PAMINA (Shah ar-Rah, Pamina A) Carol - JC LCM
11/03/17 - 04/10/22

From the time I first saw Pamina she was always on the go. She loved and lived life to the fullest. This was evidenced by her actions as a pup - playing with her siblings both on the way to and on the training field. I introduced Pamina to coursing at the National when she was about six months old. She loved it from the start. She intensely and enthusiastically showed her prey drive each time she ran. She never wanted anything more than the bunny. Pamina's love of life, intensity and enthusiasm showed not only in her coursing, but also in all aspects of life. Pamina flew in heaven on 4/10/22. She will never be forgotten. — Dew & Jawn

And we welcome ASFA's new officers, including new President Phil Fullam, whose message is featured. We've included a very useful Brush-Up on the ASFA Point System from Lori Coulson, an update on ASFA's IT status by Kathy Sanders and Cathy Sanderson, our regular Judges Licensing reporting by Greg Breitbach, and a message from our new Past-President Dean Wright.

A special thank you to those who took a chance and agreed to advertise their Top 20 Dogs in this issue. All will receive Top 20 hats compliments of the Communique'. Finally, we note the passing of our good friend Vickie Jacobs, and also the sudden passing of Carol E. Smith's beloved Pamina.

LETTER FROM PRESIDENT PHIL FULLAM

It was with some trepidation that I accepted the nomination for President of the ASFA. There have been so many great past leaders of the ASFA over the past 50 years who have shaped and guided the organization and built it into what it is today. I am grateful for all their contributions and vision.

The ASFA has survived a very difficult time during the past decade with declining entries, hard-to-find coursing fields, aging membership, and of course COVID-19. It is a testament to the dedication of our clubs and their members that we have emerged strong and with a bright future.

The last four years have marked significant progress, such as stabilization of our finances, the contract for a workable new records program, and more importantly, an energy level within the Board of Directors that has made it exciting to be a part of the organization.

As incoming President, I want to continue the momentum of the Board of Directors, maintain the schedule of quarterly board meetings, support our committees, and ensure that we implement the new records program quickly. As has been pointed out by many people, we need to address the shrinking entry levels and the risks posed by the aging of our participants.

There is no magic bullet for the decline in entries. The competition for entries, and even for available weekends on which to hold events, has become fierce. In every part of the country, it is basically a given that our field trials will be on the same weekend as some other event, whether it is barn hunt, obedience, agility, or other fun events.

We are also in direct completion with the AKC and their field trials, CAT and Fast CAT events. Those events have saved many clubs from financial doom, generating positive cash flow, which in turn supports our field trials. We need to recognize the synergy

these events offer and build on it. Our own LCI program was developed to offer a better alternative to the AKC events. We need to continue to look at how we can offer better events with higher satisfaction levels for the competitors.

An area that has improved, but still needs significant work, is the rate at which we respond to change. Our current structure of the Constitution and Running Rules reflects a pace from past decades of slow change, of snail mail, and stability in the environment. The structure of our board meetings makes responding to basic problems slow and gives the appearance that the Board is not listening.

For those who do not know, for the board to pass a motion, the motion must first be submitted and receive 3 seconds, which can take up to 3 days, then there is a mandatory 5-day discussion period, followed by a 5-day voting period. Translation... it takes two weeks for the board to take action.

It is an honor to be the President of this organization, and I do pledge to do all I can to respect our history and traditions and provide a solid foundation for the ASFA to prosper and grow in our second 50 years of coursing.

Vickie Jacobs

June 14, 1957 - March 27, 2022

We are very sad to announce the loss of Vickie Jacobs, who was a dear friend to many in our sport and an important contributor to ASFA.

Vickie spent decades supporting ASFA. She was a highly respected all-breed judge. She chaired the ACoD Site Selection Committee, the ACoD Planning Committee, the Advisory Committee on Animals, and served on the Membership Committee for many years. Vickie was known for her dedicated, thorough, efficient and effective work for ASFA.

