39 2. New Business:

40 a. Please watch your e-mail for a Special Board Meeting to handle the upcoming
41 disciplinary hearing. Proposed dates: Monday July 7th, 2025 at 8pm Eastern –
42 Jennifer Gysler to advise Audrey Silverstein of the new date.

43 3. Old Business:

44 a. The 2023 II Budget analysis was to be sent to the ACoD delegates by April 30
45 (per motion). That has not yet occurred. Marilyn Standerford did her review,
46 Scott is doing his review. We have received a few inquiries on the status.

47 b. Additional financial owner on account. The policy is written. Scott Hurlbert is
48 sending it to Mary Frances Miller for the Policies Committee to act upon. Once
49 approved by the Policy Committee it can be approved by the Board and then
50 published.

51 c. Job Descriptions/Guidelines are due this meeting from all officers and committee
52 chairs. Please complete them and send them to Marilyn. She will send them to
53 the Board. They will need to be posted to inform the Fancy about the
54 committees etc.

55 d. ACoD Minutes need to be distributed to the Board and Committee Chairs to get
56 their "to do's" in place. The review is completed. Jennifer Gysler will send them
57 out.

58 e. Hall of Fame Certificates – Open discussion. Does anyone have a copy of the
59 certificate? We also need to recreate the EPA certificate per Jayme Jones. Gina

American Sighthound Field Association
Minutes of the June Session of the Board of Directors

Whritenour will inquire with prior winners to get a copy. Ben Broudeur has a Hall of Fame certificate and Ping Pirrung may have one as well. Marilyn Standerford will send Jayme Jones the logo and the wording for the EPA certificate. Re Hall of Fame, Dean Wright had a new logo created with a Comet and all of the new breeds. Ping Pirrung has a copy of the Gary Forrester award in digital format and will send it to Marilyn Standerford.

- f. Region 7 Director not yet appointed.
 - i. Scott Hurlbert needs contact information for the suggestions submitted. Please include the name, email and phone number and send to Scott Hurlbert if you know of any potential candidates.
- g. Any contact or response from Pat Spinazzola, Region 8? She was not active for any part of last year, ever. When asked why she was not at the Board meeting, she said she can't get on the BizList. Marilyn Standerford brought this up to Jennifer Gysler several times. Pat Spinazzola has two addresses on the BizList. Jennifer Gysler has reached out to her via the two email addresses we have for her.
- h. AKC status. Jennifer Gysler provides an update. Doug Ljungren's email is read to the Board. Terry Sayre indicated he would be meeting with Doug Ljungren and Caroline Murphy to discuss, this past Wednesday.
- i. 2025 II Budget – Scott Hurlbert and Ping Pirrung are working on updating the budget
- j. Programmer – we have an individual in mind and Phil Fullam is working on setting up an interview.
- k. Follow-up on previous suggestion to create a committee to review current Provisional Breeds to be submitted at the next ACoD for a vote for Full Recognition. Raised by Michele Bisbee. Per Jayme Jones there was a vote to send it back to CRC requesting what was meant to ensure it is consistent with the Bylaws. Jayme Jones is working with the Peruvian Inca Orchids and their plans. Ping Pirrung will check as to whether they needed to be a member club. It is Marilyn Standerford's memory that parent clubs need to be member clubs. When Sloughi's were recognized they were not an AKC recognized breed. Ping Pirrung will talk to Russ Jacobs about it to clarify, i.e. designation as a parent club vs. being a member club and holding trials. Per Michele Bisbee, the Magyars are interested in moving forward now that there are no numbers requirements. Ping Pirrung will follow up with CRC and check with Russ Jacobs on the requirements for the provisional breeds to apply for recognition. For those breeds that have a parent club, Jayme Jones would like the board to send them a letter about the rule change and request if they would like to move to full status. That would go through the corresponding secretary.

33 **2. Financials**

40

41 **3. Committee and Policy Updates**

- 42 • Committee Updates
43 • Recognition Committee for Lori Zorbaugh – Scott will reach out to the committee
44 members to select a chair.
45 • RD Updates. There is a new ASFA club in Region 9 per Gina Whritenour.
46 • Region 5: Per Marilyn Standerford Region 5 had their regional – it was in the
47 Communique - there will be a correction in the next issue regarding the winner.
48 • Region 7: The Peruvian Inca Orchid parent club is working towards becoming an affiliate
49 club and to be recognized as the parent club for the breed. The breed will be
50 recognized by the AKC in the near future. The club has asked that the breed be

- 51 changed from provisional to full status. Jayme Jones is assisting them with the process.
52 Marilyn Standerford suggests they work with Ping Pirrung. The ballot must be sent to all
53 member clubs to vote – each club has one vote – if they are not at ACoD they would still
54 have the right to vote. Ping Pirrung has no app for membership – Jayme Jones
55 confirmed this. Scott Hurlbert suggests referencing the Constitution. Jayme Jones
56 understands there was a letter sent from the parent club to the Corresponding Secretary
57 in the past month and she believes Ping Pirrung ended up receiving it.
- 58 • Updates from committees. Michele Bisbee asks about the clarification for the path to
59 becoming a provisional breed – this is being reviewed by CRC.
 - 60
 - 61 • Membership – SANE has done their trials and is now an affiliate club. Ping Pirrung has
62 received an inquiry from an IW club in NY and is waiting on additional information from
63 the PIOs as well. Renewal reminders will go out shortly.
 - 64
 - 65 • Jotform committee – Per Ping Pirrung, the committee has met and will have a report for
66 the March Board meeting. At this point, there does not appear to be a path for ASFA to
67 fund a jotform account for all of the member clubs. This is being reviewed further.
 - 68
 - 69 • EP Award – per Jayme Jones she will be requesting RDs to nominate clubs. One
70 nomination has already been received.
 - 71
 - 72 • Re Club awards – Marilyn Standerford found a logo and shared it at the meeting from a
73 Silver award which has the breeds in the logo which were approved as of 2017. Re the
74 Incentive Awards--Ping Pirrung found an award certificate with the comet logo of breeds
75 which was approved in 2001. Ping Pirrung will keep looking for additional logos and is
76 reviewing boxes of archives obtained from Dean Wright. Kathy Sanders has access to
77 some archives boxes as well.

