# President’s Report

## January 2022

*Together we are improving our ASFA*

This is my final report to you as President of ASFA. My term will end upon the election of the next president at the ACoD in March. Being the President of ASFA has been a great honor as well as a lot of hard work. It has been rewarding, difficult at times, challenging, and in the end, it has been the experience of a lifetime. When my term is complete, I will do my best to support the new president, officers, and board in my role as past president and beyond.

I became president in the pre-COVID-19 world, never dreaming that my tasks would include navigating ASFA through a pandemic that is now in its 3<sup>rd</sup> year. We made adjustments, incorporated new technologies, improved our communication, moved forward financially, and remained positive as we continued to work toward our goals. I would like to thank the ASFA Officers, Regional Directors, the committees, and absolutely everyone who has contributed their time and energy. There is no way that we could have accomplished so much without your hard work.

I hope that as many clubs as possible will send voting representatives to the virtual ACoD on March 19-20. In addition to the officer elections and many other agenda items, the highly successful LCI Program will receive a final vote for full recognition.

Thank you all for giving me the opportunity to serve as your ASFA President. I appreciate the support you have always given me, and I encourage you to extend that same support to ASFA’s next president, officers, and board. May 2022 be a great year!

## Enter the ASFA 50<sup>th</sup> Anniversary Slogan Contest

Win a prize and our unending gratitude

"Fifty is Nifty!" . . .Yep, that's a pretty lame slogan for ASFA's 50<sup>th</sup> year in existence. That's why we're having a contest to come up with something better.

We know we've got a lot of creative and talented people out there, so here's your chance to put your imagination to work. We're looking for a slogan to be incorporated around or into a commemorative logo. So, it shouldn't be too long, maybe four to six words maximum.

Submit your entries to Gayle Kytta at [Reg6Dir@asfa.org](mailto:Reg6Dir@asfa.org) by February 28, 2022. The winner will be announced at this year's ACoD and will receive our unending gratitude and an exciting prize. I am looking forward to reading all your submissions!

**Background - ASFA History:** For those that are not aware, lure coursing was developed in the early 1970s by Lyle Gillette and other California sighthound fanciers who hunted jackrabbits in the open field. Since there were many hazards such as barbed wire fencing, they established lure coursing as a safer, more controlled sport. Their hope was to recreate the physical requirements of open field coursing, allowing them to continue testing the functional abilities of their sighthounds. In 1972, they formed the American Sighthound Field Association (ASFA).

## ASFA Club Delegate Responsibilities

*From Ping Pirrung  
Membership Committee Chair*

The club's delegate is the link recognized clubs have to the ASFA and it is a two-way street. If a club has questions or problems, they can communicate with the ASFA Board via the ASFA Corresponding Secretary. Primarily the club's delegate receives and distributes to the club important ASFA correspondence. This correspondence comes primarily from ASFA's Corresponding Secretary. The Club Delegates also receive the ASFA Communiqué. The delegate is listed on the ASFA website as the contact for the club, so persons seeking information about field trials in their area can contact the club for further information.

On rare occasions member clubs are asked to vote on the acceptance of a breed applying for full recognition. If there is no delegate at the Annual Convention of Delegates (ACoD) where the vote is taken, the club sends in an absentee ballot. The clubs also send delegate(s) to represent the club at the ACoD, however the ACoD delegate does not have to be the same person that is listed as the club's delegate by the membership committee. Below is a list of the duties.

### ***The ASFA Club Delegate:***

1. Must receive all ASFA communication and the ASFA Communiqué. Subsequently this information is distributed to the club's board and membership. The club decides how this information is passed along to the membership. It is important to maintain this information so that it can be passed along to the next club delegate.
2. Helps with their club's annual renewal process. Reminders of dues are sent to the club delegate and it's their responsibility to ensure this information is passed along to the club and the officer(s) who will complete the form so the dues and form can be received by the membership chair in a timely fashion. Additionally, the club delegate needs to follow up to ensure the club's membership status with the ASFA.