Vickie was also a passionate and very successful Basenji breeder. She bred many conformation and working champions under her kennel name Cynosure. Most recently, Vickie's Cynosure Basenji "GiGi" was inducted into the ASFA Hall of Fame by popular vote at the 2022 ACoD.

In addition to her work with ASFA, Vickie was an active member of the Lawrence Jayhawk Kennel Club, Heartland Coursing Association, and the Basenji Club of America. She was also an accomplished Tai Chi practitioner and teacher, and a passionate supporter of wildlife rescue and sanctuary.

We send our sincere condolences to Vickie's husband Russ Jacobs, to Vickie's family, and to her many friends. A funeral is scheduled for Friday, April 22nd in Topeka, Kansas. It is requested that memorial donations be sent to:

International Invitational

Committee Report by Kathy Nelson

The trivia question: What is the original recognized lure coursing club in the whole world?

The answer: The American Sighthound Field Association.

FIFTY years ago, a small group of people recognized just seven Sighthound breeds that began our sport. These seven breeds are still seen on our logo.

Lure coursing is now included in the AKC program and coursing clubs throughout the world. As we celebrate our golden anniversary, 50 years, the ASFA board invites you to the 44th running of the International Invitational and the second running of the LCI specialty. This event will be at the Aeronautical Field in Muncie Indiana. The LCI will be Oct21 and the II will be October 22-23,2022. As our sport has grown and evolved, now all dogs are offered an opportunity to run .

The Co-Chairs are Kathy Nelson, Dawn Gibas, and Greg Breitbach.

Our Field Trial Secretary is Katie Kaltenborn, with the direct assistance from Mary Francis Miller. Once again, they will use the electronic recording program LC-Soft written by Eddie Kominek. This program makes the FTS job much easier than the original paperwork.

Our lead lure operator is Jerry Slattery. We will run 3 fields with Mark Schubert and Scott Hurlbert each in charge of a field. Jerry's lure operating team will also include Dale Parks, Eddie Kominek, Matt Coughlin, Josie Haumont, Tom Golcher, Tom Cigolle, and Joe Shoemaker. Joe will bring equipment from Raisin River and MGA, and Jerry will bring equipment from GANG.

Our judges will be Kevin Carlson, Kent Standerford, Deann Britton, Jennifer Geisler, Claudia Miller, and Ping Pirung

Lead huntmaster is Wayne Olson. Kay Nierengarten is our experienced treasurer. Leah Hartlep will do the catalog. She did a great job last year! Sabrina Hiller-Wright will once again organize and arrange all the trophies. Katie will have the pre-trial paperwork completed when she arrives. We will organize field clerks for recording judges scores.

There will be a paddock for each of the three fields. The Aeronautic field complex has PA systems, tents and tables.

Photographer 1 is Mary Huff. Photographers 2 and 3 are still undecided. We are working with a food vendor. Camping will be available

WE STILL NEED:

Trophy Chair
Hospitality
Field Clerks

Inspection
Paddock Masters
Huntmasters

Ez-Ups
Sanitation Crew
Auction & Basket Fundraiser

We encourage and welcome you to help in any way you can.

The premium list will be released as soon as we get all the pieces in place.

See you in Muncie.

The Hall of Fame also honors those persons who have donated a great part of their time and energy to improve and promote the sport of lure coursing for sighthounds. Since its inception, the sport of lure coursing has continually evolved. That evolution has taken place through the vision and energy of people who deserve to be honored for their efforts on behalf of the sport. It is to us to honor those individuals who have given their time and energy to make lure coursing what it is today. Their commitment serves as an inspiration to those who would, in turn, take the sport to greater heights.

