**CLCA Presents the 50<sup>th</sup>  
GRAND NATIONAL!**

**September 13, 14 and 15, 2024**

**PLEASE READ VERY CAREFULLY.**

This year we are again in Southern Colorado and the Pikes Peak region, with its wide open spaces and staggering views. The terrain at the trial site is grassy with very sparse overgrazed vegetation, there are no rocks and some cactus. The surface is coarse sand and drains well. As this is private property we strongly recommend that vehicles proceed very slowly entering or leaving the trial site. The altitude is over 7000 feet. We do not expect this to affect either the general health or the athletic ability of your hounds but people with respiratory or cardiac problems should seek medical advice before exerting themselves at this altitude.

**FRIDAY, September 13, 2024, SATURDAY, September 14, 2024 & SUNDAY, September 15, 2024**  
The COLORADO LURE COURSING ASSOCIATION will hold ASFA Sanctioned All-Breed Lure Field Trial all three days at the same location.

**ELIGIBILITY TO COMPETE IN CLCA'S GRAND NATIONAL BEST-IN-EVENT**

The requirements needed to qualify to compete in the Grand National Best In Event run which will take place on Sunday, September 17<sup>th</sup> after the regular trial are as follows:

- Winner of Best of Breed, Friday, Saturday or Sunday.
- Compete in two of the three ASFA Trials, Sunday being mandatory
- Any hound that is DISMISSED or DISQUALIFIED at the Sunday trial will NOT be eligible to compete in the Best-in-Event.
- All hounds are required to run a BEST OF BREED run on Sunday, whether it is forfeited, the only hound qualifying, or only one in that particular breed.

The Grand National Best-in-Event is **NOT** an ASFA sanctioned event.

**OBJECTIVE**

The objective of the GRAND NATIONAL is to bring together the finest lure coursing sighthounds from the continent and to provide for them a challenging test of their relative abilities on a demanding and extended series of courses. The emphasis will again be on the individual breeds with each Best of Breed winner running approximately two miles during the two-day period to earn this title. In order to match various breeds against each other in competition, there will also be a Best-in-Event run-off of approximately one mile, depending upon field conditions.

**JUDGES**

Because of the unusual difficulty of the courses caused by distance and terrain as well as the anticipated quality of the dogs running, all trials will use two judges except for the Best-in-Event on Sunday, when more may be used and be selected from the panel of judges from Friday, Saturday and Sunday.

**TRIAL PROCEDURES**

The ASFA sanctioned field trial on Friday will consist of a course of 730 yards reversed for finals, Saturday's course of 840 yards reversed for finals. Sunday's course will consist of Field "A" of 735 yards and Field "B" of 740 yards, with the preliminary run on Field 1 and the finals on Field 2. Best of Breed runs may be run on either of the course plans. Field "A" and "B" will be joined together for the BEST-IN-EVENT run, which is a NON ASFA event. In order to compete in the 2024 Grand National Best-in-Event run on Sunday, the hounds have to be Best of Breed winners and have competed in two of the three ASFA trials, Sunday being mandatory. No hound will be allowed to compete who fails to receive a minimum of 200 points. All hounds must run a Best of Breed course in order to advance to the Best-in-Event, even if there is only one qualifying hound, or one stake in the breed. This applies to the Sunday trial only. The Best of Breed winners who have met these requirements will be advanced to the 2024 Grand National Best-in-Event competition, which will consist of one course of approximately one mile in length, depending upon course conditions. Any hound that is DISMISSED or DISQUALIFIED during the Sunday Trial will **NOT** be eligible to compete in the Best-in-Event Run. Any hound entered only in the *Single Stake* that wins high single in trial on Friday, Saturday or Sunday and competes in two of the three days with Sunday being mandatory, may compete for Best Single in Event. This will be run on the Best in Event Field and will be judged before the running of the Best in Event.

Special Best of Breed Prizes for Sunday's event have been generously donated by ZoiBoyz! Thank you KC Thompson and Tom Golcher!

**TROPHIES AND ROSETTES**

Ribbons suitably inscribed will be awarded for all placements on Friday, Saturday and Sunday. Trophies will be awarded for Best of Breed on Friday, Saturday and Sunday. The Best-in-Event winner will receive a trophy, along with a Humane Purse to be donated to a recognized canine humane society or research facility, subject to approval by the COLORADO LURE COURSING ASSOCIATION Board of Directors. Donations to the Humane Purse gladly accepted, see separate insert in the premium list. The CLCA is also offering a perpetual trophy for Best-in-Event consisting of a silver plated wine cooler on a walnut base engraved with the names of the Best-in-Field winners, to be retained by the Colorado Lure Coursing Association.

## **ADVISEMENTS – PLEASE READ**

- Falcon, Colorado is at a high-altitude (6800 ft above sea level.) This is considered the high desert.
- Due to the high altitude, please ensure your hounds AND you are in top physical condition.
- Sunscreen and lots of water are strongly recommended.
- The field is **NATURAL TERRAIN** tending to be dry, uneven ground with a few patches of prairie plants, cactus, goatheads, and some rocks. The field is mowed prior to the trial. Care is taken to remove rocks and cactus from the path of the lure. *This is NOT a manicured lawn.*
- The ground can be hard, packed dirt depending on whether it has rained recently. Sandy soil is also present
- Be sure to check your dog's feet frequently for cactus, goatheads, and the condition of their pads.
- You and your dogs will NEED more water than you think is normal due to the altitude, dry conditions and lack of humidity.
- We do our best to patch holes in the ground from the various wildlife; as well as remove cactus and rocks from the path of the lure. Participants are encouraged to help walk the field BEFORE the trial to patch holes.
- September can be warm, cold, windy, mild, or raining. Please be prepared for any/all types of weather.