3. Responds to elections which require a vote by the clubs, such as RD elections or any other issue that requires votes from the clubs to be handled promptly by the club's delegate. These votes must reflect the majority opinion of club members.
4. Are encouraged to attend the Annual Convention of Delegates (ACoD), although the club may send another club member(s) to the ACoD.

Each of the ASFA clubs has their own concept of the duties of their elected delegate to ASFA, and ASFA has no intention of interfering with the internal affairs of the ASFA recognized clubs. At the same time the clubs are free to add to these responsibilities. A club may change its delegate at any time by submitting written notification to the ASFA Membership Chair. The form can be found on the ASFA website or by contacting the ASFA Membership Chair.

# Annual Convention of Delegates (ACoD) Planning Committee Report

by Vickie Jacobs, Chair, Ping Pirrung & Cathy Sanderson

This is the time for clubs to select their Convention Delegates. The convention will be held virtually by Zoom on March 19-20th, 2022. It would be great to see every ASFA member club represented at the convention in honor of ASFA's 50<sup>th</sup> Anniversary.

## **What to Expect at the Convention**

We will be voting for ASFA's new officers, including one contested office. There will be voting for full recognition of the LCI Program. There will be committee reports, which may include rule changes or constitution changes. Business can also be presented for voting from the floor of the convention.

*But the convention is not all business.* There will be a special surprise for those who register. And socially interactive fun events are in the planning. Convention information will be distributed to those who register shortly before the event. And you can watch the ASFA website for updates at <https://www.asfa.org/acod/2022/index.html>

## **Member Clubs, Convention Delegates, and Observers**

Each member club is entitled to send two voting Convention Delegates to the ACoD. Convention Delegates need not be the club's regular ASFA Delegates. Convention Delegates need not be members of the club they represent. But they are obligated to disseminate convention information from the ACoD to the club following the convention. No Convention Delegate may cast more than one ballot on any convention vote.

A Convention Observer is a person without voting privileges who has paid their \$45 convention fee. A voting Convention Delegate may also represent other clubs as a non-voting Observer, provided that a convention fee has been paid for each club represented as either a voting Convention Delegate or as a non-voting Observer.

### **Additional Information is on the Website**

You can find detailed information - which will be updated periodically - on the ASFA website. Just open the drop-down “Special Events” heading and click on “ACOD 2022” or you can use this link <https://www.asfa.org/acod/2022/index.html>

### **How to Register**

You can register directly on the website, or you can download a hard copy of the registration form to mail in. You can pay the registration fee by PayPal or check. We have included the hard copy version of the registration form on the following page for your convenience. All the registration information, including registration forms, can be found on the ASFA website at <https://www.asfa.org/acod/2022/index.html>

### **Technical Tips**

We will be using Zoom as our virtual platform. You will need a good internet connection. A webcam and microphone are optional and only needed if you intend to speak at some point. One way to save bandwidth to improve your internet connection is to NOT use your webcam. It is also suggested that other family members refrain from streaming videos while you are attending the Zoom meeting.

Cathy Sanderson will schedule several evening practice sessions during the week before the event. Please direct your technical questions to Cathy Sanderson at [asfa.cathysanderson@gmail.com](mailto:asfa.cathysanderson@gmail.com) or 705-380-5308 (Canadian phone number).

# Convention Site Selection

## Committee Report *Vickie Jacobs, Co-Chair*

*Note: The ACoD Site Selection Committee selects locations for the Annual Convention of Delegates. The convention site normally rotates from the East Coast, Central, and West Coast each year. It is our goal to select sites starting two years out from the current convention date, to consider the cities and possibly hotels suggested by club representatives and board members, and to inform the Convention Planner of our selections.*

### 2022

The ACoD will be held virtually this year - and so the site will be wherever you and your computer are located! Information about this year's ACoD can be found in the Annual Convention Planning Committee Report on page 10-12.

### 2023

An in-person ACoD is planned for 2023. We have a signed contract with the Four Points Sheraton Kansas City Airport. The dates are March 18-19, 2023. Rooms will be \$99 a night.

### 2024

For 2024 we plan to return to the East Coast. The venue has not yet been determined.