Isha

ISHQ OF SYNERGON

2021 #4 ASFA Afghan Hound

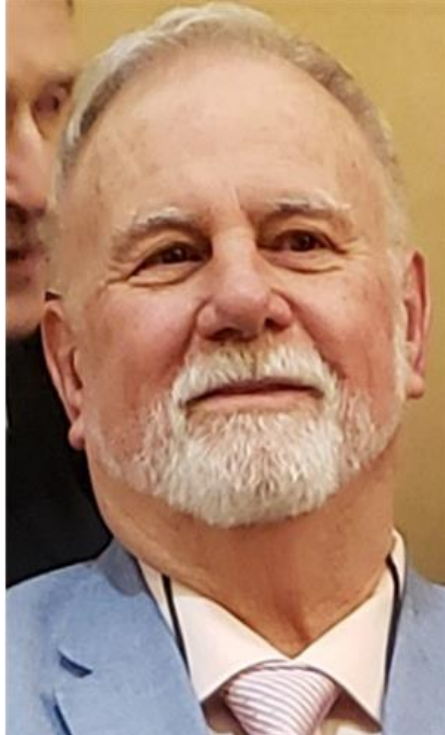

2021 #1 Open Field Coursing Afghan Hound

Isha is an all-around great bitch, with excellent size, soundness, endurance, and toughness. Isha runs sparingly, and mostly in Open Field Coursing, except for her occasional ventures into lure coursing.

In addition to her own accomplishments, Isha is the Dam of a very young and promising litter. Her daughter Lagertha finished 2021 as the #1 LGRA, #2 NOTRA, and #14 ASFA Afghan Hound. Isha's daughter Luka also finished 2021 in the LGRA Top 20. Another of Isha's daughters is learning to hunt with birds of prey.

Some of Isha's kids are in Europe. Her daughter Liwa has won trials in Austria and Italy, including a Best in Event in Italy. The male Lamu is showing promise in Holland. The entire litter is athletic and faster than I thought they would be. And they are good looking and strong. Most importantly, they are all confident and have great character.

A second Isha litter is planned for 2022.

Last year I wished for an end to COVID-19. It did not happen. We did learn more about it, and they developed a vaccine and a booster. We are now asked to receive a second booster. COVID-19 seems under control, and we seem to be back to normal.

I would like to thank the ASFA officers over the last four years for helping me make sound decisions. I used all of the following people as a sounding board, and they really did help me in my decision making! They are:

I sincerely THANK each of you for helping me !

We had the 2022 ACoD on March 19-20th. We went virtual and had quite a turn out for both days. We accomplished quite a bit. The minutes will follow.

Next year's ACoD is scheduled for March 18-19, 2023. It will be in person, and held at the Four Points Sheraton Kansas City Airport. I hope that all or most of the ASFA clubs will send two representatives. I am looking forward to getting together with everyone again face-to-face.

The 2022 International Invitational has been approved for October, It will be held in Muncie, Indiana and will be hosted by the ASFA.

The IT Committee has a signed contract with Eddie Kominek to create a web based records program that will improve the handling and management of ASFA trial records.

The LCI program was approved at this year's ACOD. The LCI competitors really enjoy coursing and their owners have pitched in and helped as well as joining our clubs.

Financially, 2021 was a much better year for ASFA. ASFA's earnings exceeded what we had expected and budgeted for.

With great enthusiasm I welcome my upcoming year as your past president. Serving as your President has been enjoyable, but a much harder job than I had anticipated. I am looking really looking forward to working with Phil for the next year as the Past President.

Hopefully 2022 will be a great year!

Thank You,

Dean

JUDGES LICENSING REPORT – March 2022

This report is submitted by the Chair of Judges Licensing and is current as of 3/25/2022

=====

Notes from Judges Licensing:

The ACoD approved the new language for Chapter XI of the running rules. This included testing all current judges on the rules and policies. This will take effect August 1, 2022. All judges should verify their email address on the judges list so that they will receive the test when it starts being distributed. Not all judges will receive the test at the same time. It will be staggered to eliminate a rush of work on the Chair of Licensing. I will provide the new chapter in next month's report. This month has the judges on the 2 year no judging list and the number of dogs each judge scored last year. I am identifying the process by which applicants for apprentice license can use the ASFA PayPal account. Should have that completed next month.

