

JUDGES LICENSING REPORT – November 2021

This report is submitted by the Chair of Judges Licensing and is current as of 11/29/2021

=====

Notes from Judges Licensing:

All judges should familiarize themselves with Chapter 5, Section 12(e).

(e) Additional ASFA championship points will be awarded to the hound winning BIF, determined by the number of hounds actually defeated in the BIF run. No more than 40 total points can be earned at a trial by that hound. The hound that wins Best in Field will also be credited with a first placement in a stake. The highest-scoring hound with a qualifying score will be declared the Best in Field on that day.

Apparently there have been exhibitors who have questioned judges about points awarded and received multiple answers.