# INTRODUCING THE 2022 BOARD OFFICER CANDIDATES

## Phil Fullam Candidate for President

For the past 5+ years I have served on the BOD of ASFA, initially as the First Vice President and then as the CFO. This has been a learning experience, and I am grateful to all the other Board members, past and present that have helped me understand the inner workings of ASFA. It has also been a humbling experience, seeing how hard both the board and committees work to support ASFA, maintain and keep it vital. I have tried to give back to ASFA for the many years that I have benefited from the organization, its events and all the people who have gone before me.

About four years ago I retired from my day job and enjoyed several years of travel and freedom to attend dog events all across the country. Two years ago, my ex-employer asked me to come back and run the company on a temporary bases as they looked for a long-term President/CEO. The very short-term agreement was extended, and I accepted the position as company president while we reorganized and continued to search for a permanent replacement. I anticipate that my status will transition into a part time effort sometime next year.

As many of you know, I started in lure coursing back in 1977, and became a judge in 1982. Since 2014 I have been the president of Lobo Lure Coursing Club of Albuquerque NM. Several years ago, I was invited to learn how to judge open field. In addition to judging, I have lure operated, and helped set up and tear down events, even filling in as Hunt Master and other tasks as needed. I am not a breeder, but a strong supporter of my breed, Irish Wolfhounds. I have shown and coursed. I cherish the breed.

For the position of President of ASFA, I bring 50 years of experience in business and engineering. In 1994 I established an engineering consulting company, developing custom machines and solutions primarily for manufacturing companies. Working in industrial, aerospace, medical and research environments has given me an understanding of how to solve problems and motivate both those who have worked for me and those I have worked for.

It is an honor to have been nominated to help lead ASFA into its next 50 years of Lure Coursing. - Phil Fullam 9-24-21

## INTRODUCING THE 2022 BOARD OFFICER CANDIDATES

### Greg Breitbach Candidate for First Vice President

I am currently retired. I do work for local festivals as a bartender when not working with my dogs.

I currently have a Pharaoh Hound and one Greyhound that Lure Course and also do Agility and Barn Hunt. My other Greyhound lure courses and does some agility when she wants to. I have become more laid back and accepting as I have aged. I have had dogs since my parents got us our first mix breed when I was around 9.

After my stint in the Navy, my first wife and I had a mixed breed and then obtained an Afghan Hound. We became hooked on lure coursing after watching a lure coursing demonstration at a conformation/obedience fun match. I have been doing lure coursing for around 45 years now.

I have been 1st Vice President of ASFA for three years. I pushed the reduction of paperwork and other constitutional/running rules/policies which have had a positive impact on the organization and clubs. I look forward to continuing to support the President of ASFA for the next two years as needed and to finding additional ways to improve the community and trials. - Gregory Breitbach

# INTRODUCING THE 2022 BOARD OFFICER CANDIDATES

## Cathy Sanderson Candidate for Second Vice President

I have been involved with dogs since I was 9 years old, starting with our family dog, a Siberian husky. From there I got a borzoi from the kennel where I worked, but I have had whippets ever since.

I started lure coursing in 1989 with my first whippet. I am also grateful for the friends I have made in the ASFA family. I have done every job needed to host a successful lure coursing trial over the years. My favourite position is lure operator, and that is where you will usually see me at a field trial.

In my non-dog life, I have an Honours BSc in Biology and I have worked with endangered species re-introductions and plant breeding. I have also worked in database management, customer support, and tech support. Currently, I work for a company that produces trade shows for the mining and forestry industries. Since COVID, we have had to pivot, and now we are creating virtual trade shows.

I have enjoyed being the Director for Region 9 and being part of this group of hard-working people! It is a great honour. All the above have provided me with lots of experiences to learn from over the years. I am thankful for my diverse background and the lessons I have learned from it.