IT COMMITTEE Report

Cathy Sanderson, Chair

As you may know, ASFA began working with a software company in 2017 to develop an online version of our record keeping software. Despite our best efforts, that software company was unable to deliver a working software system to us. Accordingly, we've moved on.

We are now working with Eddie Kominek, with a development plan that is composed of 4 stages, each taking 6 to 8 months. The first priority is to replace the record keeping system that has been cobbled together for the past decade. The new structure will better handle the LCI program and allow for expansion and changes as needed. Eddie

is using a programming system called Laravel which is a powerful open-source framework based on PHP. I don't want to bore everyone with the geeky tech stuff. If you want to discuss details, please contact Eddie or me. However, rest assured that Eddie is using standard Laravel procedures and practices to ensure that any other Laravel programmer could read and understand the code that he is writing.

The ultimate goal of this project is to have:

- All ASFA's trial records online and accessible by dog owners on a searchable website
- Trial results can be submitted electronically by the FTS
- The ASFA website will be updated by designated committee chairs.
- Make available payment processor so that clubs can take online entries if they wish.
- Mobile friendly
- Searchable rules and policies

So far Eddie has changed the structure of the tables and program structure significantly from the old MS Access system. This is important because it will allow for flexibility and future improvements. There is a lot of testing to do to ensure that the old data behaves as expected when the data is reported. This first stage of work is the hardest and most important since it will provide the framework for the rest of the development. Also, the system is being developed to work with LCSOft, which is the only computer program that ASFA accepts to do random draws.

RECORDS COMMITTEE Report

Kathy Sanders, Chair

A lot of progress has been made regarding the records program since ASFA and Eddie Kominek have entered into a contract for a new records program. Each of the 4 Phases to the plan has clear acceptance points and deliverables, with an anticipated 6 to 8 months to complete. We are excited to see a clear path to completion and

have all the confidence that Eddie Kominek can provide the new records program that ASFA needs. Eddie set out the 4 phases in detail at the ACoD, as follows:

Phase 1 – Records Program & Website Update

- More user friendly design utilizing an established CMS such as loomla
- All the existing static information and pages
- Import & convert the historical data
- Records Coordinator access and data entry
- All the reporting functions that exist now
- Recode results pages (Top 20, Lifetime, Trial Results, Hound Records, etc.) on the website to be dynamically generated
- Administrator access limited to web admins and Records Coordinator
- File management and upload capabilities
- Simple Trial Date Request Form with email notification, to be replaced later

Timeline: 6-8 months

Phase 2 – Administrative Improvements

- Officers & Board logins and access
- Administration Guide
- Judging Coordinator access for online judges directory
- FTS Results Submission (PDF Scoresheet Scans, non-automated)
- Store Overhaul
- Blog Section

Timeline: 6-8 months

Phase 3 – User Experience Improvements

- Public facing enhancements
- Personal logins for users
- Ability to “add” hounds to personal accounts
- Club logins, trial ownership and management, results submission
- Trial Date Request queue and approval
- Online Entry System generating CSV files (currently consumable by LCSoft)
- Streamlining Records Coordinator approval
- Paper trial records submission fee

Timeline: 6-8 months

Phase 4 – Club Experience Improvements

- LCSoft Improvements
 - Online connectivity
 - In-program result submission
 - Entries download
 - Real-time results pages accessible on the ASFA website (unofficial)
- Trial date planning and calendar improvements
- AKC registration web service utilization

Timeline: 6-8 months

LURE COURSING HALL OF FAME

hounds

Basenji **GiGi**

Cynosure Go Getter LCM5
Owned by Charlie Denslow

(continued from page 16)

