the premium list is required only if there were any changes to the course plan or change to judge's panel. For changes to the judge's panel the Chair of Judge's must be notified of change and reason.
- Although it is not required a copy of premium is appreciated.

Entries that must be submitted with your trial results

- Entries for all hound(s) that are marked as FTE (First Time Entry). This must be accompanied by proof of registration (examples AKC, UKC or CKC) (Waived for NGA registered hounds & proof of certification if entered in a regular stake. This includes the Single Stake and the LCI stakes in respect to requiring the certification. If proof of certification has been waived, a copy of the signed waiver and proof of the title must be included.
- Entry forms that indicate a change in the information (titles, address, etc). If the change is in ownership an updated copy of registration reflecting said change must be attached.
- Entry forms that reflect that said hound is working off a dismissal.

Record Sheets

- All record sheets completed in entirety that includes the BIF sheet. All information needs to be legible and as accurate as possible.
- O-TRIALS15 When two judges are used, they shall be designated on the record sheet as Judge 1 and Judge 2, alphabetically by last name. This is for all judges whether Provisional or full judge.
- O-TRIALS04 The Field Clerk's name shall be indicated on each record sheet, but the Field Clerk's signature is not required.
- Per Ch V Sec 6 (g) hounds can no longer be left tied. There must be a runoff or a forfeit. The only tie that can stand is if it is the result of an error found during post trial review by the FTS which then a note must be attached explaining the problem.

- Any hound listed but did not run will need to have an acceptable reason (per the ASFA Running Rules) listed on the record sheet. If nothing is noted or it just says pulled, the hound will count for per capita. If an owner is unable to separate their hounds and decides to pull an entry there is no refund for this!
- On the Single sheet if you could list the breed with the call name it is helpful to me if there are questions.

Per Capita Sheet

- There must be a sheet completed for each day.
- If you are paying the fee by Paypal send it to treasurer@asfa.org. Put Paypal transaction ID on allotted space.

Additional Info

- Trial results can be submitted by email if you are able scan all record sheets, required FTS paperwork, all entries that are required to be submitted along with any required registration, certifications, etc that you need to send to Records into a file (suggestion is to put it all in a PDF file) and submit the payment via paypal.

The Regional Director is responsible to order the Rosettes and Medallions from the Awards Chairperson a minimum of 2 weeks prior to the trial. An estimate of the number of items required as close as possible is required. After the trial all remaining Rosettes and Medallions are to be returned to the Awards Chairperson within 2 weeks after the trial.

Most Frequent Records Errors

- 1. FTE entries not submitted, typically because owner has not marked as such.**
- 2. Incomplete Records sheets. Must have call name & registration number.**
- 3. Not marking forfeits, just marking the placement(s).**
- 4. Entry size is to be 5 1/2 X 8 1/2.**
- 5. Giving hounds placements that have not total 50% of possible combined score.**
- 6. Per capita difference between check submitted and my count. Without some sort of per capita break down I have nothing to try to figure out where the error might be.**

- **Organization of Trial Records for Submission *previously listed in the rulebook**

The following required items must be promptly sent to the Records Coordinator following each trial, indicated in Ch. VI:

1. Proper per capita fees made payable to the ASFA in USD. Current fee for each hound entered on the Record sheet which has not been excused as lame or in season at or prior to roll all. Only lame, in-season, hounds pulled due to change of judge/lure operator or hounds determined to have a breed disqualification are eligible for refund of the entry fee. **Ch. I Section 3** The record sheet should reflect the refund was given. All other hounds listed will count toward per-capita. Just writing PULLED is not acceptable and will be counted. All per capita fees shall be paid with a club check, certified check, money order or through an electronic funds transfer (EFT). Do not send cash or personal checks. If you use Paypal send to treasurer@asfa.org and mark on the per capita sheet.
2. A copy of the approved premium list only if there are any course plan changes or changes to the judging panel. A letter of explanation of these changes.
3. All record sheets for every course, including re-runs and runoffs if required. Notations of reasons why hounds who were entered did not run, e.g., absent, bitches in season, lame, dismissed, disqualified under the ASFA breed disqualifications, excused by the Field Trial Chairman, etc. filled out and written legibly.

The following must also be included:

1. Proof of registration, completed certification and entry forms for hounds entered for the first time.
2. Entry forms that include notations for hounds working off a dismissal.
3. Entry forms that include any indicated change of information (e.g. new titles, address change or change of ownership [changes to ownership require and updated copy of registration showing the change]).
4. Per Capita Report Sheet

The preferred order to use in organizing this material for submission is:

1. Per capita payment and worksheet showing entries for per capita. If submitted by EFT please mark the amount and date submitted on the worksheet.
2. Premium list if needed
3. Record Sheets in the alphabetical breed order: Best in Field/Event record sheet (filled out completely).
4. Any entries should be in the same alphabetical breed order.

Chapter VI Section 3: The host club shall maintain a completed set of all the records submitted for a period of one year following the lure field trial(s).

- **Filling in the Trial Record Sheets**

The record sheets must be completely and legibly filled out. This includes the complete names of the judges, the call names and registration numbers of the hounds, etc. If an entered hound is not competing, the reason should be entered on the record sheet, as should the reason for any excusal, dismissal, or disqualification. For tie runoffs, the blanket color and total score only should be entered in the "Runoff" column; similarly, for Best of Breed runs, enter only these items in the "BOB Runoff" column. This becomes even more important since not all entries will be submitted with the results.

Submission of Records

With the changes in regard to submission of trial info it will become even more important to have contact information for the FTS as with the limited information being submitted I have to rely on the FTS to make sure that I get the needed information. So, if you have an entry and you are not familiar with the hound or owner please confirm with said owner that the hound indeed was previously entered in ASFA. Since the only info that I will be getting is the registration number and the call name I foresee problems! If I have trouble getting in touch with the FTS this will delay results being entered and subsequently getting posted on the Web.

Point System

NUMBER OF HOUNDS COMPETING	1	2	3	4	5	6	7	8	9	10 or More
FIRST PLACE	4	8	12	16	20	24	28	32	36	40
SECOND PLACE	--	6	* 9	12	15	18	21	24	27	30
THIRD PLACE	--	--	6	8	10	12	14	16	18	20
FOURTH PLACE	--	--	--	4	5	6	7	8	9	10
NBQ (Next Best Qualified)	--	--	--	--	--	--	--	--	--	--

NBQ --receives no points

The winner of Best of Breed receives the higher number of points available from the Open, Field Champion or Veteran stake, but must defeat the winner of the other stake(s) in a run-off.

* Example: a hound places second in a stake/flight of 3 = 9 points.

Note: A hound must defeat a qualifying hound to count as a qualifying placement towards title requirements.

The hound winning BIF now gets 4 points for each hound that has competed in BIF in addition to the points earned in the regular stake up to a maximum of points.

A single entry in a stake, who defeats another hound to win Best of Breed, will earn a qualifying (competitive) first placement for defeating a qualifying hound. A single entry in a breed, awarded Best of Breed, will earn a first placement for winning Best in Field against a qualifying hound.