My primary goal is to bring ASFA into the 21st century to enable us to compete for an owner's limited time and attendance at events. We know the dogs enjoy our events, but we have to convince the owners to bring them. Our product is our events (and supporting system) and there are a lot of dog events out there, so WE have to make our events and ecosystem better than the others. I am grateful to the nominating committee for adding me to the team that they have created to guide the ASFA forward. I hope you will support me in the position of 2nd VP and the rest of team that you have before you.  
– Cathy Sanderson

# INTRODUCING THE 2022 BOARD OFFICER CANDIDATES

## Tom Cigolle Candidate for Chief Financial Officer

My first field trial was back in 1982, and I have never looked back! I would consider myself a Saluki person as I owned and ran the breed almost from the start. But, I have also owned Afghan Hounds and Greyhounds. Over these 39 some years I have learned and held every position at a field trial (mainly FTC, FTS and LO). I have been an All-Breed Licensed Judge since 1985. I have served on the ASFA Board as 2<sup>nd</sup> Vice President (twice now), Treasurer, and Region 6 Regional Director. And I have only missed approximately 5 ACOD's since my first one in 1984.

When I am not coursing, I am the Quality Assurance Manager for a manufacturing company with several diverse product lines/divisions. In that line of work, I am responsible for the quality of the items we purchase from suppliers, and the quality of our end products being sold to customers. Part of my responsibilities is putting together a department budget and ensuring we meet that budget throughout the fiscal year.

We have many challenges facing the ASFA. I believe our biggest challenge is reversing the trend of declining entries and people. We need to take initiatives that will spur the growth of both. And it is my opinion we need to re-embrace our grassroots philosophies to do that.

I am honored to be selected by the ASFA Nominating Committee for this important position. – Tom Cigolle

## INTRODUCING THE 2022 BOARD OFFICER CANDIDATES

### Scott Hurlbert Candidate for Chief Financial Officer

I have been a part of the ASFA since 1991 when I first started running my little whippet, Devo. During my time I have recognized a need for more judges in my region and therefore performed the duties necessary to become knowledgeable on the not only the running styles of sighthounds but the rules of ASFA and the running of the events. I received my license in 1996 and have since traveled the country judging, running my dogs and running national events.

Again, seeing the need for a regional director, I was elected to the position of Regional Director twice in Region 5 and represented our region's wishes well by attending events and communicating with the number of clubs in the region. As a Director on the ASFA Board, I was selected by the other Directors to be the chair of the RD's and chair of the Invitationals Committee. While chair I was able to get the RD's to work on not just the next International Invitational, but the next 4, so that people were able to plan and know the path that ASFA is taking. In working with the RD's and host clubs for the national events I was able to work on and assist them in their planning and budgeting. We were able to develop and modify the guidelines to help host clubs host successful events.

In my private life I have held many positions, from a parole officer to counselor to my current role of project manager. In all these positions part of my role dealt with planning and projecting next steps. In the past 20 years I have worked in IT for local government. That is a broad statement, and it was always difficult to describe what I actually did for a living. Being in government I always seemed to do the job that was necessary or needed. That positioned me to work with various government and private entities to assure projects were moving forward in a timely manner within budget and meeting the needs outlined.

I am one that works towards an understood goal. I think that being the CFO of the ASFA will allow me to work with the board to meet our goal of sustainability. During these times we have some difficult decisions to make. I think the prior board has taken the ASFA in a new direction and as CFO I need to validate that that direction is fiscally correct for ASFA. - Scott Hurlbert

# INTRODUCING THE 2022 BOARD OFFICER CANDIDATES

## Jennifer Gysler Candidate for Recording Secretary

I am honored to be nominated and look forward to working with everyone in the coming years. I've been a Regional Director for the past two years for Region10 in Southern California. I have enjoyed helping clubs get approved to run ASFA events as well as introducing local exhibitors to the benefits of running in an ASFA event. I have learned so much from the ASFA Board and Officers as well as the other RDs.

As recording secretary, I will make every effort to take accurate minutes and complete the minutes as soon as possible so everyone can be kept informed about club business. In addition, I will work hard to continue to build ASFA locally and nationally, to encourage folks to continue to host ASFA trials, and to think of ways to improve ASFA both in the short term and the long term.