GiGi was an outstanding representative of the breed. Over her coursing career she defeated 584 dogs, won 35 BOBs, and 2 BIFs. She currently sits at #10 on ASFA's Lifetime Top 20. She was ranked as Basenji #6 in 1996, #1 in 1997, #8 in 1998, and #3 in 1999. She was a multiple Best in Field winner and the second LCM 4 Basenji ever. In 1997 when GiGi was the #1 Basenji, she had the all-time record of 230 Bowen Points. She spent fewer days on the coursing field in 1998 going for Bench Championship majors and agility. Even then she was #3 in 1999 and received her LCM 4. GiGi continued coursing and received her LCM 5. GiGi won the Open Tri Class at the 1997 BCOA National Specialty.

Gigi was bred by Vickie Jacobs
(Ch Cynosure Diane LCM x
AM/Can Ch DC Select Information FCh).

Gigi was whelped on 12-22-1994
and ran in her final trial on 9-5-2004.

LURE COURSING HALL OF FAME *hounds*

Rhodesian Ridgeback **NITRO**

BIF, DC Rare Earth Top Fuel Eliminator
LCM 7, VLCM4, GRC, JOR, MC, CD,
CGC, HIC, TT, TDI, VC
Owned by Gayle A & Paul Kytta II

(continued from page 16)

Nitro was always the gentleman, both on and off the field and could be trusted to run with any dog. His signature shredding of bags at the end of a course, or at a broken course, was to the dismay of many a huntmaster. He started his running career in LGRA and began coursing at two years old in 2007. Nitro ran in 387 ASFA trials and in just enough AKC trials to earn his DC and MC titles. At 80 pounds and 25" tall, he had the speed and agility to run with most of the fastest female RRs of his time. Although difficult to get to the line as a youngster, he soon became all business, saving his energy for the field and standing perfectly still at the line until the "Tally Ho!". Nitro remained competitive into his veteran years, ranking in the Top Ten ASFA RRs every year he ran, except for 2016, the year in which he retired in July. He was also in the RRCUS Combined Top Twenty every year he ran except for 2016, with three of those years in the Top Ten. He was also the perfect Certification dog, as nothing could distract him from the bunnies. Nitro is one of only four RRs, and the only male, to attain an LCM7 or higher and the only RR to attain a VLCM4. Nitro earned the RRCUS Versatility Certificate by titling in conformation, coursing, racing, obedience, and with participation in herding and therapy dog work.

Nitro is the #2 ASFA Lifetime RR. He is tied with his kennel mate, Voodoo. Nitro defeated 1063 dogs, and earned 49 BOBs and 1 BIF. He is the highest ranked male RR in ASFA history. In 2007, Nitro was #2 ASFA RR, #1 LGRA RR, #5 RRCUS Combined (ASFA + AKC Bowen Pts). From 2008-2015 he earned the following placements:

2008: #2 ASFA RR, #9 RRCUS Combined
2009: #2 ASFA RR, #11 RRCUS Combined
2010: #1 ASFA RR, #2 RRCUS Combined
2011: #6 ASFA RR, #16 RRCUS Combined
2012: #5 ASFA RR, #14 RRCUS Combined
2013: #7 ASFA RR, #18 RRCUS Combined
2014: #4 ASFA RR, #11 RRCUS Combined
2015: #4 ASFA RR, #17 RRCUS Combined

Nitro was bred by Megan Willis-Redfern
(DC Paradigm Aristos By Ridgelea, SC x
Ch Rare Earth's Circuit Breaker, LCM4, VFCH, JC).
He was whelped on 3-20-2005.
He ran his last trial on 7-4-2016.

LURE COURSING HALL OF FAME *hounds*

Irish Wolfhound **FINNEGAN**

Stoneybrook Finn's Mischief
LCM2, CD, JOR, TT
Owned by Karen Frederick &
Michael Ferris

(continued from page 16)

The very first time Finnegan saw a plastic bag on a coursing field, he was 5 months old. I had seen a flyer for a coursing practice for a club forming locally. The field was set up in a park that was close to the Meramec River. We didn't know any better and let this puppy run the entire course. The interesting part was that the 1993 Midwest Flood was just beginning to flood the field and this puppy ran through the water at the back of the course without an issue. The water was beginning to back up from the overflowing Mississippi River.

