

JUDGES LICENSING REPORT – February 2021

This report is submitted by the Chair of Judges Licensing and is current as of 2/25/2021

=====

Notes from Judges Licensing:

Second reminder: With the new year, the suspension of not judging in two years is no longer in effect. This means that all judges who were potentially losing their license last year and have not judged in the past three years are required this year to judge at least one trial to maintain their license. 2020 does not count for lack of assignments for any judge.

Only 25 individuals judged last year. After the ACoD where the person judging the most dogs last year will be announced, the judges report will list all individuals and number of dogs they judged.

Because listing as a lure operator on the judges list is considered personal information, anyone wanting to be listed as a lure operator has to contact me in person. I cannot accept third party information to place anyone on that list.

It is with sadness that Denise Cuomo has passed after a long bout with infections. She will be missed.