I'm an ASFA judge. I thoroughly enjoy every trial that I am invited to judge. I am also the trial secretary for most of our events in Southern California. It's one of my favorite things! I have Rhodesian Ridgebacks and Borzoi and have enjoyed coursing them over the past many years. My best friends are friends that I have made thanks to lure coursing.

Of course, you have to have a day job to pay for the dog fun(!) I have a small law firm which has kept me out of trouble for the past thirty years. I love problem solving and helping clients. - Jennifer Gysler

Mary Frances  
Miller

Candidate for  
Corresponding  
Secretary

I have had Salukis, Whippets and the occasional Greyhound since the early 1980s. And I have been coursing since 1984. I got my ASFA judges license around 1995.

My proudest achievements in coursing have been judging the SCOA national field trial (twice!), judging at the II in 2019, and watching my little Lucy Whippet win the II in 2013.

I am an actuary during the week (and sometimes on weekends), and I've been very active in various professional associations for many years. So, I hope to bring my organizational skills to the ASFA Board and help to keep things running smoothly. - Mary Frances Miller

# the **Huntmaster**

by Greg Breitbach, ASFA VP 1

More often than not, the quality of a field trial is judged by how smoothly it runs and in large part how long it takes to complete. When each member of the field trial committee is familiar with their job the trial usually moves along at a good pace. The old adage tells us that "a chain is only as strong as its weakest link". A well-informed, knowledgeable huntmaster can make that difference.

The huntmaster is one of the most vital Field Committee positions in American Sighthound Field Association (ASFA) lure coursing. In partnership with the lure operator, the huntmaster stands on the front line of hound safety. For that reason, the selection of huntmasters should be carefully considered by host clubs.

When asked to serve as a huntmaster, many often focus on the "huntmaster speech", not realizing that the huntmaster job is much more. A good way to involve new club members in coursing and to develop good huntmasters is to establish a huntmaster-mentoring program. By working with a knowledgeable, experienced huntmaster, the apprentice huntmaster can learn the various duties by observing and discussing. The mentor huntmaster should stay and advise the apprentice during their assignment. Usually by Best of Breed, they are competent to carry on alone. Also useful to the apprentice huntmaster is the ASFA's laminated huntmaster card that can be used as a reference. These cards are available for purchase through the ASFA Store ([www.asfa.org/store](http://www.asfa.org/store)) or by ordering through the Forms Distribution Chair.

A poor huntmaster may not only compromise the safety of the hounds, but also mistakes and omissions by the huntmaster can extend the amount of time to complete the trial dramatically. If done properly, the efforts of the huntmaster will go largely unnoticed; but if it is done badly, everyone will notice. When this happens the huntmaster can be little more than a spectator and many of their responsibilities must be handled by the judges or the lure operator.

Although the Running Rules do not set forth any minimum qualifications for huntmasters, there are a few qualifications that every good huntmaster should have:

1. Lure coursing experience, both in running dogs and serving on the Field Committee. There is no magic number in terms of years of experience, lure trials attended, or courses watched; but a good huntmaster will have enough experience in the sport to understand fully the duties of the huntmaster, release and retrieval procedures, and what situations developing during a course are potentially dangerous to the hounds.
2. Good training. A good huntmaster will have served an apprenticeship under an experienced huntmaster, standing beside them, and watching for several trials before serving as a huntmaster.
3. The ability to assess potentially dangerous situations quickly and make rapid judgment calls about whether to stop a course or order a hound to be retrieved before the end of a course.
4. Good people skills, including patience with new handlers and the ability to be firm yet polite when instructing a handler to do something quickly.
5. The physical ability to move quickly to diffuse a potentially dangerous situation, such as removing tension in the lure line if a hound is caught in it, and carrying a knife to use for cutting the line.
6. A working familiarity with the Running Rules as they pertain to the duties of the Huntmaster.

## Pre-Slips

One of the duties huntmasters do not always recognize is **calling pre-slips** at the start of a course. Judges will not deduct any points for a pre-slip unless the huntmaster informs them that one has occurred. When the huntmaster observes a pre-slip, they are to notify the judge(s) and at that time a penalty on the handler shall be assessed by the judge(s).