Finnegan began his relatively short lure coursing career at Crown Point, Indiana on April 30, 1994 – back in the days before certification runs were required. He was never the fastest Wolfhound on the fields, but I doubt whether there were many that were more determined to catch that plastic bag and shred it. Finnegan competed for four years and was in the breed's Top Twenty every year. What makes Finnegan different is that he was a dog in a breed when the bitches are more successful. Finnegan was been the only Irish Wolfhound dog to ever earn an LCM2 title. His last competitive run was at the 1998 International Invitational in Kentucky as he battled lymphoma. He retired as the #6 Lifetime Irish Wolfhound, but has currently dropped back to #12.

LC Record 1996 BoB Region 6 Invitational, 1997 BOB Region 5 Invitational, 1996 #1 Irish Wolfhound in NOTRA. First IW to earn a JOR (Junior Oval Racing) Title. 1994 #16 in ASFA, 1995 #2 in ASFA, 1996 #3 in ASFA, 1997 #4 in ASFA.

Finnegan was bred by Lynn & Judy Simon (Stoneybrook Kaos x Stoneybrook Mayhem). He was whelped on January 2, 1993. Finnegan ran in his last trial on June 7, 1998.

LURE COURSING HALL OF FAME *persons*

The Hall of Fame also honors those persons who have donated a great part of their time and energy to improve and promote the sport of lure coursing for sighthounds. Since its inception, the sport of lure coursing has continually evolved. That evolution has taken place through the vision and energy of people who deserve to be honored for their efforts on behalf of the sport. It is to us to honor those individuals who have given their time and energy to make lure coursing what it is today. Their commitment serves as an inspiration to those who would, in turn, take the sport to greater heights.

NANCY OLIVER

is the Hall of Fame Individual Inductee

(Continued from page 17).

ASFA was established in California 1972. Nancy Oliver was among the originators, along with Lyle Gillette (the "ASFA creator"), Mike Oliver (Nancy's husband), Tom and Betz Leone, Betty Blalock, Bud Pine, and others. Nancy Oliver became the ASFA Secretary-Treasurer (1972 – 1973), FAN Editor (1972-1973), and Scheduling Coordinator (original 1972-197?). In Sept 72, Nancy Oliver and Barbara Ortman developed a logo (ASFA's second logo) which succeeded the unofficial logo that had appeared on the June 72 rule book. Their logo appeared on all ASFA Rules, the FAN cover, the Field Champion certificates, and was the official logo of ASFA.

Nancy Oliver also became the Corresponding Secretary (1976-1977). She was very instrumental in developing the original trial forms for Field Trial Secretaries to use and Records Coordinator to use.

Nancy Oliver was one of ASFA's first judges.

Nancy Oliver also helped spread "the word" about ASFA beyond California. She traveled and came as far East as Colorado a number of times in the early years to ran her dogs in Colorado's Grand National.

Unfortunately, we do not have a photo of Nancy Oliver or of her ASFA loga. But if anyone out there has any photos, we would be so appreciative if you could please share them with us.

GARY FORRESTER ACHIEVEMENT AWARD

(continued from page 17)

JOE SHOEMAKER

Joe began coursing around 13 years ago with his Whippet "Phoebe". The lure coursing bug got him, and he and his wife Caren added more Whippets to their household and coursed them to many titles. I think they even moved into a new house for the dogs.

Along the way Joe became enamored with the sport of lure coursing and learned all aspects of working at and hosting a field trial. He has held all positions during a field trial from paddock to huntmaster to lure operator to field trial secretary to field trial chairman. He was named Lure Operator of the Year in 2018 by the Lure Coursing Judges Association (LCJA).