78 4. Old Business:

- 79
- 80 • Selection of Region 7 RD. Patti Peterson (President of LEGGS) has agreed to finish out
81 the RD term. The other folks interested could run for RD when the term expires at the
82 end of 2026. **Motion by Marilyn Standerford** to accept Patti Peterson as the Region
83 7 RD for the remainder of the term. **Motion adopted.** Scott will notify Marilyn,
84 Jennifer and Scott of her email / contact information.
 - 85
 - 86 • Region 8 Director – Has not been attending meetings since the 2024 ACoD. Discussion
87 re finding a placement / interim RD. Scott Hurlbert will draft a letter to the Region 8
88 clubs and seek input on an RD. Region 8 has 2 board members (Ping Pirrung and Kathy
89 Sanders).

90 [Jennifer Gysler exits the meeting due to connectivity issues]

91

- 92 • Treasury – Sean McMichael has drafted a policy adding a second name on the club’s
93 account. Scott Hurlbert and Ping Pirrung will follow up with the Policy chair.
94
- 95 • AKC Status / Intra Organizational Committee: No changes on this. We intended to
96 reach back out in January to the AKC with a focus on judge’s training per direction from
97 the Board and the survey. Scott Hurlbert reached out to Doug Lundgren a few weeks
98 ago in regards to who wrote their database. Scott Hurlbert suggested we have a
99 meeting with Doug Lundgren in January to have further discussions and address rumors
100 that some in the AKC may be opposed to partnering with ASFA. We are keeping
101 communications open.
102
- 103 • Records Program Status – Scott Hurlbert requested a meeting and the committee met to
104 discuss the status of things. Per Phil Fullam, the potential candidate for the position had
105 some family issues and was not able to get started until recently. Per Cathy Sanderson
106 there has been some work done on the site. There have been no further updates from
107 Phil Fullam or Cathy Sanderson on this. Scott Hurlbert will reach out to Phil Fullam and
108 requested a report for the Board and for the ACoD. There has been limited movement.
109 Scott Hurlbert attempted to get bids from another website company. However, after
110 due diligence it was decided not to pursue a bid from the company.
111
- 112 • Scanning of FAN magazine – Per Marilyn Standerford this is in progress. Marilyn
113 Standerford is in the process of obtaining all of the archived files that Russ Jacobs has
114 and will bring them to her house for temporary storage. Discussion re retention of
115 records that pre-date 1993.

116 **5. New Business:**
117

- 118 • Invitationals Committee (RDs): – Reminder to review regional and international
119 invitationals policies regarding incorporating / clarifying singles and LCI, non-regular
120 stakes and provisional stakes. Scott Hurlbert asks this committee to try and get this
121 done before the ACoD.
122
- 123 • Board Meeting: Discussion re length of board meeting – 1 vs. 2 days – March 19-20 or
124 the weekend before – March 14-15. We will have an online and have a discussion with
125 the motion. Scott will present a motion on January 12 in this regard.
126
- 127 • Disciplinary Committee: Discussion re person who was disciplined by AKC which was
128 published in the Gazette recently. Greg contacted her about resigning her judging
129 license but has not heard back. The committee can investigate and determine if an
130 investigation is warranted. **Motion** by Jayme Jones to create a board committee to
131 review potential charges and determine if disciplinary action is warranted. **Motion**
132 **adopted.**

133 **Motion** by Jayme Jones to approve committee members – Ping Pirrung (chair), Jayme
134 Jones and Kathy Sanders. **Motion adopted.**

135
136 • Use of random draw at trial. Scott Hurlbert would like the parameters clarified as there
137 are questions about the random draw being random in the currently approved program
138 which costs \$10 per trial. The current policy pertains to random draw only –
139 operational policy 29. (“The use of computerized random draw programs at any asfa
140 sanctioned field trial must be a program approved by the IT committee, the ASFA board
141 and published on the ASFA website.”) (passed in 2020). Discussion re use of random
142 draw generator. Perhaps we can wordsmith the existing policy to forward to the policy
143 committee for review. This will be discussed further via email.

144
145 • Discussion re website improvement. Waiting on estimate for this from the webmaster.
146 Marilyn will follow up with her.

147
148 • ASFA II 2026: There is a location available – the board would be hosting. Oklahoma
149 property that can accommodate 2 fields. It has not been presented yet. It could be
150 done in October. Gina is trying to get an II in her region for 2027 or 2028.

151
152 **Motion** by Marilyn Standerford to adjourn at 650pm Eastern. **Motion adopted.**