Positioning of the huntmaster at the start is also critical. They should be in a location to observe the dogs prior to the “tally ho” and assess if a dog is out of the handlers control prior to the “T”. They should not be in the path of any dog which may take off in a direction other than straight so that they or the dog will not be injured. They should also be close enough so that all the handlers will hear the “tally-ho” command. - *Greg Breitbart*

## **JUDGES LICENSING REPORT – December 2021**

This report is submitted by the Chair of Judges Licensing and is current as of 12/23/2021 =====

*Notes from Judges Licensing:*

It is with heavy heart that I learned this morning that long time judge Kim Bork has passed away. She was a former member of MWCC and has been active in Greyhounds, Whippets and Borzois. She will be missed.

With that, I wish a Happy Holidays and good health to all.

During this time, it would be wise for all judges to review the running rules and policies of ASFA. In addition to knowing all the rules and policies related to judging, it is wise to know where to look up additional items so that when any exhibitor asks a question about the trials, you can at least guide them to the correct section of the rule book or policies. With a lot of individuals having smart phones, it does not take much time to go to the ASFA web site and find the latest rules and policies.

## ***Notes from Judges Licensing:***

Another reminder about pre-slip penalties.

Only the huntmaster can call a pre-slip.

They should not be persuaded by judges or handlers.

Judges can ask a huntmaster if there was one but should not ask in such a way that influences the huntmaster.

If the huntmaster does call a pre-slip, a penalty shall be assessed.

# *International Invitational* Committee Report

by Kathy Nelson and Dawn Gibas

Celebration planning is underway for the 50<sup>th</sup> Anniversary of the American Sighthound Field Association! The 2022 International Invitational will be sponsored by ASFA and held at the International Aeromodelling Center in Muncie, Indiana on the same fields that we used in 2013 and 2019.

Save the dates! The venue has been reserved for the II and LCI Specialty from Friday through Sunday, October 21-23, 2022. We thank Jerry Burrus for his assistance in securing the fields for these dates.

We are happy to announce our team for this event:

- Our FTS will be Katie Kaltenborn.
- Our Head Lure Operator will be Jerry Slattery, with Mark Schubert and Scott Hurlbert helping to design and operate three fields.
- Our head Huntmaster is Wayne Olson.
- Kay Nierengarten is our treasurer, and she is also willing to guide our inspection committee.
- We have invited our judges. All 6 have responded with a resounding yes. Our judges are Deann Britton, Kevin Carlson, Jennifer Gysler, Claudia Miller, Ping Pirrung, and Kent Standerford.

A food truck will be available for breakfast/lunch, and there will be a catered dinner on Saturday evening.

We welcome all silent auction donations as well as baskets for raffle fundraisers to help offset costs for this very special event.

Those of you with perpetual trophies from 2021, please get them engraved and begin to think about how the trophy will make its way back to Muncie!

RV and tent camping on site will be available, including hookups.

The qualifications to enter will revert to 20 points earned. Last year the number was temporarily reduced to 10 points due to COVID and a limited number of trials.

All the information will be in the premium list and on social media as things develop.

We welcome everyone and want you to be part of this premier event. Please contact your Field Chairs Dawn Gibas at [sabig@yahoo.com](mailto:sabig@yahoo.com) and/or Kathy Nelson at [rundogs2017@gmail.com](mailto:rundogs2017@gmail.com) with any suggestions, or to volunteer any skills that you have to offer.

We look forward to seeing everyone for a fun-filled celebration of ASFA in October!

# Animal Advisory Report

by Vickie Jacobs  
Legislation Committee Chair  
AKC Legislative Liaison

## Animal Advisory Committee Summary for 2021

2021 was an active year for the Animal Advisory Committee, and it was another record year for Government Relations. Once again, the greatest success came from direct communication and work from local people. Club members and local dog people who took time to reach out to elected officials and attend hearings made a direct impact on the legislation that affects dog owners. But for their efforts, the impact on dog owners of pending legislation would have gone unnoticed. 2021 resulted in dozens of legislation successes across the country due to people educating others about these bills.