When Joe shows up at a field trial, he steps out of his vehicle ready to help. He comes early and stays late even though he has a long drive home on a Sunday. He is always willing to help in any way he can. He is always willing to share his "tricks of the trade" and will take the time to show anyone interested, how it works.

In 2009, he was Vice President of Michigan Gazehound Association (MGA) and became president a few months later when the then president resigned. He also was the chair of lure coursing for the Raisin River Rhodesian

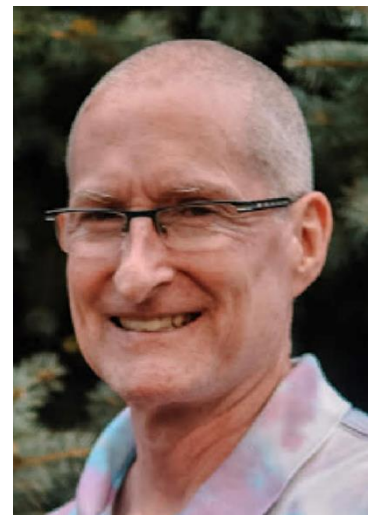

Ridgeback Club of Michigan for several years even though he has never owned a Ridgeback. He has also been an integral part of the American Whippet Club's ASFA lure coursing program.

Joe has been an integral part of many ASFA lls working with the Tri-State Sighthound Club and Michigan Gazehound Association in various roles a co-FTC, lure operator, and Treasurer for the events. He has also been the FTC for numerous American Whippet Club Specialties. He has amazing organizational skills that makes such a big undertaking run smoothly. His even temper and wry sense of humor goes such a long way to keep things on an even keel when personal feelings have surfaced. Joe has a way of communicating with people that is naturally kind and does not elicit confrontation or make a person feel as though they are being lectured to or that they do not know what they are doing. He is right there ready to help the novice coursing enthusiasts as well as the seasoned and experienced lure courser.

When Ping Pirrung was President of the ASFA, the current recording secretary was unable to attend the Board meeting and the ACoD. Ping asked Joe if he would be willing to fill in, which he graciously did and was subsequently elected to the ASFA Board as the Recording Secretary. During his tenure as Recording Secretary he created a streamlined system for taking minutes for both the Board Meeting and the ACoD. This resulted in the minutes being available to the Minutes Review Committee within 24 to 48 hours versus the weeks it used to take to transcribe the minutes.

Gary Forrester was a man that was always willing to share his knowledge, discuss your ideas as well as help guide newcomers learning the thrill of lure coursing. The Tri-State Sighthound Club feels Joe embodies in his heart Gary's contributions to the sport of lure coursing, dedication and philosophy. Joe Shoemaker is a giver and is more than deserving of the Gary Forrester award that exemplifies all his selfless efforts over the years. — *Ping Pirrung*

Joe Shoemaker has served as the ASFA Recording Secretary from 2015-2018; President of the Michigan Gazehound Association from 2009–present; ASFA International Invitational Field Trial Co-Chair from 2013 & 2017; American Whippet Club National Specialty Field Trial Chair 2012 – 2017; Midwest Whippet Specialty Field Trial Chair in 2016; and Raisin River Rhodesian Ridgeback Club of Michigan Lure Coursing Chair.

PAMINA

Shahanshah Pamina Al Qadim JC LCM
11/03/17 - 04/10/22

From the time I first saw Pamina she was always on the go. She loved and lived life to the fullest. This was evidenced by her actions as a pup - playing with her siblings both on the way to and on the coursing field. I introduced Pamina to coursing at the National when she was about six months old. She loved it from the start. She intensely and enthusiastically showed her prey drive each time she ran. She never wanted anything more than the bunny. Pamina's love of life, intensity and enthusiasm showed not only in her coursing, but also in all aspects of life. Pamina flew to heaven on 4/10/22. She will never be forgotten. — Carol E. Smith
