

JUDGES LICENSING REPORT – July 2022

This report is submitted by the Chair of Judges Licensing and is current as of 7/25/2022

=====

Notes from Judges Licensing:

It is with sadness that we were informed of the passing of Gary Roush. He was an avid promotor of ASFA and longtime judge. Additional information will be in the Communique.

A reminder to all ASFA licensed judges that this past ACoD passed the following change to the general requirements of being a judge:

Chapter XI

Section 2. General Requirements

(a) Every judge (all-breed, provisional, apprentice) will be required to take a 25-question open book test provided by the Chair of Judges Licensing every four (4) years. This test will cover all running rules and policies in effect on January 1 of that year related to judging. Passing grade will be 85%. If a judge has not passed the test within four years, their license will be suspended. The Scheduling Chair will not approve suspended judges for new assignments until they have passed the test. Currently approved assignments will be completed. Judges will be allowed three attempts to pass.

During the month of August, the first group of judges to be assigned the testing will be notified to look for their tests in their email. Prior to this, each judge should verify that their email is correct in the judges list published on the website.