AKC Government Relations has been tracking more than 2,000 bills impacting dog ownership at the federal, state, and local levels. The COVID-19 outbreak and response have had a dramatic impact on legislatures and policymaking at all levels of government.

Below is a link to some highlights of pending legislation impacting dog ownership and dog owners' rights across the country.

The Region 3 Invitational was hosted by Lobo Lure Coursing Club (LLCC) at the HIPICO Polo field in Santa Fe, New Mexico on December 18<sup>th</sup>, 2021. The weather was frigid. Morning temperatures in the teens prompted a one-hour delay in the start of the trial. But even with a 9 am start time on one of the shortest days of the year, we managed to finish before the sun went down.

### Competitors

Eleven breeds plus the Singles Stake were represented at the Regional, with dogs and handlers traveling in from Region 3 and beyond - from Wyoming to Texas to Arizona and the states in between. The quality of entries was high, with more than half the breeds including dogs that wound up in their breed's Top 20 for the year. Of those, two were in the top 5 and two more were #1 for 2021.

## Dedication to Beth Anne Gordon

This weekend of trials were dedicated to the memory of Greyhound fancier Beth Anne Gordon. Beth Anne was a long-time participant in lure coursing, open field coursing, and conformation, traveling with her Greyhounds throughout the country. She was an AKC lure coursing judge as well as LLCC's ASFA Field Trial Secretary for many years.

## Greyhound Bayou - Best in Region

The Invitational judges were Leonore Abordo, Phil Fullam, Heather Minnich, and Robert Place, all of whom had known Beth Anne through coursing (both lure and open field). At the end of the day, six breeds drew in for the Invitational Best in Field (with one paddock scratch). BIF judges Leonore and Robert both agreed on Greyhound Bayou as their winner.

## Beth Anne Gordon Memorial Trophy

The weekend inaugurated a new trophy for the club, the Beth Anne Gordon Memorial Trophy. This year it was awarded to the high scoring dog for the weekend, normalized to judges average scores since not all breeds had the same judging panel across the two days. Pharaoh Hound "Cayper" earned the first spot on this trophy. *Photo by CJ McCammon.*

Another special trophy – a giant, custom-made dog bed – was awarded to the high scoring Greyhound for the weekend, with "Bayou" taking home that prize along with her Best in Field. *Photo by Heather Minnich.*

## California Coursing Association (CCA) Enjoys Local LCI Dogs & BIF Winning Whippet!

Meanwhile, California Coursing Association (CCA) has had quite a few stand outs with our local LCI exhibitors who not only have fun running their dogs, but also contribute by helping out at trials. We have so many great dogs, but we've highlighted a few from our November trial:

"Stardust" - 1st Miniature American Shepherd to receive the LCI, LCC and LCA titles. Stardust has blazed a trail with the new LCI program and demonstrated her athleticism on the field. Owned by Scott & Annemarie Pack and Karen Keller-Ross.

## Enter the ASFA 50<sup>th</sup> Anniversary Slogan Contest

Win a prize and our unending gratitude

"Fifty is Nifty!" . . .Yep, that's a pretty lame slogan for ASFA's 50<sup>th</sup> year in existence. That's why we're having a contest to come up with something better.

We know we've got a lot of creative and talented people out there, so here's your chance to put your imagination to work. We're looking for a slogan to be incorporated around or into a commemorative logo. So, it shouldn't be too long, maybe four to six words maximum.

Submit your entries to Gayle Kytta at [Reg6Dir@asfa.org](mailto:Reg6Dir@asfa.org) by February 28, 2022. The winner will be announced at this year's ACoD and will receive our unending gratitude and an exciting prize. I am looking forward to reading all your submissions!

**Background - ASFA History:** For those that are not aware, lure coursing was developed in the early 1970s by Lyle Gillette and other California sighthound fanciers who hunted jackrabbits in the open field. Since there were many hazards such as barbed wire fencing, they established lure coursing as a safer, more controlled sport. Their hope was to recreate the physical requirements of open field coursing, allowing them to continue testing the functional abilities of their sighthounds. In 1972, they formed the American Sighthound Field Association (ASFA).
